## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

Greetings to all as we welcome April, probably my favorite time of the year as the weather improves, and the landscape gets brighter as Mother Nature says - Wake Up. Granted we have to deal with allergies and pollen covered Corvettes, but we also have more opportunities to be out and enjoy our cars. April is typically our busiest activity month and 2019 is loaded with options for members to get involved. We start off with a day trip to the Audie Murphy/American Cotton Museum in Greenville. FYI, Audie Murphy was the most decorated soldier in WWII, awarded every military combat award at the time including the Medal of Honor at the age of 19.

Other major April activities include: a 4-day trip to Hot Springs, AR for the 21<sup>st</sup> Annual Corvette Weekend; a 3-day trip to Boerne, TX for the 27<sup>th</sup> Annual TCA Open Car Show; a 3-day trip to Bowling Green for the NCM Bash; and for the road racers the annual trip to Fort Stockton, TX for the Big Bend Open Road Race. We also have the Club meeting at Classic/Thompson Group and the season starts for Autocross and Drag Racing. Something for everyone!

A big Thank You to all who volunteered for the Good Guys show in March, it is a fun event, they appreciate our efforts and make a nice donation to the Club as well, a win-win situation. It was a typical March outing weather wise, but we did see some amazing cars.

Registration for the Lone Star Corvette Classic is open, and we need your participation as this is a self-sustaining Club activity. As most of you know the Classic Live & Silent auctions generate the funds, we donate to our 3 charities; The National Corvette Museum, Speedway Children's Charities and our 2019 rotating charity, TX-FallenPD. Your support is important, so come to the Classic and participate in our auctions! Also, remember that as a LSCC member you can enter your car in Show-N-Shine for free, however the Judged class will still cost you \$55.00. A special display for Veterans is included again this year, but you must be registered for one of the car shows to participate. Don't wait until the last minute to register, **do it now!**

**Thank you to our sponsor – Classic Chevrolet & The Thompson Group**

***"Good Friends, Great Cars"***

Can you believe that it is almost April? Soon you will be washing the corvette a little more often, waxing it and going for a spin! Thank you to LG Motorsports and their crew for welcoming us to their facility. We enjoyed the drive to Anna, great lunch and time with Lou.

Another special thank you to all the volunteers who assisted at the Good Guys show. The weather had its ups and downs but overall the show turned out to be great. This show happens only twice a year so be thinking about helping out again for their next one in the fall. Remember, the more effort that you put into our Club, the more enjoyment you receive from it. We have several events coming up that I hope you take the time to engage in.

Do you have something you would like to donate to the Classic Auctions? For Live Auction Items - contact Linda Shellberg, Live Auction Coordinator and for Silent Auction Items - contact Mary Ann Scheppler, Silent Auction Coordinator. Be sure to check out the LSCC Newsletter for a list of items that sell very well. All donations are appreciated. You can bring your items with you to the monthly Club meetings, or if you have a large item, just contact Linda or Mary. We will need all items no later than the Club meeting in May.

Lastly, be sure to register for activities at The Lone Star Corvette Classic, May 17<sup>th</sup> – 19<sup>th</sup>. While you are registering for your fun time, be sure that you also sign up for volunteer opportunities. You will be glad that you did. If you have questions, contact Ralph Teehee, 2019 LSCC Classic Officer.

Our next meeting will take place April 13<sup>th</sup> at our sponsors location, The Thompson Group & Classic Chevrolet. And yes, they will be graciously providing lunch for us. Hope to see you there!

Congratulations to TX Fallen PD, our Rotating Charity Winner!

Thank you to Classic Chevrolet and The Thompson Group for being our sponsor.

### C8 Corvette

Big news this month concerning the NCM is not news but a rumor. Or it is news of a rumor.

The latest guess concerning the long-anticipated unveiling of the C8 Corvette has it occurring at the National Corvette Museum. It would take place during the Caravan/25th Anniversary this August. Prior speculation had the next generation Corvette bowing at the Detroit Auto Show, then Geneva, which did not happen. At this late date it is not likely to happen at this month's New York Auto Show.

Sources say the latest target date for production is December 2019. This puts the NCM event in the perfect window for the reveal. Other pluses are likely good weather and the Motorsports Park to show off the C8 performance.

If this rumor proves true, the best part is that it is not too late to be there. Joining the Caravan and being at the NCM 25th Anniversary is as simple as going on the LSCC website and registering for the NCM Caravan. Then you will be sent all the information needed to make the trip with fellow club members.

### NCM Bash April 25-27

You can decide to attend this great event right up to the 25th, so read on.

Kickoff of the 2019 NCM on site event season, the Bash traditionally marks the roll out of the next model year Corvette, the place you can see them up close and in detail. Bash 2019 will provide enthusiasts a chance to see and touch the new 2020 corvette. Based on the latest rumors, the 2020 will initially be a C7. However, there is still a slim chance for it to be the C8. Whether C7 or C8, the new 2020 will be the centerpiece of the Bash.

For more information go to [CorvetteMuseum.org/explore/events/Michelin-ncm-bash/](http://CorvetteMuseum.org/explore/events/Michelin-ncm-bash/)

For room block information go to "NCM Bash" on the LSCC April event calendar.

