Rick Herrick
LSCC President

Merry Christmas and Happy New Year – oops, that's past - I hope everyone had a great holiday!

I want to thank you first of all for allowing me to continue to serve LSCC, now as its President. Your confidence is much appreciated. I have big footsteps to follow as Robert Shellberg provided outstanding leadership. Membership growth has continued as we have about 1,250 members. Charitable donations last year surpassed \$33,000, \$25,000 from our Classic event, the balance from LSCC to charities nominated by members. New members were greeted at mixers and became involved in our activities.

Thank you Robert for your leadership!

You elected a hard working board and we were at work even before the year-end. I look forward to working with this team. Let us hear from you regarding events, activities, and meeting venues.

Looking back to December, based on your comments, the Christmas party was one of the best ever. Food and music were fantastic. We gave away a gift card to Bob's Steak & Chop House, a 60inch TV, and a crystal wine set given to us by the NCM in recognition for donations to them. There's no better entertainment value than our Christmas party as the club heavily subsidizes the event. We're back at the Speedway Club this year. Save the date for December 3.

Presentations for our rotating charity will be in February. Every charity must be proposed by a member and be a viable 501 c-3 that we will verify. Voting will be at our March meeting. Presentations may be made by a spokesperson for the charity. If you want to nominate a charity, let me know. A brief description of the charity is needed for the newsletter.

Participation and volunteering are the keys to the livelihood of LSCC. The best way to meet members is to participate in events. Participation drives our motto, **"Good Friends, Great Cars"**.

Continue Red Line on Page 6..

2ND GEAR

GH Hodges, LSCC Vice-President

Happy New Year!

When Gaila and I joined LSCC we had no expectation of what the club was, beyond some sort of a forum for Corvette owners. We also had no expectation that we would be particularly active. To our surprise, LSCC was an extraordinary group of people involved in all imaginable aspects of Corvette life. The Club has it all: touring, autocross, open road racing, car showing, community charity, and more. LSCC has a three-day world class Corvette event, the Corvette Classic, that raises substantial funds for charities. And, all of this wrapped up in great fellowship.

An undeniable truth is that the more involved you get, the richer your membership experience will be. Whether you hold an elective office or coordinate an event, the more you invest your time and talent, the more you will enjoy the Club. Remember, LSCC is a club of volunteers. Trips and events don't happen without the generous contributions of self by our fellow members. Even if your contributions seem small to you, they all add up for a club that means so much to so many people.

At the beginning of each year the Membership of LSCC elects our rotating charity. Ordinarily, an important part of our January meeting is presentations made to our Club by representatives from our charity nominees. This year those presentations will take place at our February meeting. Consequently, if you have a charity in mind, you have an extra few weeks to prepare a nomination. Nominees will be allowed 3-5 minutes for a live presentation. Nominees should email the Newsletter editor a 250-word (MS Word) description of their charity that will be published in the March Newsletter. The Club membership online voting will be announced at the February meeting, with results being revealed at the March meeting.

Thank you for your expression of confidence in electing me as LSCC Vice President. My observation is that you have elected an outstanding group of dedicated and talented people to serve on the 2016 Board. Now, let's get on with the New Year with *Great Cars and Great Friends*.

**Thank you to Classic Chevrolet
for being our sponsor.**

jmr863@aol.com

Last month Edie and I made our fifth trip of the year to the National Corvette Museum. We were there for the December Board of Directors meeting, my last as Chairman. We were also lucky enough to arrange Museum delivery of our new Corvette following the last day of meetings. This saved us from making a sixth trip to Bowling Green.

Don't get me wrong, we love all our friends at the NCM and enjoy our time spent in Kentucky. Thanks to the sink-hole and its associated issues, we made six trips to the Museum in 2014. It's just that when we reach six trips, it is tempting to think about just moving to Bowling Green. But six grandchildren in Texas make moving impossible! So, saving a trip is good.

Following is news from the December board meeting and some highlights from our Museum delivery, but first some thoughts resulting from a conversation with Adam Boca about insurance.

Lesson Learned About Corvette Insurance

During a discussion on NCM Insurance at the Board meeting, it was brought out that despite good success reaching NCM members, the great majority that only own late model Corvettes do not take advantage of the collector car insurance. Later, I spoke with Adam about this. Armed with information he gave me, I will try to explain how most LSCC members can save substantial dollars on Corvette insurance.

