**The show must go on!** I'm referring to the Lone Star Corvette Classic (Classic) that takes place May 20-22. The show, now in its 27<sup>th</sup> year needs volunteers. If you have registered for the Classic, please volunteer which is on the website. Once you log into the website as a member, you will see a link to the VOLUNTEER TAB. expand the volunteer link and you will find the task and a short description. At the time of this article, 170 volunteers are needed. If you have questions about a task, contact John Raiden.

We achieved a huge milestone this year, the Classic has been declared a 501-c-3, thereby making contributions tax deductible. This should be a significant benefit to the financial success of the Classic. The official name of the entity is The Lone Star Corvette Classic, Inc. Robert Shellberg, President of the Classic has provided an article for the newsletter.

Last month, I wrote about the wet conditions at Goodguys, this month I'm commenting on the wet TCA Car Show at Boerne. One thing is always true about Boerne; your car will get wet before, during or after the show. True to form, it rained off and on during the show. However, the rain was not heavy enough to dampen the enthusiasm. LSCC had a great turn out and did well in the winner's circle. More significant, there were at least four members making their first road trip!

Events immediately following the Classic include the popular trip to Nocona, which can be an overnight trip or a day trip. The first weekend in June is busy with three events. One event, the NCCO Corvette show at the Grand Casino needs our support as the NCCO sends a big contingent to the Classic. If you have availability June 4, please consider this event. Go [www.lonestarcorvetteclub.com](http://www.lonestarcorvetteclub.com) for all event details.

Be aware that multiple registrations may be required, LSCC registration, host club registration, and hotel reservations.

**Thanks to our great sponsors:**  
**Classic Chevrolet and The Thompson Group.**  
**Good Friends, Great Cars**

## 2<sup>ND</sup> GEAR

GH Hodges, LSCC Vice-President

By now, you've likely heard that our *world class Lone Star Corvette Classic* has been designated by the Internal Revenue Service as a 501(c)3 Public Charity. So, what's the bottom line on what this change means to you?

**Before:** Items you contribute and money you spent on auction items got you a big thanks and maybe a gold star.

**Now:** The market value of things you contribute to the *Classic* is likely eligible to be tax deductible. Also, if you purchase auction items, the amount that you pay in excess of the fair market value is also likely to be deductible. Of course, I'm required to say, check with your tax advisor for details.

**Before:** Companies that contributed did so because they were generous, and they believed we were doing good work. But the breadth of targeted corporations was limited.

**Now:** The 501(c)3 designation renders the Classic as a far more attractive charity for donating cash, goods, and services. This enhances the appeal of the Classic as a charity in an important way. We have already received multiple contributions from organizations because of this new tax status.

**Before:** Generous volunteers **like you** that often signed up to do multiple jobs during the 3-day Corvette extravaganza produced the entire Classic weekend.

**Now:** *This hasn't changed!* We still need you to sign up and share your talent, time, and creativity to make the 2016 Classic another big success. **Without you, there is no Classic!**

If you haven't already done so, be sure to register for the great activities of the **Lone Star Corvette Classic, May 20<sup>th</sup>-22<sup>nd</sup>**. While you're registering to share in the fun, please explore the volunteer possibilities. You'll be glad you did both.

**May Meeting:** May 14<sup>th</sup>, is at TMS, and it will revolve around final plans for the Classic. There will be no lunch and no birthday cake.

**June Meeting:** June 11<sup>th</sup>, is at Mom's on Main, in Aubrey, TX.

*Great Cars and Good Friends.*

**Thank you to Classic Chevrolet and The Thompson Group for being our sponsor.**

### NCM News

We have a member car going to the NCM to be on display. We have the NCM coming to LSCC for the Classic. And I desperately need to sell some commemorative bricks.

#### Winner Chosen for NCM Display

Sharon Troster's 2004 coupe will represent LSCC on the turntable display at the NCM. Sharon's Le Mans Blue Commemorative Edition was chosen from a group of cars entered by Lone Star members. The car will be on display at the Museum entrance from June 1 through August 31.