### MiM National Parks Tour September 22-28

Museum in Motion tours bring Corvette enthusiasts together to enjoy driving their Corvettes and visiting new, unique, interesting and exciting venues. Back by popular demand – join the NCM as they explore some of the most unique and awe-inspiring landscapes America has to offer. With visits to the Grand Canyon's South Rim, Zion National Park, Bryce Canyon, Arches National Park, Glen Canyon Dam, Monument Valley and Canyonlands National Park, you will get to enjoy some of the crown jewels of the National Park System.

Registration is open and this tour is sure to sell out soon. For more information go to <https://www.corvettemuseum.org/event/MiM-National-Parks-Tour/>

Questions? Contact Bryce at 270/777-4506 or Maci at 270/467-8804.

Texas Regional - Oct 24 - 26  
Frisco, TX

### Lone Star Classic - LSCC / NCRS Registration

To register for the Classic as an NCRS participant for the Texas Chapter NCRS Judging for either Flight Judging or Concours Judging.

You will need to first register on the LSCC registration form - after you select either "Judged" or "Show & Shine" you will receive a question about NCRS participation. Complete the LSCC registration. The next step is to complete an NCRS online registration. Go to <https://www.ncrs.org/> | NCRS | National Corvette Restorers Society. and select "Services" - Coming Events - Event Registration - then scroll down to Texas Chapter Meet 5-18-19. Log in and complete the NCRS registration form.

Total Corvette registration for this event is ( 8 ) cars . The NCRS cars will be grouped together at a location under the TMS grandstands.

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](http://ncrstx.org).

**Autocross** It was a little chilly for the first race of the season, but we still had a great time navigating a challenging course around cones in a Brookhaven College parking lot. The next one is set for April 20th. This will be a good time to get ready for the LSCC Classic. The requested donation is \$15. Helmets are required and loaners are available.

**Drag Racing** The season is underway, and I know the LSCC team is ready to regain their title. Please check with Martha Kaus for dates and other information. The drag racers are always looking for some new members to join them.

**Open Road Racing** Big Bend is coming up this month and we want to wish good luck and safe racing to the LSCC team. Big Bend is not the only open road race that the group goes to during the year so if you have any interest, please contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com). Please check the web site for other events and times.

**Rally** The club does not sponsor rallies at this time but the SCCA group holds numerous rallies throughout the year. Watch (<http://www.texasscca.org/rallytime>) for more information on these events and I will post on the bottom of our rally page when I have more information.

For **High Performance Driving Education** (often known as "Tracking your car"), please talk to Mike Krieger. This is **NOT RACING**, this is legally driving at speed in a very controlled environment. High performance driving education will help you in your everyday driving and on the next spirited drive you take.

To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

As always, watch the web pages on our club site for updates and new listings.

# 21st Annual Corvette Weekend

Hot Springs Convention Center Hot Springs National Park

April 18 - 20, 2019

[Phil Davies](#) - Coordinator

*A personal invitation to new members!*

Last year, after a few years of absence, Mike Krieger thought it was time for LSCC to attend the Hot Springs Corvette Weekend event and what a blast it turned out to be. Mike has other commitments this year and Kristina and I will be coordinating this year's trip. Using last year's template, we will meet at the rest stop/OK Visitor Center on 75 just north of the Red River Thursday morning, April 18<sup>th</sup>, at 9 am. After a short driver's meeting, we will run back roads to Broken Bow for lunch. After lunch, we will head north then east thru Ouachita National Forest to our hotel to Hot Springs, AR.

The nice thing about the Hot Springs car show is it's indoors; so it's guaranteed to be nice and dry, not too hot or cool no matter what's going on outdoors.

This event attracts Corvettes from across America. The following events are scheduled: Scenic/Poker Run, Autocross, Valve Cover Races, Corvette Night Light Show, an awe-inspiring Corvette Parade up & down mountains, Fashion Show with a Corvette Icon modeling. Also included are Top Quality Vendors and the World's Greatest Indoor Corvette Show. Registration includes a taste of the South on Saturday at lunch with Southern fried Catfish/Chicken with all the fixings, fried pie and tea. Beside all these great activities, this event is in a great location, close to the bath houses, shopping and restaurants.

If you are fairly new or have never been on a LSCC caravan, I would like to reach out and invite you to a super fun trip this April. After all, who does not like to drive the best car made on some of the most beautiful roads in America and enjoy lies with friends during a nice meal? If this has a spark of interest, all you need to do is sign up on LSCC website and save the date, and we will communicate most of the info through e-mails.

[John Raiden](#) - Coordinator

The poster is for the Texas Corvette Association's 27th Annual Open Car Show, held on Saturday, April 27th, 2019, in Boerne, Texas. It features a red background with a faint image of a clock tower. The Texas Corvette Association logo is in the top right corner, and a '40th Anniversary' badge is next to it. The main title 'Open Car Show' is in large white letters. Below it, the date 'Saturday April 27th, 2019' is written. Two white diamond-shaped callouts provide registration and judging details. The bottom section lists event activities like food, music, vendors, and a silent auction, along with the website 'texas-corvette-association.com'. Logos for Fiesta San Antonio, Camaro, and Boerne are at the bottom left, and the SJRC logo is at the bottom right.

