Rick Herrick
LSCC President

It's hard to believe that Thanksgiving is upon us, a time when we gather with family and friends to reflect on our blessings. We have so much to be thankful for – our family, our Lone Star Corvette Club family and this country. Virginia and I have traveled a good bit the last couple of years throughout the US. The sights were magnificent and we saw much cultural diversity. Regardless of circumstance, we saw the American flag proudly waving.

Our LSCC family has seen some difficult times this year and I am pleased to see how we pull together as a family. I'm also pleased to see new Corvette family members become involved by participating in events and some stepping up to fill volunteer needs. We have had several relatively new members step up into coordinator and even officer positions. The best way to get to know your family is through participation in small groups. Virginia and I have enjoyed meeting new members on trips throughout the year.

Nominations for 2017 officers were received today and will continue in November. Those nominated for office today were President – Rick Herrick; Vice President – GH Hodges; Secretary – Carolyn Atkins; Treasurer – Sharon Norris; Competitive Events – Dennis Corder; Recreational Events – Tony Pittman; Technical Officer – Joe Hester; Finance Officer – John Raiden; Newsletter Editor – Norm Glowicz; Classic Officer 2018 – Joe Carrion; Membership Officer – Gary Nesta. If you would like to be considered for office, put the bug in someone's ear to nominate you. A candidate must have been a member for a minimum of one year.

Be sure to sign-up for the Christmas Party on December 3, which will be held again at the Speedway Club at TMS, sort of like going home for the holidays. Last year, we had about 120 participate. Let's do better this year. We will also be able to do the Gift of Lights. As usual, check out the website and register.

Thanks to our sponsor – Classic Chevrolet and The Thompson Group.

2ND GEAR

GH Hodges, LSCC Vice-President

It's November, which means two of the most important and enjoyable Club events are about to occur: Officer Elections and our annual Holiday Party.

Nominations for 2017 Officers were opened at the October Club meeting. Candidates were nominated for all positions, but if you are interested in holding an office, you can be nominated at the November meeting as well. We have a lot of people in the Club, and everyone has talents or skills that could be shared with the Club. Please consider helping out as either an Officer or as a Coordinator. The nominations will be accepted during the November meeting, after which they will be closed and the election will ensue. The results will be announced at the December membership meeting.

It's time to rev up your Yuletide at the annual **LSCC Holiday Party at Texas Motor Speedway**. The party will be on Saturday, December 3rd. Since we always have fun, we hope you will join us! We will have a seated dinner, a DJ, and raffle items that will include a big screen TV, a dinner at a notable area restaurant, and more... Watch the website for details and for registering. Cost will be a bargain \$35 per person. A block of rooms will be available at the Marriott, if you're interested in spending the night. [Gift of Lights](#) drive-through holiday light display will also be back. Last year we had a caravan of Corvettes that gathered for the fun event just prior to the Party. Watch the LSCC website for details.

November Meeting: The meeting will be on **November 12th** at **Classic Chevrolet in Grapevine**, and lunch will be provided by our outstanding sponsors **Classic Chevrolet and The Thompson Group**.

Great Cars and Good Friends.

Thank you to Classic Chevrolet and The Thompson Group for being our sponsor.

Competitive Events

Dennis Corder, Competitive Events Officer

Our **Autocross** is at Brookhaven College. The next event will be on Nov. 19th.

Speeds in *Autocross* are slower, in absolute terms, when compared to other forms of racing but the activity level, measured in discrete turns per minute, can be higher than even Formula One due to the large number of elements packed into each course. The donation is **\$15 per car**. Helmets are required but loaners are available.

Drag Racing: See you next year. Contact Allen or Martha Kaus at 972-467-0271 if you have any questions.

Open Road Racers, It's time to start thinking and planning for next year! Big Bend will be April 19th ~ 22nd in 2017. Wouldn't it be fun to blast past the police at the side of the road at any speed you like and all they do is wave! Keep watching for upcoming meetings on this event. Contact Mike Black at OpenRoadRacing@LoneStarCorvetteClub.com. Please check the web site for other events and times.