Sharon, and her husband Curt, are Lifetime members of Lone Star and have been in the club for years. Sharon has served as club Treasurer. Curt has been Recreational Events officer on two occasions.

They are Lifetime Members of the NCM. They volunteered to be caravan co-captains for Texas in 2009. Then, in 2014 they served as local leaders for North Texas. They are deserving winners.

Thanks to the other outstanding entries from the club. All were excellent and appreciated.

#### NCM at the Classic

Stephanie Morrill and Adam Boca will head a group representing the National Corvette Museum at our Classic this month.

They will bring the Museum store, so everyone will have the opportunity to get some great Corvette and NCM apparel. It will also be a great time to see Adam in person

for amazing savings on Corvette and collector car insurance.

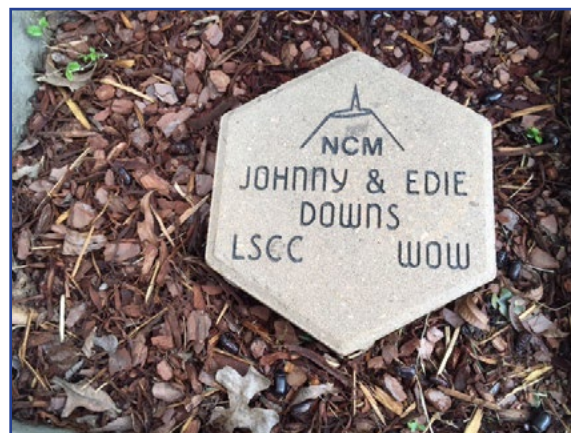

Of course, the Museum folks will be bringing some great items for the Saturday night auction.

#### Commemorative Bricks

This was in last month's newsletter but I am repeating it because I only sold one and I am desperate.

Edie and I have four children. We are taking them and their spouses and their children to the Corvette Museum in June. I had this great idea to offer a NCM hexagon brick to each of the four families to commemorate their visit.

Now I am having buyer's remorse. I talked with Stephanie at the Museum and she offered a way for me to save on the brick cost, but I need your help. If I can sell 10 bricks we all get a discount. Normal NCM member cost is \$200. The discounted price is \$175.

This is a great way to help the NCM and commemorate something in your life –

- A new Corvette
- A new to you Corvette
- A new set of tires for your Corvette
- The grandkids
- Your kid that finally moved out

If you are interested, contact me and I will get an order form to you.

For information on NCM events, bricks, membership or anything else NCM contact Johnny Downs 214/384-8565, 903/564-3069 or [Ediewoww@aol.com](mailto:Ediewoww@aol.com).

# Competitive Events

Dennis Corder, Competitive Events Officer

Our **Autocross** is at Brookhaven College. The next ones are on April 16<sup>th</sup> and May 7<sup>th</sup>. Speeds in *Autocross* are slower, in absolute terms, when compared to other forms of racing but the activity level, measured in discrete turns per minute, can be higher than even Formula One due to the large number of elements packed into each course. It will be a good time to get ready for the LSCC Classic. The donation is **\$15 per car**. Helmets are required but loaners are available.

**Drag Racing**, Sunday, May 1st at North Star Dragway. \$30 race/\$10 watch. It is located on west side I-35 just north of Denton, exit Cowling exit and loop under hwy to other (west) side. Then on June 5th they return to the Texas Motorplex in Ennis. Contact Allen Kaus at 972-467-0271 if you have any questions.

**Open Road Racers**, Big Bend was on April 20th-23rd. This is not the only open road race that the group goes to during the year. You can find more information here (<http://www.bborr.com/index.html>) or contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com). Please check the web site for other events and times.

**Rally**, the club does not sponsor rallies at this time but I will tell you about the SCCA group that will be holding the "Tulip Time Rally" on Saturday, May 14. This will be in the McKinney, Texas area. They offer the popular GTA (Games, Tours, and Adventures) rally, often known as the "gimmick rally". Speed is not a factor on these events. The teams are given a set of route instructions. These instructions tell the team where to go so that all teams follow the same path to the ending point of the rally. Watch (<http://www.texasscca.org/rallytime>) for more information on this event and I will post on the bottom of our rally page when I have more information.