# 25<sup>th</sup> Annual Tri-City Corvette Club Car Show

May 3 - 5, 2019

[Phil Davies](#) - Coordinator

**Mark your calendars** for this new road trip for LSCC that is in the planning stage. The show's format will be similar to the Wichita Falls car show, meaning we will gather the morning of Friday, May 3rd, and caravan via back roads through the East Texas piney woods to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri City Corvette Club hosts a Hospitality Night, providing free food and drink. On Saturday morning, we will get up and prep our cars for the car show which is located in the HI parking lot. In addition to the car show, there is a Valve Cover Race available for those interested, a chance to WIN a NEW 2019 Corvette Stingray (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car. If this trip is of interest to you, please sign up on the LSCC website and I will be in touch via email as I finalize the trip details.

[Sign Up Here with LSCC if Interested](#)

Sunday morning, **May 5th**, you will be free to head home, or as an add-on for those who have the time, we'll head to Keels & Wheels Concours d'Elegance for a classic car and vintage wooden boat show in Sea Brook, TX. The Automobile Marques for 2019 are: 100 years of Bentley, Lamborghini and Shelby. I am told they anticipate 200 classic cars and 75 – 100 vintage wooden boats.

After visiting the show you can head home, or again, for those who have the time, we will spend the night in a hotel (TBD) and on Monday May 6<sup>th</sup> we will head to the Houston Space Center for a visit or possible tour

[Click Here for the Keels & Wheels Concours d'Elegance Information](#)

### Houston Space Center (Possible Tour)

If there is enough interest, we can enjoy a personal tram tour of NASA dedicated to our group only and be one of the first daily visitors to Historic Mission Control, an astronaut training facility and Rocket Park, including the iconic Saturn V rocket. Afterward, we can walk through the Space Center at our leisure....and then truly head home from there.

Again, please sign up on the LSCC website if you're interested in coming along for this new adventure!

Take care,

Phil Davies

# National Corvette Museum 25th Caravan

August 27 thru September 1, 2019

[Curt Troster](#) - Coordinator

Held once every 5 years the 2019 National Corvette Caravan and NCM 25th Anniversary celebration is truly a once in a lifetime experience. LSCC has blocked 60 rooms at Hilton Garden inn in Little Rock Arkansas our first stop in our caravan to Bowling Green, and 60 rooms at Hilton Garden Inn in Bowling Green where the celebration occurs.

In January we began accepting names on this page the LSCC website. The first 60 people registered are being offered rooms at these 2 hotels. The members that registered after the first 60 will be placed on a waiting list as rooms become available. Four years ago on the 2014 caravan, everyone on the waiting list got into the Bowling Green Hilton Garden Inn but if you don't want to take a chance you might want to consider backup plans. Go to [www.corvettecaravan.com/lodging](http://www.corvettecaravan.com/lodging). You may contact Katie Elison at the NCM (270-467-8846) or [Katie@corvette-museum.org](mailto:Katie@corvette-museum.org) for more info on local hotels. This will be LSCC's big trip for 2019 and we have 75 cars already registered. It is very important that you register on this site first as it will get you on our list for blasts of important info.

Registration has also opened up for the Anniversary Celebration and 2019 Caravan on [www.corvettecaravan.com](http://www.corvettecaravan.com). We will be part of the S.TX caravan so be sure you put this as your caravan. You must do this also to participate on the trip. Other activities you may want to do will be forthcoming on other sites. You may also want to visit the southern texas website for more info and other caravan info such as T-shirts and other caravan items avail. Local Leader Curt Troster has clings and flags avail. There is a link on the main caravan page to their site. Note we are part of S. Texas not Central Tx. Our caravan will be leaving from TMS on Tue. morning Aug 27 where we will be joining both the San Antonio group from S. Tx and the New Mexico-Az caravan. We will join other caravans as we enter Arkansas and in Little Rock then on to Bowling Green on Wednesday.

If you register and find that your plans have changed and you need to cancel, please contact the Event Coordinator, Curtis Troster, at [curtis.troster@xerox.com](mailto:curtis.troster@xerox.com) so he will be able to remove your name(s) from the list.

# 2019 NCM National Parks Tour

[Mike Krieger](#) - Coordinator

This year, because of the 25<sup>th</sup> Annual Caravan to the National Corvette Museum, the NCM has cut way back on the number of Museum in Motion Tours from 20+ to only 7 or so. You might have noticed in this month's "America's Sports Car" that the National Parks Tour is listed on the calendar of events as **"Tentative" for the end of September**. If you are not one of the 30 or so LSCC members that have already joined me on one of the past 4 tours, this could very well be your last chance. If you are at all interested in attending one of the best MiM tours ever, you should drop an email to the NCM Events Manager, [bryce@corvettemuseum.org](mailto:bryce@corvettemuseum.org) and ask to be put "on the short list" for the National Parks Tour (make sure you note that you are an LSCC member). **No Payment Will Be Necessary** until Bryce has enough requests to make the trip fly....then at that time you will be contacted to see if you are still interested and if you are, you will need to make a payment.

