[Corvette World Dallas](#)

**1810 NI-35E
Carrollton, TX 75006**

Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in the Dallas Autorama. On the first Saturday of each month, you’ll find a bunch of us at Cars & Coffee in Plano, “kicking tires” and telling tall tales about our cars.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden
President

I hope everyone had a very Merry Christmas, enjoyed time with your family and you are looking forward with anticipation to 2019! While the calendar is light at the moment, look for it to fill quickly as events such as the Stockyards Run, Hot Springs Weekend and the TCA show in Boerne are added. If you know of a new activity or trip that you think would be of interest, please contact our Recreational Officer, Ken Burks, to suggest and/or organize the activity. Participation and volunteering are key factors to the livelihood of LSCC and a great way to meet other members, forge new friendships and have fun as well. Activities and trips don't just happen, someone stepped up to coordinate them, will you join them?

Over nine years ago, shortly after buying our first Corvette and joining the Club, I became involved with the Vendors at our annual Lone Star Corvette Classic. Little did I know that was the beginning of a journey that would lead to two terms as Classic Officer, a year as Vice President and ultimately to be your President for 2019 and I'm still involved with the vendors. Oh, and five Corvettes along the way. I appreciate the support and confidence of the membership and know that any decision made will be driven by the best interest of LSCC.

Thanks to all the members and our VIP guests who participated in the LSCC Christmas Party in December. Our attendance was down from what was a record turnout in 2017, probably due to the date being later in the month. We have already secured our regular early date for 2019, so mark your calendars for December 7, 2019 at the Speedway Club. I extend a special thank you to Santa Claus (aka, Tom Rainey) for once again joining our party and providing many photo ops. I hope everyone enjoyed the festivities, the fellowship, the food and door prizes. There is no better entertainment value than our Christmas party as the club subsidizes the event to make it more accessible to our members.

Presentations for our 2019 rotating charity will be made at the February meeting with voting in early March and the selection announced at the March meeting. The charity must be proposed by a club member and be a viable 501c(3) charity organization.

Thank you to our sponsor – Classic Chevrolet & The Thompson Group

Good Friends, Great Cars!

Merry Christmas and Happy New Year!

Thank you to everyone who came out to our Annual Christmas Party at Texas Motor Speedway. We enjoyed good food, dancing, fellowship and great prizes including gift certificates to Macaroni Grill and Chef Tim Love's Restaurants, 4 gift baskets, 2 iPad's and a 55' inch HD television. A special recognition to Rick Herrick for receiving the LSCC Lone Star Award and a huge thank you to our club sponsors, Classic Chevrolet and The Thompson Group.

Our next club meeting will be on January 12th at Corvette World and lunch will be provided courtesy of our host. Please be sure to stop by and visit their gift shop and purchase your corvette merchandise.

At the beginning of each year LSCC selects a rotating charity in addition to our stated charities – The National Corvette Museum and Speedway Charities. Representatives make presentations to our club from our charity nominees. This year those presentations will take place at our February meeting. If you have a charity in mind, please remember the following guidelines:

- Nominees are asked to limit presentations to 3-5 minutes plus a couple minutes for Q & A.
- Any audio/video support material should be provided at the meeting for use with the Brookhaven system.
- Nominees should email the newsletter editor a maximum 250-word description of their charity that will be published in the newsletter.

I want to thank you for electing me as your LSCC Vice President. I look forward to working with the 2019 board and serving our members. I am open to input to improve the club, suggestions to any events, activities or meeting venues.

Don't forget to check the website for more details on upcoming events!

Happy Holidays

I hope you all had a joyous holiday season. Thanks to some of you, I had a Merry, Merry Christmas.

Beginning the first of November I offered a Christmas membership special, consisting of a free Flint brick to anyone who joined the National Corvette Museum. I did not have a single response. So, at the December club meeting I made a plea to those attending. I sold six memberships! That may be the most I ever sold at a single meeting.

Thanks so much to all of you new NCM members:

NCM Bash – April 25-27

Kickoff of the 2019 NCM on site event season, the Bash traditionally marks the roll out of the next model year Corvette, the place you can see them up close and in detail. Bash 2019 will provide enthusiasts a chance to see and touch the new 2020 corvette. Based on the total lack of information from Chevrolet on the "C8", the 2020 could be the last C7. Whether C7 or C8 the new 2020 will be the centerpiece of the Bash.