I will start by sharing my personal experience. For a number of years I had collector car insurance on our older cars. The company did not offer coverage for newer cars. When NCM Insurance opened for business in 2010, I got a quote. On our older cars the savings were worthwhile, but not huge. NCM also offered to cover our late model Corvettes. The savings were huge! On three cars, a '95, '07 and '08 we cut our premiums by over \$2,100.00.

We used some of the numerous options available on an NCM policy to save money and get unmatched coverage. They include:

Mileage – Annual mileage limits can save money. We chose varying limits on our cars from 1,000

to 6,000. Unlimited is also available, as is rollover miles.

Agreed Value – An agreed value is established on the policy, and if there is a total loss you are paid that amount. If you have added dress-up accessories and/or wheels to your Corvette, at the very least you will have some difficulty collecting for those in the event of a loss on a "regular" policy. With agreed value add the cost of those items to the book value of the car up front. You will recover your investment, no questions asked, if a loss occurs.

If you have a special edition, such as a Pace Car, you know most used car value guides do not list adds for these vehicles. Again, this can be a problem with a regular policy. We researched for sale prices of Ron Fellows Editions and Pace Cars then we set agreed value amounts on our cars that would easily cover the cost to replace them.

Most standard auto insurance is "actual cash value", which is the book value at time of loss, not an agreed amount. Some collector policies are "stated value", which is up to a stated amount, meaning it can be less than the agreed amount if the company decides to reduce it.

There are a couple of other things to consider. NCM members get a 10% discount. That discount alone will pay the membership dues in many cases. There is sometimes concern about losing the multi-car discount on the regular car policy by moving the Corvette to NCM. The savings on the Corvette policy is usually 3 or 4 times more than any multi-car discount.

Here are a few examples of NCM insurance premiums:

2014 Corvette

6,000 miles or less driven per year
\$60K value
\$725 per year

1999 Corvette

3,000 miles or less driven per year
\$15K value
\$325 per year

1965 Corvette

3,000 miles or less driven per year

\$70K value

\$366 per year

For an exact quote, contact Adam, 270/467-8853 or adam@corvettemuseum.org or Bobbie Jo, 270/457-8833 or bobbiejo@corvettemuseum.org.

Museum Delivery

You just have to be there. There are not words to describe what a great experience this is. The celebrity treatment started with our name up on signs at both the Museum and the assembly plant.

We had our own guide Corvette expert, Lee, for the day. He was there to give us:

VIP Plant tour

VIP Museum tour

Instruction on car operation

Offering of commemorative clothing

Drive out of Museum

The tours are always good, but the instruction on the operation of the car was amazing. Our guide is very, very knowledgeable. We spent well over an hour going over every feature. Edie is totally educated on our car, me, not as much.

Sally Heil in the store was very helpful showing us the wide variety of special Museum Delivery apparel. But the best part is last. Lee drove Edie out of the Museum to the applause of over 20 NCM employees. It just doesn't get any better.

NCM Board Meeting

One of the major actions taken in the December meeting was the election of the 2016 Corvette Hall of Fame inductees. One person is chosen in each of three categories:

Racing – Bob Bondurant – during Corvettes early years, he helped validate the 'Vette as a world class sports car, winning 30 of 32 races from 1959 to 1963.

GM/Chevrolet – Ralph Kramer – was one of the first Chevrolet executives to bolster GM support for the Corvette Museum in its founding years.

Enthusiast – Donna Mae Mimms – racer, writer, event organizer, and proponent of all things Corvette, "The Lady In Pink"

Also of Interest at the Board meeting was the report from Bowling Green Assembly. Current production, maintaining a pace of 40,000 cars for 2016 model year: 170 per day on a 10 hour per day, 5 day per week schedule. Thirty percent of those are Z06's. Two colors will be discontinued for 2017. They are Night Race Blue and Daytona Sunrise Orange. Selling at less than 1% of total, Night Race Blue may no longer be available by the time you read this.

For anything NCM, please contact Johnny Downs, 214/384-8565, 903/564-3069 or ediewoww@aol.com.

Lone Star Awards Presented

A highlight of the Christmas Party was the presentation of the esteemed LSCC Star Award to two very worthy members.

Any member who is not on the LSCC Board of Directors is eligible to be nominated by any LSCC member. a unanimous vote by the Board of Officers is required. The nominee must be a member for a minimum of 18 continuous months, be recognizable by the majority of the Club members as having made a major contribution(s) to the Club; and has consistently contributed to the LSCC for a sustained period of time that reflects a positive image on the Club

The 2015 Lone Star Award Recipients

GH and Gaila Hodges

GH and Gaila join a very distinguished list of LSCC members who have earned this important award.

