## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama. On the first Saturday of each month, you’ll find a bunch of us at Cars & Coffee in Plano, “kicking tires” and telling tall tales about our cars.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

GH Hodges  
President

When I was a struggling student and taking my first organic medicinal chemistry class, a guy with dual PhDs was teaching the class. What about that combination wouldn't be intimidating? A really smart guy, yet he was as common as the day is long. From the first day he emphasized that if one student had a question, others had the same question, *so ask it*. Before long, the classes became more like conversations than lectures, and everyone's understanding benefited. Prior to our July meeting a relatively new member asked a fair question. Do LSCC & Classic officers and coordinators receive salaries? So, let's address that.

Simply stated, none of the Club or Classic officers or coordinators receives any sort of monetary compensation. Everyone is a volunteer. So, if you participate in an activity that you enjoyed, don't hesitate to give an attaboy to the coordinator. ***That is their compensation.*** Conversely, if you think an activity could be improved upon, please make your suggestion in a friendly and positive manner.

Since we're on the topic of volunteering, Officer nominations for 2019 start in October. It's never too early to start exploring the possibilities. Officer terms last for one year, with the option of running for a second one-year term. After a member has served for two years, they are termed out and cannot run for that position again. Regardless the term of the existing officers, ALL positions are open for election.

Anyone who has been a member in good standing for 12-months prior to the election is eligible. Even if you're not ready for an officer commitment, please consider volunteering to be a coordinator for some activity. There is no minimum membership time requirement for being a coordinator. All you need is some good ideas and a good sense of direction.

***Good Friends, Great Cars!***

**Thank you to**

**Classic Chevrolet and Thompson Group  
for being our sponsor.**

**John M. Raiden**

**LSCC Vice-President**

We are truly in the Dog Days of a Texas Summer. What started as a hot June continued through July and there is no doubt August will be similar – Global Warming anyone! It hasn't been this hot since 2011, but for those who have been here a while 1980 was the worst. Please use common sense and limit your outdoor activities to the "cooler" part of the day and remember to drink plenty of water when outside for extended periods. Remember to make sure your pets have plenty of water and shade, keep them inside if at all possible and be very careful when out for a walk as the sidewalk and streets can easily burn their feet.

The 29<sup>th</sup> Lone Star Corvette Classic was a success albeit we had to cancel our Track Day due to weather conditions. The results of our Silent & Live Auctions, Public Contributions, Hot Wheels Derby and a donation from the club, we will be donating \$24,000.00 to our three charities. Thanks to all those dedicated volunteers that make this annual event happen.

We have two events coming up this month with a bit of overlap. Our annual "Big Trip," this year to Colorado for Vettes On The Rockies, will depart on the 18<sup>th</sup> and return on the 30<sup>th</sup>. The other August opportunity is the 22<sup>nd</sup> Annual Summer's End Corvette Show in Rogers, AR. The information on this show is posted on our website calendar as information only, this will not be an official club trip.

Check the LSCC website frequently and review the Event Calendar to see all the posted activities and trips. We have Autocross at Brookhaven College every 3<sup>rd</sup> Sat. through Oct. We can also look forward to Fall trips to the North Texas Corvette Roundup in Wichita Falls in Sep., the Eureka Springs Corvette Weekend and Corvettes on the Plaza in Sulphur Springs in Oct.

Our next meeting will be on August 11th at Fat Daddy's, 781 W. Debbie Lane, Mansfield, TX 76063. Meeting sites for the balance of this year and most of 2019 have been booked, but we are always looking for new venues to accommodate our growing membership. As always when we meet in restaurants, please support them by purchasing lunch, otherwise we run the risk of losing them as a meeting venue.

***Good Friends, Great Cars....***

### NCM News

A lot of news this month from the Museum, but first something that happened locally, helping the NCM.

Thanks to the volunteerism of some LSCC members the NCM is \$100 richer. At the June club meeting, David Orrick invited members to come to his farm near Rockwall and pick blueberries. It seems David underestimated his crop size or over estimated his picking speed.

Not surprisingly, a group of LSCC'ers had to try their hand. Norm and Janet Glowicz, John and Norma Hart and Rick and Virginia Herrick went to Rockwall and picked blueberries for free at various times.

At the July meeting David gave \$100 to the club to be donated to the Museum in honor of the pickers.

### Your Corvette on NCM Wallpaper

Each month, members of the National Corvette Museum can log into the NCM website to download the calendar wallpaper for their computer. Now - your Corvette can be featured on this calendar!

To participate:

- You must be a current Individual, Family, Senior or Life-time member of the Museum.

- The photo must be high quality of your Corvette without any people in the photo. It is preferred that it also not be in your garage, in front of your house, or have any other vehicles in the photo. A simple scenic background is best.