Rally: See you next year. The club does not sponsor rallies at this time but we will tell you about the SCCA group that will be holding Rallies.

HPDE, talk to Mike Krieger. This is **NOT RACING**. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance driving education that will help you in your everyday driving and/or the next spirited drive you take.

There is a two day event at MSR Cresson is on December 3rd - 4th with registration opening Oct. 3rd.

Apex Driving Academy HPDE will be on Nov. 5th at Motorsport Ranch on the 3.1 mi CCW course.

As always, watch these web pages on our club site for updates and new listings.

In-Town Events

Tony Pittman, Coordinator

The **Endless Car Movement(ECM) meet** is scheduled for November 13th. Hosted at the massive parking lot of Nebraska Furniture Mart (The Colony, TX), there is plenty of space. Please note: to offset the cost of the safety plans, a \$5 fee will be charged for each car in the meet. For faster entry, you can pre-purchase your entry ticket online [HERE](#)

Be sure to always check out the club calendar and the [LSCC Facebook page](#) for the latest information.

GM Heritage Center

The 2016 Big Trip stopped at the GM Heritage Center. Their web site has tons of useful information including photos of their entire collection. This link goes to GM Vehicle Information Kits. Scroll down to Corvette and select your year, 1953 to 2006 are available.

Recreational Events

Tony Pittman, Recreational Events Officer

Mecum Auction on November 2nd - 5th in Dallas, Texas: This fun event requires over 100 of our members and guests to drive all types of vehicles from every era and style. This event is not only fun but it also benefits the Club with thousands of dollars every year. See article on Mecum Auction on [page 30](#) in this newsletter. Check the club calendar to register and for more details.

Dallas Veterans Day Parade on November 11th in Dallas, Texas: WWII and Korean War Veterans will again be honored. LSCC needs 70 Corvette Convertibles or Coupes (with their tops stowed) to drive veterans in the Dallas Veterans Day Parade on Friday, November 11. We are driving 40 WWII veterans and 30 Korean veterans. This is a great opportunity for new members to get involved. Parade participation is a memorable experience. Check the club calendar to register and for more details.

Fort Worth New Car Show on November 16th - 20th in Fort Worth, Texas: This fun event needs volunteers to display their 'Vette and or work the information booth at this event. For more than 50 years, the DFW Auto Show in Fort Worth has been a "must see" event where consumers are treated to the ideal opportunity to "kick some tires" and compare pricing of vehicles from almost every manufacturer, all under one roof. See website to register and for more information.

LSCC Christmas Party on December 3rd at the Speedway Club at TMS: This is our annual Christmas party. Lots of fun and dancing and greeting members in a party environment. See website to register and for more information.

Texas Strong Toy Run on December 3rd at Corvette World Dallas: Here's a great way to start the Christmas Season! The Caravan from CWD to Pappasito's departs at 10:15am. Toy collection and lunch will be at Pappasito's Cantina, 10433 Lombardy Lane, Dallas, Texas. The LSCC caravan to Corvette World will depart at 8:15 am from the Lowe's parking lot, 1253 E Trinity Mills Rd, Carrollton, Tx 75006. CWD is only a 5-minute drive from Lowe's. See website to register and for more information.

Allen Rotary Christmas Parade on December 4th in Allen, Texas: The theme for this year's parade will be "Christmas Melodies." Decorate your vette, have fun and support charitable Rotary projects in the community. See website to register and for more information.

If you have recreational event ideas that you would like to discuss or lead, please let us know – email at

"Stingray Welcome Kit"

New Corvette Store Site

Just in time for Christmas shopping a new Corvette store site has been launched. The site offers many advantages over the old site, for example:

1. It is mobile device friendly and will adjust its layout to suit the phone or other device you use.
2. It is linked to your actual membership records and will automatically determine your membership level and discount.
3. Much-improved search, sharing and wish list features.
4. Order tracking and history.

