Next Meeting - August 8th
Start Time is 11:30am

Casa Cha Cha

Richardson, Texas 75082

I've always been proud to be a member of Lone Star Corvette Club. Not because it's the largest local Corvette Club in the US, but because the people are the greatest. In the last 3 weeks, I've seen first-hand what the "Good Friends" part of our motto means.

You probably know by now that Linda and I were involved in an accident in our '07 during the Annual Trip. What you may not know is the amazing care we received from our fellow LSCC members during and after the incident. We can never thank Mike and Janet Black enough for all they did. They had driven their Lexus, and took us under their wing: taking us to the Chattanooga hotel, to get our belongings from the '07, and staying with us for most of the way home. Everyone in the group did everything they could to make things easier, and we can't express our appreciation enough.

I saw that generosity of spirit again at the July Club Meeting at Mom's On Main. The MOM folks support a local group who provide bicycles for needy kids in the area. We heard a presentation describing how these kids are often in abusive environments, and how the gift of a bicycle lets these youngsters know there are understanding adults out there who care. Immediately, Club Members approved the purchase of 12 bicycles for the program. And 4 more members bought a bicycle on their own! I was so honored to be a part of that, although I really wasn't surprised. I've seen that caring response in our Club many times. That's how we roll: good friends, generous spirits, and great cars!

We are thrilled to announce that the 2015 Classic generated \$25,000.00 for our beneficiaries. We'll be presenting checks in September to Defenders of Freedom and the National Corvette Museum and in October to Speedway Children's Charities. Don't forget the Open Board Meeting prior to September Club Meeting. See the Board of Directors in action, ask questions and offer suggestions

2ND GEAR

Rick Herrick, LSCC Vice-President

Our last meeting at Mom's on Main in Aubrey was quite a success. We had about 120 attending and several commented on how much they enjoyed the drive. Steve Murray, owner, explained his bike program which provides new bikes to deserving kids in the area. Last year, 85 bikes were donated and the goal this year is 100 bikes. LSCC voted to provide 12 bikes from its charity fund. In addition, individual members came up with funds for 5 or more bikes. WAY TO GO! You may also contribute by purchasing a bike and delivering it to Steve. Bikes will be given away on September 19th beginning at 11:30 and there will be a free lunch. Steve would like to have our club participate in a yet to be determined way. We will be assisting a motorcycle club in the bike presentations with Steve making each recipient feel very special. The MECUM auction and COTA race are competing activities. Please mark the celebration on your calendar and if you're able, plan to attend. Please let me know if you can help. It's early and there will be more requests as we get closer.

We're in the dead period of a good ole Texas summer. Please look at the calendar for the late summer and fall events. There is an End of Summer event in Rogers, OK later this month. In September we get back into the swing with the MECUM auction, COTA race in Austin, and in October with the Eureka Springs trip, which is a very popular event. We always need volunteers for MECUM as the auction begins on Wed, Sept 16 and continues thru the 19th. If you're able, please sign up for the early days. On line sign up is open now on the website. Driving the cars at MECUM is really fun – you never know what you'll drive and we actually get paid with funds going into our charity account.

We're back to Casa Cha Cha for our meeting on August 8. A check of our rotating charity, Defenders of Freedom will be made at the meeting. Let's have a good showing for Donna Cranston, the Director.

Thank you Classic Chevrolet and The Thompson Group for being fantastic sponsors.

See you on the road.

National Corvette Museum

Johnny Downs, LSCC Ambassador

FUN is the best word to describe what LSCC members experienced for two days in June at the National Corvette Museum.

Just about every one of our 60 plus members got on the track at the NCM Motorsports Park. Many spent the better part of both days driving the road course and learning from the MSP staff how to better drive it.

Most of the LSCC folks toured both the Corvette assembly plant and the Museum. Most of us participated in the regular plant tour, followed by a great "behind the scenes" Museum tour given by Stephanie Morrill. As a surprise treat we were allowed into the Skydome which was not yet officially open. Thus, we became the first group to tour the room since the sinkhole reconstruction began. It was really exciting and at the same time sad because the crushed Corvettes were already placed in the Skydome.

Mike and Janet Black, Mike and Julie Hill, Phil and Kristina Davies and Grady Cherry opted for two very special VIP tours. They were taken to the Corvette plant by a knowledgeable NCM tour guide. Their tour lasted twice as long as the public tour, with plenty of time for questions and answers. Returning to the Museum they went on a private guided tour, including a behind the scenes look into several interesting areas.

Ric and Carolyn Atkins took the fun one step farther. They participated in the NCM Xperience. Not only did they get the VIP tour, their Grand Sport got the VIP treatment. When they completed their private tours of the Corvette plant and the Museum, they found their car displayed on Corvette Boulevard. It looked like new, having received a cleaning and detail from the same crew that does every new Corvette for museum delivery. If you ask Rick or Carolyn, I think they will tell you that if you cannot do Museum Delivery, you should have the "Xperience".