Usually 10 to 15 cars from LSCC make the trip to Bowling Green for the Bash. Normally, we do not caravan, so this is not a club trip. However I do have a room block available for LSCC members only at the Hilton Garden Inn. See below to contact me for hotel information. For more Bash information go to www.corvettemuseum.org/explore/events/ and click on the Michelin Bash.

Corvette ZR1 - Performance Car of the Year

While not directly related to NCM, it is awesome news. The **2019 Corvette ZR1** was named *Performance Car of the Year* in the December/January issue of Road and Track magazine.

It came down to the ZR1 and the almost million dollar McLaren.

CAR	PRICE
Alpha Romeo Stelvio Quadrifoglio	\$ 93,190.00
Audi RS5	\$ 91,000.00
BMW M5 Competition	\$130,495.00
Chevrolet Corvette ZR1	\$141,495.00
Ferrari 488 Pista	\$448,884.00
McLaren Senna	\$964,966.00
Mercedes AMG E63S	\$140,730.00
Porsche 911 GT2 RS	\$328,880.00

Perhaps the most telling comment by the test writer was, "The Corvette ZR1 won because it brought out the wide-eyed enthusiast in all of us – Indy Car pros, club racers and jaded journalists alike. Everyone wanted more time in the ZR1."

NCRS

Texas Chapter

Ray Kimminau, Coordinator

The NCRS Texas Chapter was founded by local members of the National Corvette Restorers Society. Our mission is to promote the restoration, preservation, history and enjoyment of the Chevrolet Corvette. Membership in the Texas Chapter is available to all current members of the NCRS national organization. If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org.

Member Benefits

Membership in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, [The Talepipe](#), which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Competitive Events

David Orrick, Competitive Events Officer

Hope everyone had a safe and happy holiday season filled with fun and family. Thank you for re-electing me as Competitive Events Officer for 2019.

The competitive events season starts at 8 am on January 2nd with registration for the Big Bend Open Road Race. Race dates for 2019 are April 24-27.

The race takes place on Highway 285 South from Fort Stockton to Sanderson. Police for the race closes the highway and monitors are in place along the route. The race is round-trip (for a total of 118 miles) with drivers selecting speed classes from 85 to unlimited and then trying to average this speed over the entire distance of the race.

Each year this event brings hundreds of people from all over the US and Europe to these small Big Bend area communities for several days of racing, parties and fun. The BBORR has something for everyone so make plans to be a part of this exciting event in West Texas. Even if you don't want to race, you can volunteer as a course monitor and still be a part of the fun.

The number of competitors is very limited so early registration is extremely crucial. If you have any questions please check out www.bbrr.com or contact Mike Black, our open road racing coordinator, and past winner of this event.

High Performance Driving Education events continue through the winter season but as always, you will need to register well in advance. Drivers at these events are assigned to run groups based on their level of experience. Groups alternate between instructional classes and on-track run sessions over the course of the day. These events are a great way to learn what you and your car can do. Please contact Mike Krieger if you have any questions about these events, or if you would like to be added to his monthly Track Hound newsletter.

Our other competitive events will start up again in March and April. Autocross had really strong participation last season and we would like to see even more folks get in on the fun this year. The drag racers won 2nd place last season and they are always looking for more people that love to go fast when the light turns green. Use the next few months to get your cars ready and then come on out when the weather warms up and join in the fun.

Please watch the website for more information and updates.

National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

Held once every 5 years the 2019 National Corvette Caravan and NCM 25th Anniversary celebration is truly a once in a lifetime experience. LSCC has blocked 60 rooms at Hilton Garden inn in Little Rock Arkansas our first stop in our caravan to Bowling Green, and 60 rooms at Hilton Garden Inn in Bowling Green where the celebration occurs.