Additional features will be rolled out on the new site over the next few months. We believe that you will be very impressed with the site on launch day and continue to be impressed as the NCM makes more and more functionality available to you.

One of the first post-live feature rollouts will be common sign-on between the store website and the event registration website. When this is complete, you will use the same password between the online store and the event registration system and a password change for one will immediately take effect for the other.

Soon afterward there will be a roll out of a much-improved Raffle ticket purchase experience. Stay tuned!

Because this is a completely new system, the accounts and passwords used in the previous online Corvette Store site will not migrate. The new site will already have customer records for all members and most previous online customers, so you should be able to immediately connect to your new account by using the "Forgot Your Password?" link on the site login page.

For a free Flint brick or anything else NCM please contact Johnny Downs, 214/384-8565, 903/564-3069 or ediewoww@aol.com.

Eureka Springs Corvette Weekend

Ten LSCC Corvettes started out from the Oklahoma Visitors Center Wednesday, October 5th, to tour the beautiful Ouachita National Forest, stopping at Beaver Bend State Park for lunch, Queen Wilhelmina Lodge for a break and ending up in Hot Springs, Arkansas with just enough time to unpack and meet for dinner "on the lake". All 21 of us gathered for a wonderful dinner at the Back Porch Grill. As we were heading out for Eureka Springs the next morning, about ten other LSCC Corvettes met at the same Oklahoma Visitors Center and headed to Eureka Springs led by Joe and Gail Carrion. The Wednesday group enjoyed a delightful lunch in a railroad dining car at Russellville, Arkansas that Johnny Downs found—a great venue and meal—and of course wonderful drives through the curvy roads with some fall colors decorating the scenery.

As we headed for Pig Trail, we tried to time our run to avoid slower traffic but didn't succeed allowing us to enjoy a leisurely trip through tunnels of trees up, over and around 15 miles of Vette-driving bliss. As we neared the end of the run, our radios came to life with voices from the Thursday LSCC group and so we joined up without planning to do so! As we neared Eureka Springs, Corvettes were everywhere, confirming even to anyone lost, we had arrived! The Quality Inn has been the LSCC hotel of choice for years being strategically located in relation to event registration and the car show...and the Corvettes cruising by constantly. Several LSCC's drove on their own so the group grew throughout the day with several members having new Corvettes to admire!

We had about forty LSCC Corvettes from near and far! The weather is always a consideration and the good Lord blessed us with sunny but cool fall weather. Although there was no autocross this year (coming back next year they said), several participated in the events run by various clubs such as the scenic photo tour, fuel economy run, car show, poker run and parade of champions. Of course, several ladies took the local trolley downtown to shop and have lunch, coming back to share the goodies they found. Several of the guys have teamed up over the years and had fuel economy run titles to defend...and they took it seriously. I tagged along solo this year to enjoy the peaceful landscapes since Phil was navigator in another car; I didn't get lost but have lots to learn. I wished I had shoe polish to write on my back window (I'm on a fuel economy run so don't hate me for going so slow) since locals didn't appreciate Corvettes driving around 30 mph!

Saturday morning we woke up to a gorgeous sunny day, just perfect for a car show. As we drove into the show, the music was playing, many were seeing old friends and lots of last-minute cleaning was going on. The Corvettes were organized by class pretty much so it made it easier to compare and appreciate the variety of "special touches" each owner had given to their pride and joy. Several of us helped out at the National Corvette Museum merchandise tent and snuck away to vote when we could. Every military veteran was honored and shared their branch and length of service to our Country. Our Club ended up doing well as you'll see by the results below:

FUEL ECONOMY

| | | |
|-------------------------|--------------------------|-------------------------------|
| 2014-17 Auto/Manual | GH Hodges/John Hart | First Place & Overall Winners |
| 2014-17 Auto/Manual Z06 | Johnny Downs/Phil Davies | Tried Hard Award |

