## NEXT MEETING

**Saturday, August 12, 2017**

**Start Time is 11:30 am**

**LG Motorsports**

**TRACK and RESORT**

**704 E Houston St.**

**Westminster, TX 75409**

**On your mark, get set, GO!** Mark your calendar for the Eureka Springs Corvette Weekend on October 6-8. Coordinators Phil and Kristina Davies have a goal of 50 Corvettes in hopes of winning the club award. Get set by completing three registrations – hotel, the event itself and your LSCC reservation. Event registration is essential as that's the way your registration counts in the club competition. That's also how the event organizers make their budget. GO by deciding which route or day you want to leave, as there are two. Most popular is the Wednesday departure that includes several planned activities. Check out our website. There is a link to the event on the homepage. Hotel information is also provided.

**NEEDED** – Officer candidates and Coordinators. Officer nominations begin in October. Many of the current officers are not eligible due to term limits. Job descriptions are on the website or you can reach out to an officer. You don't need to be a seasoned member to serve. New coordinators are needed for Autocross, Merchandise, and the monthly Raffle. All of the incumbents have served several years, especially Martha Kaus and John Slaughter. Finally, a 2019 Classic Officer is needed to work with Joe Carrion, our current Classic Officer. Please step forward and help share the load! We have a big club and I'm confident we'll have someone interested.

Last month Johnny Downs, our NCM Ambassador, reported that 301 club members also belong to the National Corvette Museum (NCM). We encourage you to join the NCM and visit frequently. There is no better place to discover the history of the Corvette and learn about the early movers and shakers. You can see Zora Dontov's letter that launched America's true sports car. Try to find the Ford engine that is displayed and why it is there. The exhibits change periodically so there is reason to return. Virginia and I go at least two times each year. The next opportunity is August 31- Sept 2 when the annual Hall of Fame Induction is held. The event schedule includes two options for driving at the Motorsports Park track - touring laps on Thursday and high performance training and driving on Friday.

**Thanks to our sponsor – Classic Chevrolet and The Thompson Group.**

**Good Friends, Great Cars - See you on the road!**

I make no pretense of being an accurate predictor of future technology. After all, I bought a Betamax. I'm all for progress, but in the entertainment business that progress needs to be in the form of a more enhanced viewing experience.

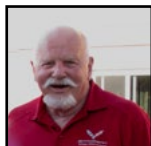

I recently labored through a telecast of *Formula E* race, aka high-tech golf carts. OK, I understand that motorsports are under some pressure to improve their e-appeal, and the *Formula E* thing may well be the answer. Sure, it presents these races deep inside the host cities, which makes a lot of e-sense to avail it for fans to attend via mass transit. I guess there's something to be said for *Formula E* for the relatively short tracks, so you get to see your favorite e-cars close up more frequently. But, by being in the inner city, the narrow and deep track conjured visions of test rats in a maze. Then there's the sandbox factor, in which the teams have a testing place to develop better batteries and drive trains. Despite all the e-appeal of *Formula E*, the seemingly unsolvable shortcoming to this viewer is the e-Sound. All of the e-goodness fails to compensate for the loss of one of the greatest dimensions of auto racing: the R-sound, the **vroom**. The cars of F1, Indy and IMSA teams have distinct voices. One can stand anywhere at a road course track and tell, with near precision, where the Corvettes are on the track. And, the distinctive high-rev sound of the Ferrari's is unmistakable. Without these varied voices of the cars, *Formula E* presently is like watching slow motion *Formula1* in black & white.

---

**Nominations begin soon!** Many current officers will term out, meaning they've served their maximum number of terms and can't run for re-election. If you or someone you know has been a member in good standing for at least one year, and you have a talent or energy that might benefit the Club...**the future of LSCC needs YOU and your fresh perspectives.** Nominations begin at the October meeting. If you have any questions about board duties please contact any board member. Don't be shy!

**Good Friends, Great Cars**

## NCM Member Totals

Last month I reported that LSCC had 301 members that were also members of the National Corvette Museum. I am happy to report that number is now 303.

Thanks to Sharon Norris and Jeff Rosen for joining the NCM in July.