For those who haven't spoken to someone who attended one of the past tours, or remember reading one of the past articles, ([CLICK HERE](#) for Oct 2018 Newsletter, see pages 27-35) here is what the trip is all about; it starts in Williams AZ on Sunday where we have our meet and greet dinner. On Monday morning, we head for the Grand Canyon for sightseeing and then onto the Navajo Bridge before moving into our hotel room for 3 nights in Kanab UT. Tuesday we spend the day in Zion National Park followed by Wednesday at Bryce Canyon National Park. Thursday is a travel day with stops at Glen Canyon Dam, lunch & tour at Monument Valley before finishing at our hotel in Moab UT for two more nights. Friday morning we visit Arches National Park, have a group lunch in Moab and finish the day off with a Sunset tour of Canyonlands National Park. Saturday morning it's all over and we head off for new adventures. Hotel rooms, 4 group meals, tour of Monument Valley, and tour guide for the week are included in the cost of the trip.

Bryce is only blocking 20 rooms for this trip; we have averaged 50 cars per year for the past two years so don't put this off....you may miss the boat.

# CLASSIC AUCTIONS: HOW YOU CAN HELP

[Linda Shellberg](#) - Live Auction Coordinator

[Mary Ann Scheppler](#) - Silent Auction Coordinator

How can I help? We hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$25K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

## **Here's some items that sell very well in the Silent Auction:**

- ☐ Toiletries, makeup, and perfume baskets
- ☐ Car cleaning supply baskets
- ☐ Wine baskets
- ☐ Corvette-related jewelry
- ☐ Framed Corvette-related prints, posters and photographs
- ☐ "Man-Cave" or Garage items
- ☐ Corvette and car-related books and paperbacks
- ☐ New or gently-used after-market Corvette accessories
- ☐ Corvette-related luggage, bags, purses, billfolds
- ☐ Restaurant gift certificates
- ☐ Hand-made craft items
- ☐ Diecasts and hot wheels

## **For the Live Auction, these bring big money:**

- ☐ Items with celebrity autographs, especially Corvette-related
- ☐ Tours and tickets to exclusive places (charter plane tours )
- ☐ Hotel gift certificates
- ☐ Rare or high-end jewelry
- ☐ Rare Corvette memorabilia (book signed by Ed Cole, for example )
- ☐ Certificates for wheels, exhausts, headers
- ☐ Hand-made quilts

## **What you can do:**

- ☐ Ask the people you do business with for donations
- ☐ At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- ☐ Ask the restaurant where you eat regularly to donate a gift certificate
- ☐ When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings; if you have a large item, let us know ahead of time – Linda - [lrbag@aol.com](mailto:lrbag@aol.com); Mary Ann – [mascheppler@gmail.com](mailto:mascheppler@gmail.com). We need everything no later than the Club Meeting in May. Let's get busy!

# 2019 LSCC Lone Star Classic Rotating Charity Winner

TXFallenPD - Nominated by Steve Jones

Steve Jones

## **TXFallenPD** Honoring The Fallen

Throughout history, there have been more officers killed in the line of duty in the State of Texas than in any other state or territory. In 2018 we lost eleven officers, these brave men and women show up every day to protect us, not because it's their job, but because it is a calling!

The TXFallen Tribute Event began in 2008 as a police bike race honoring the lives of Texas officers killed in the line of duty. Over the years it has grown into a community fund raising event benefiting the Texas Police Chiefs Association Foundation. Through this their Officer Death Benefit Fund provides monetary assistance within 24 hours to the families of officers working in Texas who die in the line of duty. In 2018 they were able to provide each family with a check for \$5000 to help with immediate financial needs.

The bike race and event takes place each fall at the shops of Highland Village in Highland Village Texas. The 2019 dates for the event have not been finalized. There are many opportunities for you to get involved, such as, sponsorships, donations, and participation in the event itself. Since 2008 we have raised over \$210,000 for the Fallen Officer Fund. Help us reach our goal of \$50,000 this year!

The Texas Police Chiefs Association's Fallen Officer Fund is a registered 501(c)(3). Please visit our web site at: [txfallenpd.com](http://txfallenpd.com).

## LSCC Officer and Coordinators

*Carolyn Atkins, Treasurer*

Carolyn and her husband Ric have been members of LSCC for 6 years and have been very active and supportive of club activities.

Carolyn stepped up to fill a vacant position as Recording Secretary a few years ago. Since then she has continued to serve the club, now as Treasurer. Carolyn has found that filling a needed position has been an enjoyable experience.

The Treasurer needs to have a good relationship with the Financial Officer. They will be e-mailing each other frequently. Another important aspect of this job is functioning as a “sunshine” officer, making sure that members who are experiencing a loss, are honored. The Treasurer writes checks for club business on a regular basis, but never without the approval of other board members. Attendance at Board Meetings is a must.

Carolyn spends about 6 hours per month performing the duties of the LSCC Treasurer.

Carolyn would highly recommend running for the board. It gives you new insight into how LSCC is operated and has been a great experience.