**HPDE**, talk to Mike Krieger. This is **NOT RACING**. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance driving education that will help you in your everyday driving and/or the next spirited drive you take.

For event registration, Apex Driving Academy will now be utilizing the online registration system provided by MotorsportReg. We will, at least for the time being, continue to allow drivers to maintain their driver profile on our web site. However, payment and registration for events will be processed through our partners at MotorsportReg.com. June 25 is on the 1.7 mile track.

The Driver's Edge will be at Motorsport Ranch in Cresson on June 4-5. Registration opened April 4 at 9AM. Register at [www.thedriversedge.net](http://www.thedriversedge.net)

These fill up fast. This should be another top item to place on your bucket list!

The next PCA two day event at MSR Cresson will be in September 24 & 25. Registration will open 30 days prior.....mark it on your calendar.

## For Women ONLY performance driving school

# LONE STAR CORVETTE CLASSIC, INC.

BY ROBERT SHELLBERG

At the April LSCC Business Meeting, it was announced that the Lone Star Corvette Classic is now recognized by the IRS as a Public Charity. A brief description of Officers, Board Members and other business details was given, but now we'll go into more depth on the Classic as a 501(c)(3) and what that means to our Club.

The Classic began 27 years ago as a car show, and has grown to be one of the largest, most recognizable Events in Texas. Through countless hours of volunteer work, we've created a 3-day get-together of Corvette lovers, featuring autocross, cruises, Friday and Saturday dinner, a Judged and Show-N-Shine car show for Members and non-members, and of course, our unique Track Day: laps around the Texas Motor Speedway Oval Track and Road Course.

And always, as our Club Purpose provides, we've kept our community in mind: at the Classic, we hold a Live and Silent Auction, with 100% of the funds raised donated to our beneficiaries. Speedway Children's Charities, The National Corvette Museum, and our annual Rotating Charity have received thousands of dollars for their programs due to the Classic.

In late 2014, the Board of Directors was made aware that the large amounts of money moving in and out of the Club bank account, due to the growth of the Classic, was unusual for a 501(c)(7) Social Club. Bob Paton, a Club Member who volunteers his CPA experience as Financial Advisor to the Board, began to look into the issue, and recommended to the Board that the Classic should properly be operated as a Public Charity.

The Board felt that the following issues would be resolved through the establishment of the Classic as a Public Charity:

- The Classic will no longer be responsible for paying franchise taxes or sales tax on its purchases or services
- Corporations and large businesses will be more likely to donate valuable items to the Classic Auction if they receive a tax write-off
- Tax returns for the Club will more accurately reflect the activities of a Social Club and will not include large amounts of cash related to a charity event

In early 2015 the Board asked Bob to begin the process of establishing the Classic as a Public Charity. The Classic is defined, in the Club Financial Policy, which is part of the Bylaws, as a Special Event. Although changes to an Event require only the approval of 3 Officers, in this case approval to seek Public Charity status for the Classic was given by a motion of the Board. The necessary paperwork was filed; included in that paperwork were Articles of Incorporation and Bylaws. The Articles of Incorporation listed the following LSCC Members as founders:

Robert Shellberg

Rick Herrick

John Raiden

Terri Krieger

Carolyn Atkins

In early March of this year, the IRS granted approval for the creation of Lone Star Corvette Classic, Inc.

On March 12, the founding members held a meeting and the following Officers were elected, as required by the Classic Inc. Bylaws:

President, Robert Shellberg

1st Vice-President, John Raiden

2nd Vice-President, Ron Jones

Secretary, Carolyn Atkins

Treasurer, Terri Krieger

Rick Herrick was asked to continue to serve as a Board Member. Johnny Downs and Tom Snodgrass were elected as Board Members. Linda Shellberg, Bob Paton, and Bob Young were appointed as non-voting advisory Board Members.