## 23<sup>rd</sup> Anniversary Celebration

A reminder that it is not too late to join us in Bowling Green on August 31st thru September 2nd.

Registrants for the 23rd Anniversary Celebration - and the 2017 Hall of Fame Induction - can enjoy three days of activities in and around the NCM, including access to interesting and unique road tours, special video presentations, raffles, the annual open-membership meeting, and more!

Additionally, the event will include the Lifetime Member / VIP dinner, the Ambassador Luncheon and the "Corvette Hall of Fame" Induction Ceremony and banquet - where we will induct new members into the prestigious and elite group of recipients who have made a significant contribution to Corvette history.

## Registration:

Lifetime Members FREE | Members \$20 | Non-Members \$30

Deadline for Online Registration - Thurs., Aug. 17, 2017 at 5 p.m. CT

Early Registration Includes: Hard Card Badge | Lanyard | Event Pin | Dash Plaque

To see complete agenda or register, go to [http://www.corvettemuseum.org/event/anniversary-celebration/?instance\\_id=616](http://www.corvettemuseum.org/event/anniversary-celebration/?instance_id=616).

## Corvette Production Update

2018 Corvette production began June 8. It was scheduled to cease temporarily July 28. The plant will be closed for 13 weeks. During that time the assembly line will be revamped to incorporate the new state-of-the-art paint shop.

2017 production concluded on June 5. Shortly after, General Motors released final production stats. The total production of 32,782 is down from 2016's 40,689. However, 2018 production started almost two months early, cutting 2017 production time to only about 10 months. Per month totals work out to about 3,390 for 2016 and 3,280 for 2017. Following are some of the highlights.

Model	Total	%
Stingray Coupe	11,253	34.3
Stingray Convertible	2,298	7.0
Grand Sport Coupe	9,912	30.2
Grand Sport Convertible	2,046	6.2
Z06 Coupe	6,197	18.9
Z06 Convertible	1,076	3.2

## Exterior Color

Arctic White	6,199	18.9
Watkins Glen Gray	5,822	17.7
Black	5,338	16.2
Torch Red	4,621	14.1
Admiral Blue	3,068	9.4
Blade Silver	2,105	6.4
Long Beach Red	2,004	6.1
Corvette Racing Yellow	1,371	4.2
Black Rose	1,333	4.1
Sterling Blue	921	2.8

Both Black Rose and Sterling Blue have been discontinued. In 2016, Arctic White was also #1, followed by Black and Torch Red.

Corvette offered 29 interior color options so I will not list them. However, some form of black was chosen in over 50% of the cars sold, followed by Adrenaline Red.

Another interesting stat is that the 8 speed automatic outsold the manual transmission in the Z06 for the second year in a row.

The NCM has complete production numbers available. Just go to <http://www.corvettemuseum.org/learn/about-corvette/corvette-specs/>. Here you will find specs on every year from 1953 through 2017.

For information concerning the NCM and memberships at special pricing for LSCC members, please contact Johnny Downs, 214/384-8565, 903/564-3069 or [ediewoww@aol.com](mailto:ediewoww@aol.com).

# Competitive Events

Dennis Corder, Competitive Events Officer

**Autocross** is at Brookhaven College. The next one is on Aug 19th. Speeds in Autocross are slower, in absolute terms, when compared to other forms of racing but the activity level, measured in discrete turns per minute, can be higher than even Formula One due to the large number of elements packed into each course. The donation is \$15 per car. Helmets are required but loaners are available.

**Drag Racing**, On summer break for now. Next event will be Sunday, Sept 10th at Wichita Raceway Park - Iowa Park (Wichita Falls). Contact Allen Kaus at 972-467-0271 if you have any questions.

**Open Road Racing**, Sept. 14th - 17th. Twice each year the Silver State Classic Challenge, Inc., a non-profit corporation, closes State Route #318 between Lund and Hiko, Nevada with permits issued by the State of Nevada, for the running of these unique automotive events. The journey traverses 90 miles of fenced, two-lane highway with long straights, twisty sections and dips.