## LSCC Officer and Coordinators

*John Main, Technical Officer*

Web guru John Main and his wife Suzanna have been LSCC members for 14 years. This position is his first experience being on the Board of Directors. John was asked by some members to serve as the Technical Officer and he decided to accept their nomination. John enjoys the way being on the board allows him to be connected and involved in management of the Club.

The Technical Officer is a specialized position, but John took the, "on the job training" approach. As described by John, the activities he oversees include:

Managing the club's website by adding various club events to the calendar, sending out an occasional email, and helps with the Lone Star Classic, Inc.'s website that is used mainly for our Lone Star Corvette Classic event in May. The Technical Officer also initiates the on-line voting the club does for its Rotating Charity and for the annual election of Board Members.

Our club's website is hosted by Club Express and they have many tutorial videos that one can watch to understand how to create and set up events, manage surveys (voting), and sending out emails. If one knows a little about HTML then that could be an advantage but it is *not* required. I didn't know anything about HTML when I began (and what little I know now I learned from Google!). All in all, for this position no special skills are really needed. An hour or two of introduction training from the previous Technical Officer was all I needed and then just taking the time to explore the website and to understand how things work.

Finally, the Technical Officer is the first point of contact if someone contacts the club via the website. The main responsibility here is to either respond to the query or to forward the email to another club officer that will be able to respond.

Once everything is set up John spends no more than a couple of hours each week to maintain and monitor the website.

Thank-you LG!

To Lou, Fernando & Sergio,  
What a great time we had at the Lone Star Corvette Club March Membership Meeting! We were the guests of LG Motorsports, owned by race car driver Lou Gigliotti. His facility in Anna, Texas is brand-new, full of cool Corvettes, and the catered BBQ lunch was plentiful and delicious. And the icing on the cake came when Lou announced he would be with us at the Lone Star Corvette Classic in May. Classic attendees will be able to bid on Texas Motor Speedway Road Course laps with Lou at the Live Auction on Saturday night. High bidders will ride in Lou's LG Racing Corvette on Sunday, and everyone can meet the LG folks at the Track and get info on their great services. Thanks, Lou and staff, for a fun meeting, we can't wait to see you guys at the Track! # AmeriCARna 2019

By Laura and Craig Satterfield

When we celebrate the American Sportscar, the Corvette, sometimes we should emphasize the word American. Nowhere is that more evident and American patriotism more clear than when the celebration of American cars is in New Zealand. The event, known as AmeriCARna, is a huge 4-day event featuring all American only automobiles. It brings close to 1,000 cars from both the north and south islands of New Zealand to New Plymouth, part of the Taranaki peninsula. The event began 12 years ago as an effort by the local Chamber of Commerce to energize the local economy with a stellar event. When our friends, the Larsens came to the US to purchase a Corvette ten years ago, they told us about this event. It has been on our bucket list ever since and has grown to be an internationally recognized event. We discovered that Terry and Linda Walker were hoping to go, so we teamed up last Fall and made plans to attend.

We contacted our friends, the Larsens, who then let the AmeriCARna event planners know that they would have a delegation of Americans attending the event. The Larsens enlisted the aid of their car buddies, who loaned us Corvettes to drive in the three-day cruises. We knew this would be an experience of a lifetime, but we still underestimated the significance. After 23 hours of flying (with layovers) and a recovery day, we were off to New Plymouth from Auckland to register and see our friends. We practiced the left-side driving and roundabouts through the mountains of Western North Island with Craig at the driver's seat and Laura as navigator. Fortunately, there weren't many cars on the roads there.

Our arrival in New Plymouth was the first indication of how we had underestimated the significance of AmeriCARna. The town had American flags, AmeriCARna banners and red-white-and blue festooning on every corner. Our hotel entrance was decorated with a C-7 ZR-1 parked out front and a Harley-Davidson sporting an American Flag and Route 66 sign in the lobby. We picked up our registration packet at the local stadium the next day and met the AmeriCARna volunteers. Our New Zealand friends, (Bob and Jet Larsen, Deb and Toni Elston and Rod and Kaye Allen) surprised us with the fwho would be presenting an "American Choice" award for the best overall car. When we opened our packet, we learned that we had been featured as "The Americans" in page 18 of the Official Programme (NZ Spelling) --everyone knew us before we knew them. We felt very honored.

The first day began by a line up of 900 cars on the field of the stadium. The variety was amazing and every car was a premium restore. Every make and model of car, bus, ambulance and truck was represented. Every car was in place by 10:30a and the 25 mile (40K) cruise started to Opunake Beach. Our drive impressed us with the showing of American flags flying on fences, houses, shops and people standing out to catch a glimpse. Cars took over the parking area and spilled onto the park area, which had been reserved for AmeriCARna. We were treated to fund-raising food stalls (loved the Burgers and chips) and the beach, which faces the Pacific Ocean. We cruised back at 2:30p after enjoying some fun in the sun. Lovely day!

Day 2 started at the Stadium with a noon cruise on Waitara Road, parallelling Waitara River, to Inglewood. Inglewood was decorated with red, white and blue everywhere. The downtown area was cordoned off allowing the cars to park and visitors to walk around. Our visit was highlighted by an Elvis sighting (concert) and Cotton-eyed Joe dance team. (They do it differently in NZ.) We cruised back for an evening of fun at the Allens. The weather was lovely and cool and the group of 20 or so were friendly and lively, enjoying wine, beer and good conversation.