- There needs to be space on the photo for the calendar overlay (typically in a corner).

- Only ONE submission per member please.

Email submissions to [katie@corvettemuseum.org](mailto:katie@corvettemuseum.org).

Please include:

Year, Model, Color, Name, City/State

### Interested in LeMans for 2019?

The National Corvette Museum Events Department is already hard at work, planning what Museum in Motion events for 2019 and they'd like your feedback! They are currently trying to decide whether or not to attend the race at Le Mans next year. If you WOULD be interested in going on that trip if we planned again, please reach

out to [Karen Renfrow via email](#) or call 270-467-8804 or [Bryce Burklow via email](#) or call 270-777-4506.

### One Lap of Kentucky

One Lap is clearly the most popular Museum in Motion event, as evidenced by the fact that even with three trips, it is sold out. However, Karen and Bryce ask that you contact them and get on the wait list. It is worth the try. (see their e-mail addresses below)

2018 will usher in the 9th annual KY 1 Lap tour, part of the Museum in Motion (MiM) program and unique in that it is a partnership between the National Corvette Museum and the Kentucky State Police. The two organizations will join to raise money for both the Museum and Trooper Island, a KSP non-profit camp for underprivileged children. Each year the Tour explores a different section of Kentucky. As always, the tour will be led by TPR. Jonathan Biven – Trooper Island Camp Director now using a newly painted marked silver Corvette which is sure to attract attention as the caravan travels through an area of real Americana. This years discoveries are some of the main attractions that have made KY famous. Bourbon, Horses, and new to KY is the Ark Encounter – a life size Noah's Ark.

Due to overwhelming interest, the tour is offered for 3 consecutive weeks in October.

- ☐ Tour 1 – Oct. 8 through Oct. 13
- ☐ Tour 2 – Oct. 15 through Oct. 20
- ☐ Tour 3 – Oct. 22 through Oct. 27

Questions, contact [Karen](#) or [Bryce](#)

Registration fee:

- ☐ NCM Members – Primary Registrant (driver and car) **\$1100** / alternate driver **\$500**
- ☐ NCM Non-Members – Primary Registrant (driver and car) **\$1,140** / alternate driver **\$540**

Note: Non-member pricing does **NOT include a 1 yr membership to NCM. To become a member – please call Becky at 270-467-8836**

On-line registration closes at 8:00am central time on Tuesday, September 4, 2018 or until sold out!

### Louis to LeMans

If the One Lap of Kentucky MiM does not work out for you, consider your own LSCC Member in Motion tour of Kentucky this fall.

Start, of course, at the National Corvette Museum to see the latest featured exhibit "Louis to LeMans".

The Museum's Exhibit Hall has once again been trans-

formed to feature a special themed display. For a period of about seven months, that theme focuses on Chevrolet racing history. The story of Chevrolet racing is told from the early days of Louis Chevrolet as a racing driver for Buick, through the AMA ban on racing, to Chevrolet Racing's involvement in NASCAR, and the Le Mans winning Corvettes. Significant stories are told through the display of various cars and artifacts, from engines including one from a C5-R, and a fuel injection cutaway, to race suits and more. The exhibit will run until January 4, 2019.

From the Museum you can head any direction and find outstanding attractions.

The Museum has written tour routes turn by turn instructions for many attractions within 100 miles of the NCM. These are free for the asking.

A few of the places in Kentucky we have visited and recommend are:

- ❑ Mammoth Caves National Park – It is spectacular and very popular. Buy tickets in advance. [NPS.gov/macaca](http://NPS.gov/macaca)
- ❑ Churchill Downs – Home of the Kentucky Derby. A beautiful, historic racetrack [Churchilldowns.com](http://Churchilldowns.com)
- ❑ Maker's Mark Distillery – There are quite a few distilleries in Kentucky. We have been to several. All were good, but this is our favorite. [Makersmark.com](http://Makersmark.com)
- ❑ Kentucky Horse Park – A living museum of the horse. This is an amazing place. Plan to spend most of a day. [Kyhorsepark.com](http://Kyhorsepark.com)

There are a number of other attractions we have seen and recommend, plus some we plan to visit when we go to the NCM for the Anniversary Celebration. If you plan a trip to Kentucky, we would be happy to share those with you.

For information on special LSCC pricing for NCM memberships or anything else NCM contact Johnny Downs 214/384-8565 or [ediewoww@aol.com](mailto:ediewoww@aol.com).

# Competitive Events

David Orrick, Competitive Events Officer

Our **Autocross** is at Brookhaven College. The next one is on Aug 18<sup>th</sup>. Speeds in *Autocross* are slower, in absolute terms, when compared to other forms of racing but the activity level, measured in turns per minute, can be higher than even Formula One due to the large number of elements that are packed into each course. The requested donation is **\$15 per car**. Helmets are required and loaners are available.