Contact [Mike Black at OpenRoadRacing@LoneStarCorvetteClub.com](mailto:Mike.Black@OpenRoadRacing@LoneStarCorvetteClub.com). Please check the web site for other events and times.

**Rally**, the Club does not sponsor rallies at this time but I will tell you about the SCCA group that will be holding the "DFW Map Rally" on Saturday, Aug. 19th.

The events normally end at a popular place to eat. There, the teams get together and share their humorous stories on how they tried their best to follow the instructions. The correct answers to the gimmick questions are provided for all that might have missed some of the questions.

- On-line registration is open now (but you already know that).
- Any four-wheel, street legal vehicle with two people who are old enough to read is eligible to enter.
- Entry fee: \$25.00. SCCA members get a \$5.00 discount. Preregistration here at [MotorsportReg.com](http://MotorsportReg.com) gets you the event rules early.

Congratulations to Terry and Judy Garrett for their 4th place finish in the last "Tulip Time Rally" driving their 2009 Corvette.

**HPDE**, talk to Mike Krieger. This is NOT RACING. You drive at your own pace; instructors will not force you into an uncomfortable situation. This is performance driving education that will help you in your everyday driving and/or the next spirited drive you take.

**PCA Track Dates**; (the May COTA event was an absolute ball; it's an experience you must try at least once).

Sept 23 & 24 MSR 3.1

Oct 21 & 22 MSR 1.7 (track size subject to change with enrollment numbers)

Also added to the PCA Calendar for this year:

August 19-20 at MSR Houston

Sept 30 - Oct 1 at TWS (it really does look like the end for TWS, run it now before it's gone forever)

November 17-19 COTA (Austin Schnell Fest)  
Word up! This one will sell out early like the May event did!

Sign up for the above at: <http://register.pca.org/>

Here's what's left of this year's event list for **Apex**. For a 1 day event, Apex it at the top of my recommend list. They have a 14 year safety record....that's way above any other event.

As always, watch these web pages on our Club site for updates and new listings.

## New Coordinators Needed!

It's time for you to get involved!

Corvette Club members, you may be aware the time is fast approaching for our annual Election of Officers. The Officers are limited to two terms and there will be a lot of vacancies to fill. I want to make you aware our **Coordinators** have no term limits and many of these great Corvette friends have been in their position for several years, consistently serving the Club month after month. These Corvette friends have done a great job with extreme dedication while in their positions. It's time to give them some much-needed thanks and relief. We've already heard from the Coordinators for Autocross, Raffle, and Merchandise. You can show them your appreciation by following in their footsteps as the Coordinator for those positions, giving them the chance to relax and enjoy the Club the way you do. You will have big shoes to fill, however your Club needs new blood to work all positions, Officers and Coordinators alike. Whether you have experience or not, let a Board Member know you are willing to serve. We have all learned on the job and now is the time for you to step forward and learn from these people before they leave. So, raise your hand and say, "Yes, I can do it!"

## GO-FUND-ME

LSCC Member Shawn Brumley suffered severe injuries in March of this year due to a fall from a ladder in his home. He underwent brain surgery due to the fall, and is now in physical therapy due to paralysis in his left arm and leg. While Shawn is recovering well, he has a long, expensive road ahead, and is not able to work yet. You can provide support to Shawn and his family with a donation for medical expenses. Click on this link: <https://www.gofundme.com/shawn-brumleys-medical-fund>. Good Friends, Great Cars!

**A**merican Pride Show on September 24th at the Cavanaugh Flight Museum.

I hope everyone is enjoying a great summer. Having our July meeting at the Pack Automotive Museum was a lot of fun. I'm sure everyone who was able to attend will certainly agree. Big thanks to Robert Shellberg for spearheading that effort!

As we move further into the Summer, please make note of the following items:

- New event coordinator procedures have been posted on the Recreational Events page of our website. Please be sure to check this out. This information is important for all of us, especially event coordinators. Please reach out if any questions.

- Due to changes in the layout of the State Fair of Texas grounds, there are very limited opportunities for car clubs to participate in car corral displays this year. We were able to secure Friday, October 13th, as our day to display at the fair. This happens to be the day before the big Texas/OU game, so it should be a chance to get out there with an exciting crowd of fair-goers. We will be looking to get 20-30 cars into the corral, so please plan ahead and see if you can make it out. Spots go quickly, so please register on the club website right away if you are interested in being part of the display.