The last cruise day, Friday, was marred by rain. The cruise began with a light rain that deteriorated to a steady, cold rain. We fled for shelter and lunch at the restaurant in Stratford, but had to forego the planned visit to the Elvis Presley museum. Despite the grey, cold skies, we were especially touched by the warm spirit shown by the New Zealanders. This day had more families than we had seen before, standing for miles in the rain, barely sheltered by umbrellas or make-shift tents proudly and enthusiastically flying the American flag -- waving us on. That is a memory that will last a lifetime.

The final day of AmeriCARna was capped by a car show in New Plymouth. All of downtown was filled with cars from 10a until 3p. There were an estimated 1,000 cars that lined up for what they called AmeriCARNival. Now, the pressure was on to choose the "best of" show. With so many excellent choices, we (the six Americans present: Walkers, Satterfields and an OH couple, Bob and Peggy Morgan) had decided to each select our choice, then pull it out of a hat. We just could not decide which car was "best". That night, we found one another and grouped together before the presentation. We were told we had to come up with one car--YIKES! So, we picked the one that most of us had as "best of" in our selections. All six of us were called up on stage for the presentation and Craig was our selected spokesperson. Our choice (among the many) was a cream colored, 1957 Cadillac that had been fully restored.

After AmeriCARna, we said good bye to our New Zealand friends and the Walkers, who were abandoning us to head back to the US. We spent the next two weeks travelling through North Island exploring everything from beaches to volcanoes, glow-worm caves and farms. We cherish the memories we made, but will never forget the warm welcome of our friends at AmeriCARna in New Plymouth, Taranaki, New Zealand. We would like to thank Nadine White and John Rae, the AmeriCARna planners and directors; our New Zealand "hosts" (Bob and Jett Larsen, Rod and Kaye Allen and especially the Elstons who let us borrow their yellow C-6 for the drive) and every person who greeted us, acknowledged the cars or waved the American flag -- you have our undying loyalty and appreciation.

*Addendum: One week after our return, we learned of the shooting in Christchurch. We contacted our friends to express our concern and condolences. Bob and Jett's son was in Christchurch, but safe. We know this shooting does not represent the people of New Zealand and understand how disturbing this incident is for that nation that prides itself on welcoming others.*

## AMERICANS COMING TO AMERICARNA

In 2009 my wife Jet and I travelled to the USA to pick up a 2003 Z06 Corvette we had purchased in Tulsa Oklahoma. We made our way to Dallas Texas, where we had made contact with members of the Lone Star Corvette Club. On arrival they gave us accommodation and went out of their way to make us truly welcome. The club put on a whole days adventure for us. First it was a breakfast at a members garage, then on to a corvette collection owned by Tony Parella, the current President and CEO of the SVRA (Sportscar Vintage Racing Association). One Corvette of every year 1953 to 1982. Then lunch in Grapevine, the Fort Worth Stockyards, dinner and finally Billy Bobs Saloon.

Now we get the opportunity to return the hospitality to Linda and Terry Walker and Craig and Laura Satterfield. The two couples who were most helpful and accommodating to us are coming to New Zealand and we have 'insisted' that they join us at the Americarna celebrations. We'll even provide the Corvettes.

The Americarna team are excited to have these wonderful visitors joining in the festivities in New Zealand for Americarna 2019. The Corvette Car purchase turned into new friends being made and memorable holidays being booked. We welcome you to New Plymouth, Taranaki, and hope you enjoy our stay in New Zealand.

# A Trip to the Other Side of the World

(What can happen when you become involved in a NCM Corvette Caravan!)

by Linda & Terry Walker

In 2009 the NCM was in need of a Captain for the Central Texas Caravan. I don't know what I was thinking, but I volunteered. It is one of the most amazing events I have ever been involved in! It is also the reason I met and became good friends with Jet & Bob Larsen of New Zealand and Dave Schrapel of Australia. When folks say it's not all about the car – it's about the people you meet because of your passion for the Corvette this experience exemplifies that statement. I was waiting to say "Goodbye" to Stephanie Morrill at the conclusion of the event and there was this guy just yakking on and on with her. So I moved in a bit closer and caught a distinct international accent. That guy was Dave Schrapel from the Corvette Club of South Australia. Now he and I were yakking on and on and became fast friends and have stayed in touch ever since! At our wine tasting lot lizard party one evening Jet urged us to visit them in New Zealand in the future and I mentioned perhaps we could do so for our 50<sup>th</sup> Anniversary in 2019. Well, she is one persistent Kiwi. She never let me forget my promise. Of course we couldn't possibly go to New Zealand without also visiting our Aussie friends Dave Schrapel, and Kay & Rudy Rygucki.