Board Members and Officers are limited to 2, 1-year terms. The Board can be comprised of as few as 5 and no more than 15 Members. The Classic Inc. is subject to all reporting requirements of a Public Charity, including public disclosure of reports and finances.

The Classic Inc. Board has so far taken the following actions:

- Established a separate bank account for Classic registration and sponsorship receipts, and payments to vendors.
- Transferred all receipts to date for Classic registration payments to the Classic Inc. account
- Established a separate section of the Club website for Classic use
- Established a separate P.O. Box for the Classic in the same post office as the Club P.O. Box
- Obtained insurance coverage ( D&O and Liability ) from the Club's present carrier, The NCM Insurance Agency
- Asked John Raiden to propose a policy and procedure for Classic merchandise sales
- Designated Speedway Children's Charities, The National Corvette Museum, and Heroes on the Water as beneficiaries of the proceeds from the 2016 Classic Auctions

Future agenda items include:

- Adopt a Financial Policy to govern approvals, reports and documentation
- Establish a credit card processing system for Classic registration payments

# Weekend in Boerne

By Glen Averhoff

On Friday morning, April 15th, 23 LSCC cars caravanned to Boerne, TX for the Texas Corvette Association Open Car Show. They travelled in four groups led by Phil Key, GH and Gaila Hodges, Rick and Virginia Herrick, and Glen and Kerrie Averhoff. The caravan groups stopped in Llano for Cooper's BBQ and continued their trip down Highway 16, enjoying the beautiful Texas wildflowers (most plentiful and biggest variety in years). Upon arrival in Boerne, the group was met by 13 more LSCC cars that had travelled on their own.

A Friday evening "Meet and Greet" was hosted by the TCA at Ye Kendall Inn where LSCC was well represented. Along with Ye Kendall Inn, participants stayed at The Williams and Hampton Inn. Friday evening was spent visiting around the pool at Ye Kendall Inn, strolling the plaza and Main Street, and enjoying the local winery in town.

Believe it or not, we did not have rain on the trip down (might have been a first). Saturday morning, however, was a different story. A steady rain falling most of the day did not allow for parking on the plaza grass, but the TCA folks were prepared. They parked LSCC directly on Main Street in front of all the shops and participants were able to set up chairs under store awnings. Many members enjoyed the various shops and restaurants up and down the street.

The awards ceremony was moved up an hour due to the impending severe weather and LSCC was well represented in the winner's circle (see winners list below). Upon conclusion of the awards, a few people headed back to the metroplex while others enjoyed dinner with members, local family and friends and had a relaxed evening before heading back on Sunday.

Trips are never organized by just one or two people. Special thanks to David and Jackie Orrick for giving personalized Koozies to everyone on the trip, Kristina Davies for setting up a ladies luncheon at The Creek, Gary Nesta and GH Hodges for taking the photographs and Ray and Denice Kaspar for organizing an after show dinner group in Fredericksburg.

Visiting with fellow LSCC members is a favorite part of these trips. One can learn so many interesting and amazing facts about others. Did you know that one of our members (Mary Ann Scheppler) recently used her personal horse-power (no Corvette power needed) and hiked to the summit of Mt. Kilimanjaro? Absolutely awesome, Mary Ann!

Old timer or newbie, it doesn't matter, the TCA Boerne car show is always fun. From Highway 16 and the beautiful wildflowers, to the car show, the food and company, it always comes down to Good Friends, Great Cars!

# The Heights Car Show

April 2, 2016  
Article by Rick Herrick

The Heights Car Show was held on April 2<sup>nd</sup> at Heights Baptist Church in Richardson. Unlike events of late, weather was ideal. This is a judged show for all cars – over 400 cars were present. LSCC was represented by Yavuz Colson with his '58 Corvette, Clark Kirby, 65 coupe, Norm Glowicz in his Anniversary Edition C4, and Phil Key, GH Hodges, and Rick Herrick in C7's. Norm worked as a judge, but not Corvettes. We enjoyed Great Cars and Good Friends but no trophies. We also enjoyed seeing beautiful cars other than Corvettes.