Rotating Charity for 2016

It's time to select the Rotating Charity for 2016. Each year, LSCC members select an organization to share in the proceeds of the Lone Star Corvette Classic Auctions. In 2015, our permanent recipients, Speedway Children's Charities and The National Corvette Museum, along with Defenders of Freedom, received a total of \$25K for their programs.

For an organization to be considered, the following criteria must be met:

- The organization must be nominated by an LSCC Member
- The nominating Club Member must email the name of the organization to the current LSCC President prior to the January Club meeting
- The organization must be able to verify that they have a 501 (c)(3) tax status if requested
- It is highly recommended that the organization or the nominating Member be present at the January Club meeting; all nominated charities will be given 3-5 minutes during the Meeting to talk about their programs and activities
- The organization must submit a short article for the February newsletter within 7 days after the January Club meeting, describing their purpose and activities

If you have a favorite charity, now's the time to help them out! And remember, these funds come from the LSCC Classic Auction, so the best way to help your charity is to donate and volunteer!

Continued from Red Line on Page 2..

Activities include car shows, day trips, weekend trips, and of course our annual long trip. For those who like to press the pedal a little harder, high performance driving, drag racing, and open road racing are options. And we have our annual Classic in May, the proceeds of which provide about 75% of our charitable contributions.

These events need coordinators and volunteers to make them more effective or even happen. A coordinator is needed for the Boerne trip and John Raiden has several spots to be filled. Let Markham Jones, John Raiden or me know if you are interested. Our contact information is noted in the newsletter.

The Dallas New Car Show is March 17-20 and I need cars! I would like to have C1-C3's and unique C4's. Based on last year, 10 cars are needed. Cars need to be in good condition, not looking for NCRS quality. The show takes place at the Dallas Convention Center. If you are interested, contact Rick Herrick, the coordinator.

Our first event is the Fort Worth Stockyard Run January 30. Check the calendar for details.

Good Friends, Great Cars

Mackinaw Island

Road America at Elkhart Lake, WI

RoadTrips

Phil Davies, Out-of-Town Events Coordinator

Cheers and Happy New Year to all. Are you ready for the Club's 2016 big trip? While I am far from having all the details worked out, here is an outline I am working toward. For those who need to plan for vacation time, we are planning to leave Saturday, July 30th, and return on August 10th.

This year we will be heading north to Michigan and Wisconsin. A couple of years ago, Doug Fehan <http://www.corvetteracing.com/team/dougfehan.shtml>, Corvette Racing's Program Manager, suggested a cool trip for LSCC. The trip is centered round the Road America race-track located in Elkhart Lake, WI. For those unfamiliar with Road America, Road America has hosted races since the 1950's and currently hosts the Weather Tech Sports-Car Championship Series, in which Corvette is a competitor. The Road America is one of only a handful of road circuits in the world maintaining its original configuration, being 4.048 miles in length with 14 turns. The track features many elevation changes, along with a long front stretch where speeds approach 200 mph. They will have a Corvette Corral so we'll be a special part of the event.

The Race may be the focal point of the trip, but before we get there, we'll plan to visit the GM Heritage Center and Pratt Miller facility near Detroit, drive up through Michigan passing through the scenic Traverse City area along the eastern side of Lake Michigan, up over the Mackinaw Bridge (of course stopping to see Mackinaw Island—on foot since no vehicles allowed) and then head south through Wisconsin, hoping to stop off at Lambeau Field for a tour and a boys camp run by the one of the Corvette Racing team members, to Elkhart Lake. Other en route stops may include Ford Museum, Indianapolis Raceway and Mid America. For those who are newer to the Club, road trips are the one of the best opportunities to meet members and make new friends.

As always, this will be a hop-in, hop-off trip, meaning, if you have friends or family along the way, by all means stop and visit and then catch up with the group when you can. Signups for the trip will be will available on the website in the near future. Hope you'll consider joining us! It'll be here before you know it!

Photo contributions to the newsletter from
Markham Jones, Norm Glowicz, GH Hodges and
Phil Davies.