## Australia –

We began in Melbourne, Australia taking in several of the highlights of this bustling city for a few days. Then we set out on our road trip to Adelaide, South Australia. OMG driving from the wrong side of the car (oops, opposite side) on the wrong side of the road and trying to navigate what seemed like a million roundabouts. We stopped in Mount Gambier for a day as I had read in the CCSA newsletter about a day trip they had made there and viewed the Blue Lake. It is beautiful! On the road again but it wasn't as bad in the open country between Mount Gambier and Adelaide. But, as we got closer to the city the roundabouts appeared in abundance again. By the time we reached the Ensenada Hotel (managed by another CCSA member, Pete McBride) we were totally stressed out. We got in touch with Dave and Sandra and they came to our rescue! From then on Dave was our tour guide/chauffeur extraordinaire.

The Club moved their monthly dinner up a week so we could meet them all. What a wonderful group of people. Rudy tried to coax Terry into ordering a kangaroo burger but Terry would have none of it – he stuck to his guns and ordered pizza! Boy did the jokes fly about that! Dave took us to the Barossa Valley and the Bethany Winery established by his grandparents and still in the family to this day. Of course we purchased a bottle or two to partake of later in the evening. Next on our itinerary was the Whispering Wall at the Barossa Reservoir. Because of its unique acoustic properties sounds spoken at one end can be heard clearly at the other end 140 meters away.

Saturday, Sandra, Kay & Rudy joined us and we went to Cleland National Park. We fed the Kangaroos, got up close with the Koalas, and went inside the Wombat enclosure with the park ranger.

Sunday was the CCSA Corvettes Rock the Bay event in Adelaide. They had perfect weather and a great turnout with about 100 Corvettes. Some converted to right-hand drive some not. Still can't figure out their system that determines if it has to be converted. Sunday evening, we relaxed at Dave and Sandra's home. He has an amazing "Man Cave" it even includes an underground hide-away. We broke open the wine and chilled. We really wished we could stay on a bit longer, but we had to depart the next day.

## New Zealand –

We arrived the week before AmeriCarna so we could tour the North Island beforehand. You can read all about that event in Craig & Laura Satterfield's article elsewhere in this newsletter.

One place that definitely must be on your bucket list while visiting is the Wai-O-Tapu geothermal area in Rotorua. There are boiling pools of mud, geysers, and thermal pools with amazing colors due to the minerals contained in them. Another must see near Napier on Hawke's Bay is the cliffs where the Gannet birds nest each year before the young fly non-stop from the North Island of NZ to Australia. It is on private property so the only access is by tour bus safari. Along the way to the other side of the island we stopped at Huka Falls. We figured since we honeymooned at Niagra Falls, why not visit another water-wonder on the other side of the world for our 50<sup>th</sup> anniversary? They're not very big, but boy are they powerful!

Finally we meet up with Jet & Bob Larsen and followed them to the home of Rowan Lee. Now mind you, we have never met Rowan or even spoken with him. He is a friend of Jet & Bob's and he has offered us (complete strangers) the use of his 2004 white C5 for AmeriCarna! Kiwis are the most wonderful, kind, generous people you will ever meet. Of course like all Corvette folks we hit it off instantly. After our short visit with Rowan, we return the rental car and move on to Jet & Bob's house in Levin. Jet would not hear of us staying in a hotel so we accepted their gracious generosity and spent several days as their guests. Though we are miles apart we feel they and the Aussies are our closest friends.

## SWOCC Weekend

March 22 -24, 2019

By Jeremy Welborne

The SWOCC is grateful to the LSCC members that attended our 4th Annual SWOCC Corvette Weekend! We had 91 Corvettes registered and 20 Corvette clubs represented! Congrats to all of the award winners and to the Lone Star Corvette Club for winning the Club Challenge Award of \$300 with 23 Corvettes registered, and to the Central Oklahoma Corvette Club for winning the runner up award of \$200 with 9 Corvettes registered! We raised a whole of of money for the Lawton Food Bank and Lawton/Fort Sill Boys and Girls Club and can't thank each and every attendee for helping us make a difference in the lives of so many people in our area. Hope to see even more LSCC members next year!

THANK YOU ONE AND ALL!

We also won for the show and shine and so did a lot of Lone Star people. Our club won \$300.00 for most cars at the show. We had 23 cars. It rained in the morning but cleared up and ended up being over 70 degrees and a beautiful day. - Elaine Blend

# SWOCC Weekend Trip

March 22 – 24, 2019

Gary Blend – Coordinator

This is the fourth year for the Southwest Oklahoma Corvette Club car show in Lawton Oklahoma. We had a total of 23 cars entered in the show of which 9 of them were members of the caravan.

The LSCC caravan started out at a meeting point at highway 380 and highway 35 and then headed to Wichita Falls to grab lunch at the Branding Iron Barbeque Restaurant where we picked up another two cars. If you are ever in Wichita Falls, you should try and eat there. They have really great barbeque. After lunch we headed straight to Lawton Oklahoma to get settled in.

Friday was sunny and warm, just great for the dinner and the Top 25 Awards car show at McKenzie's Burger Garage. The cars were voted on by the Mayor and City Manager of Lawton. A good time was had by all, plus some of our members won awards. Unfortunately, since I'm a first time Coordinator I didn't know I was supposed to write down the winners' names. I'll know for next year.