In January we began accepting names on this page the LSCC website. The first 60 people registered are being offered rooms at these 2 hotels. The members that registered after the first 60 will be placed on a waiting list as rooms become available. Four years ago on the 2014 caravan, everyone on the waiting list got into the Bowling Green Hilton Garden Inn but if you don't want to take a chance you might want to consider backup plans. Go to www.corvettecaravan.com/lodging. You may contact Katie Elison at the NCM (270-467-8846) or Katie@corvette-museum.org for more info on local hotels. This will be LSCC's big trip for 2019 and we have 75 cars already registered. It is very important that you register on this site first as it will get you on our list for blasts of important info.

Registration has also opened up for the Anniversary Celebration and 2019 Caravan on www.corvettecaravan.com. We will be part of the S.TX caravan so be sure you put this as your caravan. You must do this also to participate on the trip. Other activities you may want to do will be forthcoming on other sites. You may also want to visit the southern texas website for more info and other caravan info such as T-shirts and other caravan items avail. Local Leader Curt Troster has clings and flags avail. There is a link on the main caravan page to their site. Note we are part of S. Texas not Central Tx. Our caravan will be leaving from TMS on Tue. morning Aug 27 where we will be joining both the San Antonio group from S. Tx and the New Mexico-Az caravan. We will join other caravans as we enter Arkansas and in Little Rock then on to Bowling Green on Wednesday.

If you register and find that your plans have changed and you need to cancel, please contact the Event Coordinator, Curtis Troster, at curtis.troster@xerox.com so he will be able to remove your name(s) from the list.

2019 Rotating Charity Nominations Due Soon!

It's time to start thinking about helping your favorite charity. Each year, LSCC selects a non-profit organization to receive a portion of the Auction proceeds from the Lone Star Corvette Classic. In 2019, the selection process will take place in February. Articles from nominated organizations will be due by **January 20th** and will be published in the February Newsletter. Submit your articles here at lscnewsletter@yahoo.com.

Presentations from the nominated organizations will be part of the February Club Meeting agenda, and voting will take place online shortly thereafter.

Following the guidelines will give your nominee the best chance of being selected; please print a copy and share with your organization. This document is also posted on the Club website under the Information tab and can be downloaded, and will be available in paper form at the November and December Club meetings. Specific deadlines for submitting your nomination will be announced later this year. There are lots of deserving charities who can use our help, so let's get started!

For Your Information...

Corvette Magnetic Ride Control Upgrade

By Ric Atkins

As described in an announcement by Chevrolet Performance, Corvette development engineers have new tools which help them better analyze Magnetic Ride Control (MRC) data recorded on the bench, on the road, and on the track. These tools have resulted in major improvements in Tour, Sport, and Track modes for all MRC vehicles. The improvements are so significant that all 2019 MRC Corvettes will include the new calibration.

Chevrolet Performance is now making these new calibrations available to all customers already in possession of a 2014-2018 7th Generation Corvette with MRC. These upgrades greatly improve ride quality and handling feel, and have been rigorously validated and tested to ensure all chassis systems work together.

Each Tour, Sport, and Track calibration is independently tuned for its respective chassis. The new calibrations exhibit a much more refined balance of the heave, pitch, roll, wheel, handling, and temperature compensation algorithms. In Tour and Sport Modes the driver will feel major improvements in impact isolation and integration. Ride motion and balance are also greatly enhanced. Parking lot and low-speed (25 mph and less) ride motions are more compliant and less jarring. Sport mode also improves the handling precision and balance. Like Tour mode, Sport mode will exhibit the same impact and body motion improvements over the original Sport mode. In Track mode, the balance and response to driver inputs are more linear, and vehicle dynamics, based on throttle response, have been greatly improved. Drivers should notice more linear behavior near and at the limit of adhesion.

For 2015 and 2016 Z06 customers who have the Z07 package, there is an option to update the Tour and Sport calibrations and keep the original Track calibration.

For 2018 vehicles, some of the final improvements for MRC upgrades were part of the 2018 production release. Thus, the improvements for 2018 vehicles are also very significant but not quite as dramatic as the 2014 to 2017 packages.