Recreational Events

Markham Jones, Recreational Events Officer

1st on the 1st Corvette Show in McKinney, Texas at the Spring Creek BBQ on January 1st: This is the 7th Annual 1st on the 1st Corvette show hosted by the Texoma Area Corvette Club. This show has become a tradition for many LSCC members and we have seen a growing number of members attending. The show is held at the Spring Creek BBQ in McKinney. Hope you are able to make it out for lunch. Registration begins at 1PM. Visit our website for more information.

Fort Worth Stockyards Tour in Ft.Worth, Texas at the Stockyards on January 30th: This is a traditional club event. Current plans are to round up at TMS in the morning and "herd" down to the Stockyards on the FM 156 trail. After corralling the 'Vettes, we will go the the water tower for our annual photograph and then watch the longhorns stroll through the Stockyards. Visit our website for more information and to register for this event.

56th Annual O'Reilly Auto Parts Autorama in Dallas, Texas at the Dallas Market Hall on February 19th - 21st: This is a fun event. Contact Robert Shellberg at irbag@aol.com if your are interested in showing your Corvette. This show needs volunteers as well. See our website to register and for more information.

Goodguys 6th Spring Lone Star Nationals in Ft.Worth, Texas at Texas Motor Speedway on March 11th - 13th: This is a super event and is a great volunteer opportunity. See our website to register and for more information.

Dallas Auto Show in Dallas, Texas at the Kay Bailey Hutchinson Convention Center on March 16th - 20th: This event will need Corvettes for display and volunteers to work our booth at the show. Visit our website to register and for more information.

Always check out the LSCC Events Calendar for more information on these events and others. There are always new trips, shows and volunteer opportunities for you to take part in. If you have found a show that you like and would be willing to take a group of LSCC members with you next time you go, let us know and we will add the information to the events calendar. Contact Markham Jones at lsccevents@yahoo.com for listings or changes.

In-Town Events

Markham Jones, Coordinator

We are updating the [2016 event web page listings](#). Most of the National listings are completed, while the bulk of the local event updates will continue through the March/April timeframe, as new information become available. All official LSCC club activities are linked back to our club website by the teal colored [LSCC](#) link on the left side of the event listing pages.

If you are a club member and see an event - not already designated as an official club event; and would like to propose or help coordinate the event - get with our respective coordinators Phil Davis for out of town events or Markham Jones for local or recreational events.

Local DFW area car show or cruise in event plans will be posted in the members only Forum Pages under [Cruise Nights](#). There you can make a post about an upcoming show or cruise night that you plan to attend or comment on attending other events that may be already posted. Remember to allow plenty of lead time to get the relevant information out to our other club members so they can join up with you!

If you have any corrections or additions to the event listings, please email them to me at LscCruiseNights@yahoo.com.

Coordinator for the April TCA show in Boerne is OPEN for you to take the reins

We need you help

Contact Markham Jones at lsccevents@yahoo.com

Christmas Party

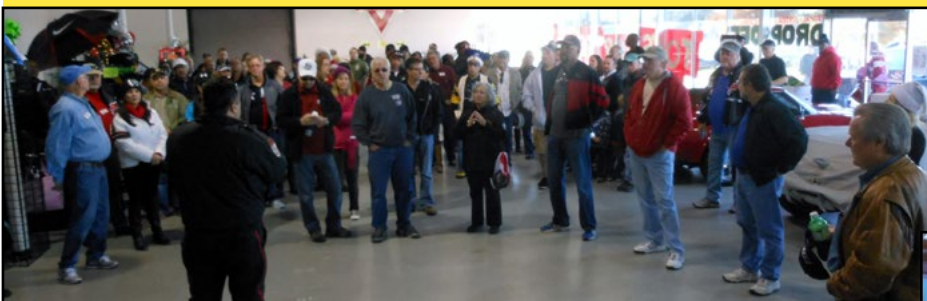

3rd Annual Texas Strong Dallas Toy Run

Apex Performance Track Day for "Friends of Hisvett"

By Mike Krieger, aka Hisvett

I have spoken to one of my favorite driving schools that I instruct for about giving priority registration "Friends of Hisvett" on Saturday March 5th at Motorsports Ranch in Cresson. Apex has agreed to let my friends have priority over others PROVIDING that you register just as soon as registration opens on Saturday January 23rd. Here's what you need to do on Jan 23rd; go to MotorsportReg.com, click on the **Apex Driving Academy HPDE for March 5th**, fill out your profile, add your CC number for payment AND under "Notes", type in "Friends of Hisvett". Should the registration page say "You are on the Stand-By list" DON'T FRET, Ms. Clair will give all "Hisvett Friends" first dibs to the 17 beginner slots (also priority to Intermediate and Advance groups) **PROVIDING** you register early! After you complete the registration form, drop me an email to let me know you have booked a slot for the event and I will confirm it on my end too, plus send out beginner driving tips to everyone prior to the event.