Saturday, we had some rain early in the morning but everything was dry by 10:00 am so we could stage our cars and clean them all over again for the official start of the show at noon. With the great turnout, there was cool music and door prizes were given out throughout the day! Also an extensive silent auction ran throughout the day with lots of great items and a 50/50 pot grew rapidly throughout the day!

Saturday night was the dinner and Awards Banquet at the Apache Casino with guest speakers from the National Corvette Museum, which was informative and hilarious!! We even enjoyed a surprise duet by Bobby Jo from the National Corvette Museum and Jeremy Welborn, coordinator of this show.

Our Club won the Club Participation Award with a total of 23 cars, (last year we had 9 cars) plus our club members won 11 Luster Awards (Show-N-Shine), three Sponsor Awards, four Judged Awards, and the Grand Champion Best of Show award. All of the winners are listed below. If I missed anyone please let me know.

Sunday's activities included a drive to the Holy City in the Wildlife Refuge, Sunday Services in the Holy City Chapel, the Poker Run, and lunch at the Old Plantation Restaurant in Medicine Park where the Poker Run awards were given out.

It was a great trip and we enjoyed seeing friends from other clubs. One participant drove 1,358 miles from Virginia to be there! The SWOCC members were great hosts! I hope next year we can exceed the 23 cars we had this year. I want to thank everyone who attended this event whether you were in the caravan or if you drove to the show on your own. A special thanks to Phil and Kristina Davies and Ken Smith for all your help.

## MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club

Location: LG Motorsports- Anna, TX

Date: March 2, 2019

The Business Meeting of the Lone Star Corvette Club was called to order at 11:30 AM.

The 2019 Officers were introduced:

John Raiden, President

Ellie Mendez, Vice President

Rita Hazen, Membership Officer

Carolyn Elmore, Financial Officer

Janet Glowicz, Newsletter Officer

Ken Burks, Recreational Events

Carolyn Atkins, Treasurer

David Orrick, Competitive Events Officer

John Main, Technical Officer

Ralph Teehee, 2019 Classic Officer

Linda Shellberg, Public Relations Manager

Robert Shellberg, Classic Chevy Liaison

Johnny Downs, NCM Ambassador

Absent:

Norm Glowicz, Recording Secretary

Janet Glowicz, Newsletter Officer recorded the Minutes. She requested a motion to approve the February, 2019 Business Meeting minutes as published in the February, 2019 Newsletter. A motion was made, seconded and approved without discussion.

Rita Hazen, Membership Officer, reported that as of February 28, 2019, LSCC has 1,200 members and 463 memberships. A motion was made, seconded and approved without discussion to accept all the new members listed in the February 2019 Newsletter.

Carolyn Elmore, Financial Officer reported on the

checking and savings account balances. A motion was made, seconded and approved to accept her report without discussion.

John Raiden thanked LG Motorsports for hosting our meeting. He appreciated those who drove their corvettes to the meeting in cold wet weather. Lou Gigliotti will be providing sponsored rides at the Corvette Classic. Lou has turned operations of the motorsports company to new owners and is working very hard to get the track at his facility built. It is anticipated that it will be complete in about 2 years.

John Raiden noted that our Club has been recognized by the National Corvette Museum for several aspects. Star City Club in Roanoke, Virginia and Sam Houston Club in the Woodlands TX have asked for advice to refine their websites.

Members with March birthdays, including others, Norm Glowicz and Robert Shellberg, were recognized. Members were celebrated with delicious birthday cake.

The meeting was adjourned at 12:43 PM.

Submitted by Janet Glowicz, Newsletter Editor, in lieu of Norman Glowicz, Recording Secretary.

## 1974 Corvette 454 LS-6 425 HP -

This car is truly a stunning example when seen in person. I am not a dealer, just the owner for the past 43 years.

- Complete restoration over the past 10 years
- Beautiful show quality paint.
- Complete new interior with new leather upholstery on seats, door panels, dash and new carpet throughout.
- New door, window and glass seals throughout.
- Should also be noted that all side windows and the windshield were all replaced with new glass.
- Installed the Eckler's Monza Fast Back kit with custom rear window louvers that can be easily removed or installed as desired (5 Min)..
- All of the body work was performed by a professional body shop. It should be noted that this mod makes for increased interior space.
- The original factory Cold Air Induction hood.
- Installed the LS-6 to liven the car up from the original smog motor. De-tuned the LS-6 down to 425 HP to make it very drivable for the street.
- Also note that the motor was blueprinted and balanced. Rear wheel dyno numbers were 425HP and 475 Ft-Lbs of torque (documented).
- Dual custom exhaust with the rectangular dual outlets on each side.
- Glass T-Tops.
- Wire wheels (excellent condition with no road rash).
- Power steering.
- Power windows..
- Power disc brakes.
- Automatic Transmission.
- AM/FM/CD Radio with 12 Disc changer.
- Updated air conditioning utilizing R134.
- New tires, less than 300 miles.
- All lights, turn signals, stop lights work as they should.
- All instruments work as they should.
- Car runs and drives excellent with great performance.
- Ready to be shown at the local shows, taken on local cruises or driving cross country: it can do it all.
- All numbers match except the motor.
- You won't find a nicer example anywhere.

Asking : \$34,950.00 OBO

I will also consider a partial trade.