These great events are available again in September. A group of LSCC members will be travelling back to the NCM for the 21st Anniversary Celebration, and you are encouraged to join us. Highlights of the Celebration include:

- Official Re-Opening of the Skydome, and Unveiling of the 1992 "One Millionth" Corvette
- Presentation by Dr. Jason Polk on "What's Under the Skydome"
- Touring and Hot Laps at the Motorsports Park on Thursday
- Hands-On Seminars by GM Certified Corvette Technician Paul Koerner covering how to work on and maintain your Corvette plus drop in assistance
- Road Tours to Dale Hollow State Park, Chaney's Dairy Barn, My Old Kentucky Home, Barren River State Park and Sumner Crest Winery
- Seminars including an Introduction to the 2016 Corvette with Walk-Around, Exxon/Mobil, Hall of Fame Inductees
- Poker Run and Scavenger Hunt
- Celebrity Choice Car Shows
- Ladies' Oasis
- Live Auction
- Hall of Fame Induction Banquet

The event is September 3rd to the 5th. Please note that pre-registration ends August 14 and if you wish to do a VIP tour or Xperience, you need to make an appointment now. If you are interested in this trip, please contact me for special registration instructions and the hotel room block information. Don't miss out on the FUN.

Autocross

John Slaughter, Coordinator

The LSCC autocross will be held on the third Saturday of each month beginning in March and ending in November.

We will be holding our events at Brookhaven College. Brookhaven is located at 3939 Valley View Lane (Valley View Lane and Alpha Road) in Farmers Branch. We will be racing on parking lot P2. P2 is concrete rather than asphalt. This is the link of the Brookhaven [campus map](#).

Setup will begin at 8:30 am. For those helping with set up, be there at 8:30 am. The more help we have the quicker we get to start. Drivers should be there no later than 9:00 am to register and sign waivers. We begin racing at 9:30 am.

The fee to drive is \$15 per car. All drivers and passengers must be members of LSCC. Drivers and passengers must wear a helmet when on the course. Non-members must remain in a designated spectator area and may not enter the pits when anyone is on the course.

Dates for the autocross are: **August 15** (if temperature permits), **September 19**, **October 17** and **November 21** (rain date) .

I look forward to seeing you there.

In-Town Events

Markham Jones, Coordinator

Summer time has finally taken a hold on North Texas and brings us a smaller, but still a hot line up of shows and events to choose from in August 2015. Most of those shows are the usual monthly line up of cruising, car shows, and get-togethers for the DFW local show and cruise night season. Be sure to check their schedules though as many change times of day this month. Details about these events and other changes are available at the Shows/Cruise Nights Listings link on the LSCC website. Remember to check out the Members' only forum web page for any shows that others may already be attending, or post your plans to attend one as well. If you have questions or comments, please email me, Markham Jones, LsccCruiseNights@yahoo.com.

Road Trips

Phil Davies, Out-of-Town Events Coordinator

Hear ye, hear ye! The Eureka Springs Corvette weekend is coming up October 1st thru the 4th. You can now register for this trip on the LSCC website. This is always one of the more popular trips for our Club. It offers beautiful scenery, a fuel economy run, a poker run (sponsored by our Club), a major car show, great food and shopping. Again, we are planning two departure dates, October 1st and September 30th, to Eureka Springs, Arkansas.

The shortest, most direct route, leaves on October 1st and is mostly on divided highways, but it also includes the always-fun Scenic Pig Trail Byway through the Boston Mountains.

For those who have an extra day and want to experience some additional beauty and curvy roads, we will leave on September 30th, and will include lunch near Broken Bow Lake in the Ouachita National Forest on the way to Hot Springs, Ark., where we'll stay the night. We will find a fun spot to unwind in Hot Springs for dinner and fellowship. The next day we will head north on some scenic roads, visit a winery, and have a lunch at a German Restaurant. After lunch, we will head for the HWY AR-26, aka Pig Trail, to our hotel. In the past, the number of available hotel rooms has always limited the amount of LSCC members who can attend. So I have secured 10 rooms at another hotel just up the road from the one LSCC has used for years; all the hotel info is on the website. We hope to break LSCC attendance records at this show this year!!

CORVETTE INVASION AT THE OASIS

The morning of the Corvette Invasion, we had about 24 cars cruise through the hills of Austin for about 1-1/2 hours, stopped and had lunch at Oli's Kitchen in Round Mountain, TX. Some drove straight to Invasion while others went another route. Tweety Berg parked next to the Bad Boy Vettes booth, a group of Corvette owners, worldwide, with about 2,500 followers!

Corvette Invasion at the Oasis Day 2: we had breakfast and watched the F1 race from Hungary on the Circuit of the Americas (COTA) big screens. Then we received instruction for the COTA track and they were very detailed. What a track! Not the TMS Oval, but a 3.2 mile road course. The backstretch was unlimited in speed. Some reached 125 mph! What a blast and for only \$20 a car, the best \$20 you will ever spend!

Once again Lone Star Corvette Club has been selected to volunteer for the **Mecum Auction in Dallas** on September 16-19. This is always a popular event for the Club, and one that provides a significant contribution to our Club Members. Over the years, through our volunteer efforts we have raised several thousand dollars while working hard to make the Mecum Auction successful.

This year there will be over a thousand cars going across the auction block. If you have volunteered in the past, you know that means a variety of stick shifts, clutches, brakes, starters and steering wheels! If you haven't volunteered to work the Mecum Auction, please consider it. The sign up with the directions and instructions is on line at the Club's web site.