**Your help is needed!**

Shows, events, road trips and the Lone Star Corvette Classic are great opportunities to make new friends and find your niche in our Club.

All it takes is a willingness to raise your hand and say I'll help do it. The work is not only rewarding, but it is a lot of fun, and I guarantee, you will make some of the best friends you'll ever have.

# LONE STAR CORVETTE CLASSIC 2016

## May 20 - 22 , 2016

The 27<sup>th</sup> Annual Lone Star Corvette Classic is an amazing 3-day event where participants have the opportunity to spend time with hundreds of other Corvette owners from a multi-state area as well as have time to take their own car on the NASCAR track at Texas Motor Speedway (TMS). Our venue is unique among car shows as we not only have access to a world class racing facility at TMS, but we also have a variety of activities spread over the 3-day period that offer opportunities beyond just a car show.

**FRIDAY, May 20: Autocross** is very popular for those who want to test the speed and timing of their cars on a tightly marked course; **U.S. Bureau of Engraving and Printing Tour** provides an opportunity to take a drive in the country and a tour of the facility where our paper money is printed. Sorry no samples; **Dinner & Drive-In Movie** allows participants to take a police escorted short road trip thru the country following dinner then back to TMS for a movie on "Big Hoss".

**SATURDAY, May 21: Judged Shows** for Members and Non-Members are available for those wishing to show off and hopefully be rewarded for all their hard work in "tweaking" their cars to their best; **Show and Shine Shows** for both Members and Non-Members are available for those who just enjoy showing off their cars, but don't want the stress of detailing for a judged event; **Banquet, Live Auction & Awards Ceremony** allows participants a time to relax, enjoy a good dinner with old and new friends and bid on interesting auction items with the goal of raising money for charity. The awards ceremony is an opportunity to be publically recognized for the hard work in preparing a car for the show;.

**SUNDAY, May 22: Track Day** offers the opportunity to do **Hot Laps** on the TMS NASCAR track in a controlled environment as well participate in laps on the **TMS Infield Course**, also in a controlled environment. The infield course offers a "Mild" group that offers lead-follow laps with drivers from Total Driving Experience guiding the way around the course. There is also a "Wild" group for those with more experience who want to go at their own pace and experience a bit more speed and the ability to pass while on the course.

While the Lone Star Corvette Classic offers many interesting, fun and challenging opportunities for those participating, our greater goal and reward is that all of the net auction proceeds go to our charities. Annually, we support the National Corvette Museum and Speedway Children's Charity as well as a 3<sup>rd</sup> rotating group that the club members select. The 2015 rotating charity was Defender's of Freedom a group supporting our veterans. The 2016 rotating charity will be selected in March. Our total Lone Star Corvette Classic donation in 2015 was \$25,000.00.

# CLASSIC AUCTION: HOW YOU CAN HELP

Linda Shellberg, Auction Coordinator

How can I help? I hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$25K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

## Here's some items that sell very well in the Silent Auction:

- Toiletries, makeup, and perfume baskets
- Car cleaning supply baskets
- Wine baskets
- Corvette-related jewelry
- Framed Corvette-related prints, posters and photographs
- "Man-Cave" or Garage items
- Corvette and car-related books and paperbacks
- New or gently-used after-market Corvette accessories
- Corvette-related luggage, bags, purses, billfolds
- Restaurant gift certificates
- Hand-made craft items
- Diecasts and hot wheels

## For the Live Auction, these bring big money:

- Items with celebrity autographs, especially Corvette-related
- Tours and tickets to exclusive places ( charter plane tours )
- Hotel gift certificates
- Rare or high-end jewelry
- Rare Corvette memorabilia ( book signed by Ed Cole, for example )
- Certificates for wheels, exhausts, headers
- Hand-made quilts

## What you can do:

- Ask the people you do business with for donations
- At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- Ask the restaurant where you eat regularly to donate a gift certificate
- When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings; if you have a large item, let me know ahead of time – [lrbag@aol.com](mailto:lrbag@aol.com). We need everything no later than the Club Meeting in May. Let's get busy!