**Drag Racing** is on summer break for now. Next event will be Sunday, Sept 9<sup>th</sup> at Wichita Raceway Park - Iowa Park (Wichita Falls). Please contact Martha Kaus if you have any questions.

**Open Road Racers**, Next event is the Silver State Classic Challenge on September 13-16<sup>th</sup>. State Route #318 between Lund and Hiko, Nevada is closed for the running of this unique event. The race covers 90 miles of fenced, two lane highway with long straights, twisty sections and dips. This is called the fastest road race in the world by Guinness, with an average race speed of 219.6430 mph achieved during the 2017 race. Contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com). And please check the web site for other events and times.

**Rally**, LSCC does not sponsor rallies at this time but I will let you know about the SCCA group that will be holding the "**DFW Map Rally**" on **Saturday, Aug. 18<sup>th</sup>**. The events normally end at a popular place to eat. There, the teams get together and share their humorous stories on how they tried their best to follow the instructions. The correct answers to the gimmick questions are provided for all that might have missed some of the questions.

- ☐ On-line registration is open
- ☐ Any four-wheel, street legal vehicle with two people who are old enough to read is eligible to enter.
- ☐ Entry fee: \$25.00. SCCA members get a \$5.00 discount.

For **High Performance Driving Education** (often known as "Tracking your car" contact [Mike Krieger](#). This is NOT RACING, this is legally driving at speed in a very controlled environment. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

As always, watch the web pages on our club site for updates and new listings.

# North Texas Corvette Roundup

September 14 - 15, 2018

[Ken Burks](#) - Coordinator

For 30 years LSCC members put the trip to the Roundup in Wichita Falls at the top of their "must do" list. The show ceased to exist after 2011 but has been back in force for the last two years. The great folks at WCCA have seen to it that great fun has been had by all. As evidence LSCC has had over 30 cars at the show both years.

If you have not been with us to a Corvette show, this is the perfect place to start. It is barely over 100 miles to the show. So join us and caravan on Friday, come on your own Friday evening or Saturday morning. You can easily make it before the show opens.

One of the greatest things about this show is that the entire event is held at the Holiday Inn. You never have to leave the property.

Friday night will be a cookout and social activities at the convention facility. The awards dinner and auction will also be held there Saturday night. The car show will fill the day Saturday with food trucks on premises to satisfy your hunger and thirst.

Tentatively, we will have three caravan assembly points on Friday. The first two will depart at 2:00 pm. One will leave from the TMS parking lot just south of the south tunnel and Speedway Club. The second will meet at the Shell station on the north side of US 82 in Lindsay, about four miles west of I-35. A third group will assemble at the roadside park just north of Decatur on US 287. There they will join the group from TMS as they come by about 2:30 pm. All three groups will then combine at the Jolly Truck Stop just outside Wichita Falls to the hotel.

The hotel always fills to capacity, so it is imperative to make a reservation now at the:

Next go to September on the event calendar of the LSCC website and register for the North Texas Corvette Roundup. You will also find a link to the entry forms for the Roundup with more information.

Please join us and help us bring at least 50 cars to the Falls. Fun is guarantee.

## It's Showtime Again for the Mecum Auction

**Craig Satterfield - Coordinator**

This year the fun begins on Wednesday, October 3rd and continues four days until Saturday, October 6th. This event requires over 100 of our members and guests to drive all types of vehicles from every era and style. This event is not only one of the most fun things we do, it also benefits the Club with thousands of dollars every year. In fact, in the last six years, we have raised almost \$47,000 for the Club.

This year the Mecum Auction will be broadcast nationwide on NBC Sports Network. We will be in the same place we have been the past six years.

We anticipate about 1,200 cars going across the auction block over the four days. We will need a minimum of 40 volunteers per shift to make the auction run smoothly. This is a great opportunity for Club members to invite car buff friends to come with you to volunteer and enjoy the ride.

To participate, please go to the Club Events page to sign up for the shift you plan to work. There will be one shift on Wednesday and two shifts on the rest of the days. If you are a newcomer, I would encourage you to begin your day on the first shift to go through the official training process. Please read the guidelines when you sign up. Free parking will be provided for our volunteers.

**Please sign up as quickly as possible because the slots fill in quickly.** See the schedule below for reference.

On a personal note, I would like to thank all the Club members who have volunteered in the past and come back every year with their experience and enthusiasm. I am proud that our Club continues to impress the Mecum representatives with our organization. I am grateful for the opportunity to serve both Mecum and LSCC in this great event.