Here's a little background on Apex Driving Academy. They have been running the school at Motorsports Ranch in Cresson since 2003 with a perfect safety record....that alone should speak volumes! Each beginner will have an instructor in the car while on track and attend classroom instruction between your 5 track sessions. Out of all the DE Track groups I have worked with, Apex is at the top of my list for safety and quality.

Lastly, this is **NOT RACING**. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance driving education that will help you in your everyday driving and/or the next spirited drive you take down a canyon road. Answers to any questions you may have should be found on the registration page; if not, drop Ms. Clair a line at; claire@apexdrivingacademy.com.

See ya at the track....

MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club

Sneaky Pete's, Lewisville, Texas

December 12, 2015

Robert Shellberg, President called the business meeting of the Lone Star Corvette Club to order at 12:05 p.m.

Robert introduced the LSCC 2015 officers:

Robert Shellberg, President
Rick Herrick, Vice-President
Terri Krieger, Financial Officer
Sharon Troster, Treasurer
Glen Averhoff, Membership Officer
Bryan Baines, Technical Officer
Mike Krieger, Competitive Events Officer
Curt Troster, Recreational Events Officer
Carolyn Atkins, Recording Secretary
Gary Nesta, Newsletter Officer
John Raiden, 2015-2016 Classic Officer
Johnny Downs, NCM Ambassador
Craig Satterfield, Classic Chevrolet Liaison
Linda Shellberg, Public Relations Manager

Carolyn Atkins, Recording Secretary, requested a motion to approve the November Business meeting minutes as published in the December newsletter. A motion was made, seconded and approved without discussion.

Terri Krieger, Financial Officer, reported the following balances:

Checking Account: \$50,165.00

Savings Account: \$25,281.35

A motion was made, seconded and approved without discussion.

Glen Averhoff, Membership Officer, reported LSCC has 1,226 members and 650 memberships as of December 1, 2015. A motion was made, seconded and approved without discussion for all new members listed in the December newsletter. Glen informed the members to not wear their magnetic name tags if they had a pacemaker

or defibrillator. Please let him know, and he will order a name tag with a pin. The 2016 Member Directory will be published in January. Please let Glen know if you know of anyone that has passed away in the past couple of years so he can add them to the In Memoriam page.

Robert Shellberg, President, read the rules for organizations to apply for the LSCC Rotating charity. The charities will make their presentations at the February meeting.

Rick Herrick, Vice-President, presented a check for \$1,000 to George Chrisman, representative to Heroes on the Water. Ric Atkins, Classic Thompson Group representative also presented a check to Heroes on the Water. This organization takes veterans fishing at least once a month to private lakes.

Robert Shellberg, President, informed the LSCC members of all the charities that we sponsored this year. \$5,000 went to our rotating charity Defenders of Freedom. \$10,000 went to the National Corvette Museum and also to Speedway Children's Charities. In addition, \$8,400 went to ten different charities that LSCC members requested donations for.

Robert asked all LSCC members with birthdays in December to stand and we all sang Happy Birthday to them.

With no further business to discuss, the Business meeting was adjourned at 12:18 p.m.

The Business meeting reconvened at 12:42 p.m.

Tom Snodgrass thanked Bob Young, Edie Downs and Charlotte Smith for their help with the election.

Tom Snodgrass presented the LSCC Officers election results:

President: Rick Herrick

Vice-President: GH Hodges

Treasurer: Sharon Norris

Competitive Events Officer: Dennis Corder

Recreational Events Officer: Markham Jones

Financial Officer: Terri Krieger

Technical Officer: Joe Hester

Membership Officer: Glen Averhoff

Recording Secretary: Carolyn Atkins

Newsletter Editor: Gary Nesta

Classic Officer 2017: Ron Jones

With no further business to discuss, the Business meeting was adjourned at 12:47 p.m.

5-LAP THRILL RIDE

Experience five exhilarating laps in a 450+ horsepower 2006 Corvette at Texas Motor Speedway! A five-point harness is all that keeps you from flying out of the passenger seat as your personal racecar driver takes gravity-defying turns at top speed on the One-Mile infield Road Course! Age restrictions may apply.