CAR SHOW

| | | |
|------------|------------------------|-----------------|
| C4 Class | Mel & Lois Thomason | Class Award |
| 2001-04 C5 | Phil & Kristina Davies | First Place |
| 2010-13 C6 | Pat & Roberta Amendola | Runner up Award |
| C7 Class | Johnny & Edie Downs | Runner up Award |

LONGEST DISTANCE AWARD: Bill & Dottie Slocomb 835 miles

CLUB PARTICIPATION AWARD: LSCC Second Place

Of special note was GH Hodges and John Hart winning the overall fuel economy run getting 33.565 mpg, only .005 more mpg than the next guy! Congratulations gentlemen, with GH giving special recognition to his outstanding navigator!

After the car show, several LSCC volunteers headed out to man/woman their posts at four different poker run stops throughout the countryside. Since the cars had just been in the car show, they were shiny clean as they cruised in to pick a card. Jimmy Stahr, assisted Dick Krull (poker run coordinator), with determining the best poker hand, even though it's all luck.

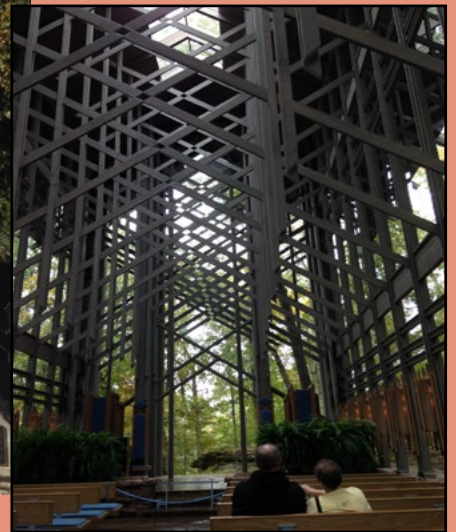

It's always so nice to chill over dinner, around the pool, over breakfast or in the parking lot as it truly does feel like a "family affair". As proof of that, a couple of members have lost very special family members this year and they still came...Also, in the past, two couples have gotten married during this event in prior years so they're celebrating their wedding anniversaries with us each year. Eureka Springs is a special event. Ben Whitacre, one of the founding members of this event, passed away earlier this year and we missed him (his 1966 Vette rightly won Best of Show leading the Parade of Champions, with his daughter and granddaughter driving his C4 Vette in the Poker Run)!

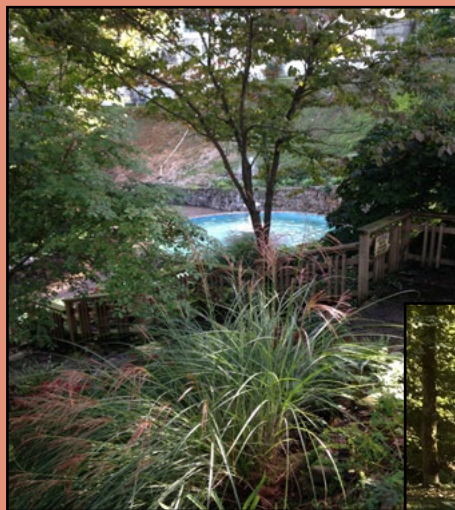

Thank you to each and every one who made the trip and especially to those who volunteered in some way! Save the date for the first full weekend in October 2017...you won't regret it!

Sulphur Springs 2016 Corvette Classic

By Bob Paton

What a great day for a Corvette Show! In contrast to all the rain that kept attendance down in 2015, there could not have been better weather for this year's Corvette show held in Sulphur Springs Celebration Square. A cool morning, highs in the 70's and a nice breeze made for a wonderful day and resulted in more than 155 Corvettes on display for all to see and enjoy. The weekend events started at the Sulphur Springs Country Club with a meet and greet followed by an excellent dinner. Entertainment was provided by Diamond Jim Tyler, who amazed all with his magic tricks and made everyone laugh with his many jokes and stories. At the end of the night, the host club, Sulphur Springs Corvette Club, drew names for door prizes. Among the prizes were tools, passes for the Texas ½ Mile Shootout, and a 50" LG TV. The name drawn for the TV was Phil and Kristina Davies. Read on to see if you can figure out how they got that home. And no, it was not in their 2004 Corvette convertible.