- Please also note that the North Texas Corvette Roundup is once again back on. The dates for this year are September 22-23 in Wichita Falls, TX. Please check the website often, as new information continues to come up for this year's event. Be sure to reserve your hotel spot early.

## It's Showtime Again for the Mecum Auction

**Craig Satterfield - Coordinator**

This year the fun begins on Wednesday, September 6th and continues four days until Saturday, September 9th. This event requires over 100 of our members and guests to drive all types of vehicles from every era and style. This event is not only one of the most fun things we do, it also benefits the Club with thousands of dollars every year. In fact, in the last six years, we have raised almost \$47,000 for the Club.

This year the Mecum Auction will be broadcast nationwide on NBC Sports Network. We will be in the same place we have been the past six years.

We anticipate about 1,200 cars going across the auction block over the four days. We will need a minimum of 40 volunteers per shift to make the auction run smoothly. This is a great opportunity for Club members to invite car buff friends to come with you to volunteer and enjoy the ride.

To participate, please go to the Club Events page to sign up for the shift you plan to work. There will be one shift on Wednesday and two shifts on the rest of the days. If you are a newcomer, I would encourage you to begin your day on the first shift to go through the official training process. Please read the guidelines when you sign up. Free parking will be provided for our volunteers.

Please sign up as quickly as possible because the slots fill in quickly. See the schedule below for reference.

On a personal note, I would like to thank all the Club members who have volunteered in the past and come back every year with their experience and enthusiasm. I am proud that our Club continues to impress the Mecum representatives with our organization. I am grateful for the opportunity to serve both Mecum and LSCC in this great event.

# 27<sup>th</sup> Annual Eureka Springs Corvette Weekend

October 5 – 8, 2017

## "We want you!"

Phil Davies

Johnny and I were yakking the other day and he was saying LSCC has been attending this event since 1998. In fact, he continued with a teeny-weeny tear in his eye and stumble in his voice "LSCC has never won the club participation award. Even when we had 60 plus cars, Tulsa Vette Set always beat us out". With that, I was thinking it would sure be cool if LSCC could bring home that elusive plaque. After all this will be the 20<sup>th</sup> attempt. Now for the pitch, "Let's win this one for JD".

LSCC Corvettes Signed Up for 2017 Eureka Springs Corvette Weekend

Goal

So how are we going to win the club participation? We're going to cheat by bringing the most cars; pretty simple don't you think. Here is what I need you to do as a LSCC member. Go the LSCC web page and sign-in as a member, scroll down to the 26<sup>th</sup> Annual Eureka Springs Corvette Weekend information panel, hit the "register here" button. You are now where you can sign up and view all the hotel information. I will be notified via email once you register and will contact everyone via email with further details.

Out of all the events LSCC attends, this one is probably the most unique. Unique in the sense that seven Corvette clubs come together to put on the four-day event. Here is a list of the clubs and the events they provide: 1) Central Arkansas Corvette Club (Rides for Kids); (2) Kansas City Corvette Assoc. (Show & Blindman Autocross); (3) Lone Star Corvette Club (Poker Run); (4) Northwest Arkansas Corvette Club (Parade of Champions); (5) Tulsa Vette Set (Fuel Economy Run); (6) Air Capital Corvette Club (Nursing Home Private Show); and (7) Razorback Corvette Club (Registration).

Kristina and I have been LSCC members for nearly 10 years and I think this will be our 8th year attending this event, so we obviously have enjoyed it as have many others who've been going much longer than we have! ☺ If you have never been on a LSCC caravan, I would like to reach out and invite you to a super fun trip this October. After all, who does not like to drive the best car made on some of the most beautiful roads in America, enjoy lies with friends during a nice meal and sharing in a well-run, activity-filled weekend with other Corvette enthusiasts. If this has a spark of interest, well, all you need to do is sign up on the LSCC website, book a hotel and save the date.