Wednesday, October 3rd	First Shift	10:00 am - 5:00 pm
Thursday, October 4th	First Shift	8:00 am - 3:30 pm

# 28<sup>th</sup> Annual Eureka Springs Corvette Weekend October 4 – 7, 2018

[Wanted](#) - Coordinator

It is that time again to save the date on your calendar for one of LSCC's more popular events. I think Kristina and I have attended this event nine times. So, we obviously have enjoyed it as have many others who've been going much longer than we have! If you have never been on a LSCC caravan, I would like to reach out and invite you to attend a super fun trip this October. After all, who does not like to drive the best car made on some of the most beautiful roads in America, enjoy lies with friends during a nice meal and sharing in a well-run, activity-filled weekend with other Corvette enthusiasts. If this has a spark of interest, all you need to do is mark your calendar. More info to be provided in the next newsletter.

Unfortunately, Kristina and I will not be able to make this year's Eureka Springs trip and LSCC will need a coordinator for this year's trip. You maybe asking, "Can I be a Coordinator"? The answer is "Yes". All a coordinator needs for this trip, or any trip, is a heart to want to share with other LSCC members. Let me know if you are interested in helping me out and I will help you with all the planning support you may need.

# National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

In August of 2019, hundreds of Corvettes from all points of North America will converge on The National Corvette Museum in Bowling Green, Kentucky. This is known as the National Corvette Caravan, which celebrates every 5th anniversary of the NCM. There are all sorts of activities planned at the Museum from the 28th through the 31st.

LSCC is organizing a Caravan leaving the DFW area on Tuesday, August 27, 2019, merging with caravans from Arizona, New Mexico, and other parts of Texas. Our first stop will be Little Rock, Arkansas, where we will meet the Arkansas caravan for an evening function hosted by Bale Chevrolet. On the following day, August 28th, our grand caravan will depart for Bowling Green for arrival that evening.

I know this is still over a year and a half away, but it takes a lot to plan this event. My wife Sharon and I are once again local leaders for this event. If you have never been on one of these caravans it is quite an experience. At one point on the 2009 caravan there were 15 miles of Corvettes on one of the Interstates going to Bowling Green. For more info go to [nationalcorvettecaravan.com](http://nationalcorvettecaravan.com) or email me, Curt Troster, at [curtis.troster@xerox.com](mailto:curtis.troster@xerox.com).

You will notice this all happens the week before Labor Day, 2019. I need a general head count to give to the Arkansas Caravan group, so they know how many people to plan to accommodate at Bale Chevrolet. If you are interested please sign up as soon as possible. Hotel and other info will follow.

## Happy Birthday Corvette! June 30, 1953

Mike Black forwarded the link below that is pretty cool. It's from the History Channel, and it is a segment of "This Day in History." It happens to feature the day the first Corvette rolled off the assembly line -- hand made.

The first production Corvette was finished on June 30, 1953 which is considered to be the birthday of the Corvette.

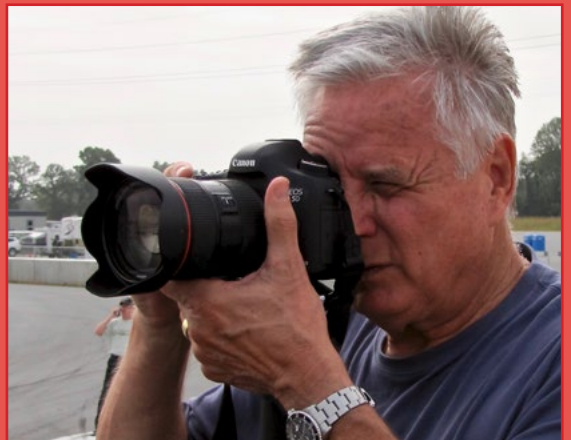

# World War II Vet celebrates 102nd Birthday at AT&T Stadium

By GH Hodges

Having been driven by Rick Herrick in the Veterans Day Parade, 101 year old Paul Fouts, an infantryman in WW2 (Italy), told his family all he wanted for his upcoming 102nd birthday was a tour of Cowboy stadium and a ride in a Corvette. His extended care facility reached out to Rick who happened to be out of town. Rick referred the call to me, which I gladly accepted. The total event was a surprise for Paul. I showed up at his residence at 9 am sharp to pick up Paul. His family followed us to Arlington. Throughout the entire drive to Arlington, Paul kept trying to get me to reveal the destination, but I kept mum. Most of what Paul talked about along the way was seeing all the Corvettes lined up in front of his old retirement center for the caravan to the downtown Dallas parade site: *There were 22 Corvettes, what a magnificent site!*

Fox4 News was awaiting our arrival. They told us they didn't know on which news cast this would be shown, but it could be multiple. Immediately I pulled out my iPhone and programmed our DVR to record all five newscasts. The link below is to the 10 pm newscast. A different version was shown at noon in which Paul jested that his physician told him, "All I need to do to have more birthdays is to not stand in front of a semi on the freeway and to avoid jealous husbands."