On Saturday morning, Corvettes representing all generations made their way to Celebration Square for the show. LSCC was represented by 17 Corvettes. While this was more than in rainy 2015, it was far fewer than the 45 that attended the 2014 show. Show participants spent most of the morning cleaning and polishing their Corvettes. Actually, most participants did: there were a few who did not expend a lot of effort in cleaning, however I believe that Robert Shellberg was the only one to post a sign telling everyone who owned one such particular Corvette. As the day went on, car numbers were drawn for door prizes and 50/50 tickets were sold. The 50/50 pot reached over \$1,000, making one show participant very happy and raised more than \$500 for the Sulphur Springs Corvette Club charity. Johnny Downs brought so much merchandise from the National Corvette Museum that he had to have Edie drive his pickup to the show (Johnny drove the Corvette – figure that one out). The NCM sale table was kept busy throughout the day, selling almost half of the merchandise. Look for the remaining NCM merchandise to be on sale at the November LSCC meeting. Did you figure out how that TV made it home?

Participants had their choice of restaurants to visit for lunch. From hamburgers to pizza, sandwiches, steaks, Cajun, and German, there was something for everyone. Some even found a shop featuring ice cream from Henry's in Plano.

Show awards were presented in the afternoon after all votes were counted and verified with seven LSCC members receiving awards:

| | |
|--------------------------------|--|
| John & Suzanna Main | 1st Place C2 Coupe |
| Ken & Charlotte Smith | 1 st Place C2 convertible |
| Gaye Sturgill & Monty Stephens | 1 st place C4 Convertible |
| Dan & Janet Gallineau | 1 st Place C6 Convertible |
| Willis & Linda Jones | 1 st Place C7 Convertible |
| Bob Paton | 2 nd Place Special Interest Corvette Coupe |
| Martha & Allen Kaus | 3 rd Place Restomod/Custom Class for their 81 Coupe |

The Sulphur Springs Corvette Club always put on a great show, even if the weather doesn't cooperate. This is one show you should plan on attending next year. A short, easy drive, plus you can join a group to arrive on Friday or drive out early on Saturday morning and return to DFW Saturday afternoon.

It's Showtime Again for the Mecum Auction

by Craig Satterfield

This year the fun begins on November 2nd and continues four days until Saturday, November 5th. This event requires over 100 of our members and guests to drive all types of vehicles from every era and style. This event is not only one of the most fun things we do, it also benefits the Club with thousands of dollars every year. In fact, in the last five years, we have raised almost \$40,000 for the Club.

This year the Mecum Auction will be broadcast nationwide on NBC Sports Network. We will be in the same place we have been the past 5 years.

We anticipate about 1,200 cars going across the auction block over the four days. We will need a minimum of 40 volunteers per shift to make the auction run smoothly. This is a great opportunity for Club members to invite car buff friends to come with you to volunteer and enjoy the ride.

To participate, please go to the Club Events page to sign up for the shift you plan to work. There will be one shift on Wednesday and two shifts on the rest of the days. If you are a newcomer, I would encourage you to begin your day on the first shift to go through the official training process. Please read the guidelines when you sign up. Free parking will be provided for our volunteers.

Please sign up as quickly as possible because the slots fill in quickly. See the schedule below for reference.

On a personal note, I would like to thank all the Club members who have volunteered in the past and come back every year with their experience and enthusiasm. I am proud that our Club continues to impress the Mecum representatives with our organization. I am grateful for the opportunity to serve both Mecum and LSCC in this great event.