As you can see from the website, as in the past, we will have two departure dates. The shortest, most direct route leaves on Thursday, October 5th, and is mostly on divided highways and typically includes the scenic Pig Trail Byway through the Boston Mountains.

For those who have an extra day and want to experience some additional beauty, curvy roads and desire a little culture, we will leave on Wednesday, October 4th. Caravans on both days will gather and leave from the Oklahoma welcome Center; however, the earlier one will head for Broken Bow where we will stop for lunch. After lunch, we will head north thru Ouachita National Forest to our hotel in Rogers, AR. After a restful night, we will head to Bentonville to visit the Walmart Museum and Crystal Bridges Museum of American Art. A sit down lunch is being planned at the Eleven Restaurant in the Crystal Bridges Museum. After lunch, we are looking into two private museum tours: the "Collection Highlights" and the "Temporary Exhibition" (Chihuly: In the Forest). [www.crystalbridges.org](http://www.crystalbridges.org). From there we will head to our hotel in Eureka Springs.

If this will be the first time for you to Eureka Springs, there are lots of things to check out in the well-preserved town set in the Ozark Mountains of northwest Arkansas. A trolley is available from most hotels to take you off for wonderful day of shopping and investigating all the historical gems of this idyllic town. A short drive out of town will take you to Thorncrown Chapel, War Eagle mill, Turpentine Wild Cat Refuge or the suspended bridge, as a small sample of ideas.

Highlights of the Corvette-related events include the fuel economy run on Friday morning (navigates about 80 miles of scenic country roads; you compete with others in your class for the best fuel economy) and a scenic photo run the same day. Of course the car show is Saturday morning followed by the poker run and parade of champions that evening. By the way, we'd love to have LSCC volunteers to help put on the Poker Run as that's LSCC's contribution to the weekend...and it is a blast...so be ready to chime in when the time comes! What are you waiting for...let's hit the road and save the wave. You'll get lots of practice waving to Corvettes as you cruise around town!

## Proposed Amendment to Article XII - Board of Directors Job Descriptions

Section E, Item 5 is amended to read as:

Ensure that Club insurance requirements are met for Club sanctioned events that meet coverage criteria as outlined by the Club's insurance carrier. This includes ensuring that event coordinators complete the required Independent Club Event Liability (ICEL) forms and collect the required, current, properly formatted, and signed waivers from event participants. The Recreational Events Officer will submit the completed ICEL to the insurance agent and ensure that all documents are delivered to the Recording Secretary for archival.

## Pack Automotive Museum

LSCC July's monthly meeting was held here. A packed turn out as members came to check out this impressive collection of automobiles. Thank-you Robert, the Pack Auto Group and Mr. Pack for allowing us to view your museum.

LSCC is so grateful to Events Manager Dave Pakebusch and his staff at Texas Motor Speedway! They are always there with fun things to do, and a helping hand during the Lone Star Corvette Classic. As a symbol of our appreciation, Classic Officer Joe Carrion, President Rick Herrick, and Classic Inc. Board Members Tom Snodgrass and Robert Shellberg presented Dave with a picture depicting LSCC spelled out in Corvettes in the TMS parking lot. The picture was produced by super-talented Club VP GH Hodges, and will hang in Dave's office. We hear the presentation was capped off with the mandatory lunch at Kincaid's in Southlake!

Rick Herrick - Coordinator

LSCC received an invitation to participate in the Classic Car Show in conjunction with this festival about a week before the event occurred on July 1. Six cars, seven if we include long time members Brock and Kathy Wilson, who are LSCC members but registered under another car club, as representing LSCC. It's a very a popular car show that included vintage cars, hot rods, rat rods, trucks, and classic cars. We did well in the winner's circle by getting five awards, including two best of class finishes. We enjoyed visiting with new members. Participants and winners are:

Ken Burks – 3rd Place Modern Muscle Car  
Phil Key

Clark Kirby – 1st Place 82 and Older Corvette

David Fancher – 1st Place 82 and Newer Corvette

Matt Gueinos

Bob Perez & Missy King

Rick & Virginia Herrick – 2nd Place 82 and Newer Corvette

Brock and Kathy Wilson – 3rd Place 82 & Older Corvette