There's some additional information about this upgrade in the following thread:

<https://www.corvetteforum.com/forums/ask-tadge/4081600-answered-magnetic-ride-performance-calibrations.html>

As the owner of a 2016 Stingray with MRC, I was more than a little curious about this upgrade, which is priced at \$350. So I contacted my service advisors at The Thompson Group at Classic Chevrolet and made an appointment to do the software re-flash. The upgrade was downloaded directly from Chevrolet Performance via a high-speed data link. It took less than an hour from the time the car was pulled into the service bay. I was able to drive the car back home with instructions to allow the vehicle to sit for 8 to 10 hours prior to "spirited driving". The need for this is in the service bulletin as – The MRC damper system has a built-in temperature offset correction as part of the calibration. Allowing the vehicle to sit will allow the damper temperature offset in the calibration to accurately reset. The vehicle is still functional prior to sitting for 8-10 hours; however, the temperature offset correction will be less accurate, resulting in a less optimized operation until the damper temperatures normalize.

I am happy to report that the recalibration does improve the ride and handling of our Stingray in Tour and Sport modes as described above. We rarely drive our Stingray on a track or on the street in Track mode, so please report your own results of that when you have your MRC update installed.

How to schedule yours:

Contact Steve Buchholz at 817-410-6122 or Jacob Lazo at 817-410-6121. Provide your VIN and answer any questions they ask in order to determine the exact model and chassis configuration of your Corvette.

If you have questions about this, please send me an email at ric@classicfleet.com

The Lone Star Award

LSCC President, GH Hodges, presents the Lone Star Award to Richard Herrick at the 2018 LSCC Christmas party.

The Lone Star Award was established in 1997 to recognize exceptional service to LSCC. Any LSCC member in good standing may submit a nomination for a member to the LSCC Board of Director Officers for this special recognition if the nominee meets the following criteria:

Nominee must be an LSCC member in good standing. Nominee has consistently contributed to the LSCC for no less than 3 consecutive years and reflects a positive image of the LSCC. Nominee must be someone that is recognized by the LSCC Board of Director Officers as having made major contributions to the club. No currently elected LSCC officer, Honorary or Junior LSCC members are eligible for the award. **A unanimous vote** by secret ballot from the elected LSCC Board of Director Officers is required.

LSCC Christmas Party 2018

The LSCC Christmas Party is held each year. If you missed this one, we'll be back at the Speedway Club in 2019.

Happy 2019 to everyone!

Nolan & Pat Graham - Coordinators

Well, we were not winners this year, but a great time was had by the LSCC members!

Nolan & Pat Graham were the Coordinators for the Allen Rotary Christmas Parade held on December 1st in Allen, TX. Everyone was good and Santa took notice. Those in attendance, besides Santa Claus, were:

Grady Cherry
Tom Rainey
William & Lance Reeves
Gary & Marilyn Bechtol
Phil & Carolyn Elmore

Chris and Laurie Kurtz (new members and their 1st LSCC event) drove from Victoria, TX and Wayne Allen drove from Richmond, TX for the show.

Congratulations to all, and thanks for making us proud!

In Loving Memory

It is with deep sorrow we announce the passing of Butch Dunkle.

Butch Dunkle joined our Club just over a year ago after meeting up with some LSCC folks at a local burger joint, researching just what Corvette to buy and taking Museum delivery in April 2017, one of the happiest days of his life! His enthusiasm for life and everything Corvette was obvious to everyone. As I've shared of his surprise passing on December 11, 2018, everyone remembers him with such fondness. As a fellow member of the American Airlines family, he was a retired AA Captain and Colleen, a retired AA flight attendant, was right there with him in all his love of life and up for anything. He will be so missed. Rest In Peace dear friend.

C5 (1997 - 2004) Roof Panel - C5 coupe owners, here's your chance to score a never-used OEM transparent, tinted, roof panel (aka: clear top, removable top, see-through top) for your 'Vette and support the Lone Star Corvette Club charities at the same time. A LSCC Member has donated a C5 (1997 - 2004) roof panel to be sold with proceeds to go to the Lone Star Corvette Classic 2019 charities: The National Corvette Museum, Speedway Children's Charities, and the 2019 Rotating Charity as selected by the LSCC Membership.

The asking price is \$1,200 (does not include a carrying case). The top is in excellent condition, with no scratches or other blemishes. (Note: C5 coupes were offered with option C2L, which consisted of two "roof panels". One was the standard body color panel and the other was a transparent panel.)

Note: The top must be picked up in Carrollton, Texas.

Asking: \$1,200.00

Contact: Linda Shellberg at lrbag@aol.com.
