## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

Thanks to all who attended our July Club meeting at Old Texas Brewing in Burleson, which was a new location for us and a little outside of our normal sites. We apologize for the quality of the PA system, but we opted to use their system. It was OK when checked, it wasn't so good after we filled up the place. As we have noted before, finding suitable meeting sights across the Metroplex continues to be a problem so if you have a favorite restaurant that might accommodate one of our meetings, please let Ellie or I know.

The July meeting was our 1<sup>st</sup> opportunity for Club Officer nominations and I was disappointed that we did not get at least one nominee for all our positions and almost half did not get any nomination. Additional nominations will be taken at the August meeting and we need to fill the following positions; Financial Officer, Recording Secretary, Newsletter Editor, Competitive Events Officer and Classic Officer for 2021. This is your club and we need our members to take an active role in its management, please consider getting involved, volunteer your talents and consider running for one of our officer positions.

Did you see the C8 introduction? Like what you saw and want a closer look? The Thompson Group/Classic Chevrolet was chosen as one of 125 Chevrolet dealers in the country to host a C8 introductory tour; mark your calendar for October 26 for the C8 Tour date. We will be moving our October meeting to the 26<sup>th</sup> as well at the request of Ken Thompson. If you are thinking about getting in line for a new C8 give the Thompson Group/Classic Chevrolet a call as they received an allocation of 64 for the 1<sup>st</sup> 3 months and 197 for the remaining 9 months of production or 261 C8 Corvettes for the year. Their phone number in Grapevine is 817-410-1560. Please support The Thompson Group as they are supporting LSCC?

Continue checking the website as day trips and local car shows pop up and will be posted as we become aware of the activity. Since we are moving the October Club meeting date, we will coordinate a trip to Granbury on the 12<sup>th</sup> for the Brazos River Corvette Club car show.

**Reminder:** Additional nominations for Club Officers will be taken at the August Club meeting. All positions are open for nominations.

**Thanks to our sponsor – The Thompson Group at**

***“Good Friends, Great Cars”***

Did anyone happen to see the C8 Live Reveal on July 18<sup>th</sup>? The new mid-engine body style has been completely redesigned and has many nice features that I really liked. 495 horsepower, dual clutch transmission, door handles, hatch and hood release are hidden and the engine is visible through a rear hatch window. Very nice!!! Not to mention, there are 12 colors to choose from..... My favorite is Rapid Blue, what's yours?

As August begins, I find myself counting the days until the National Corvette Museum (NCM) Caravan and 25<sup>th</sup> Anniversary Celebration. This will be the first time that I attend this caravan and I am looking forward to it. One week of hanging out with good friends, sightseeing, and fun filled activities planned sounds good to me!

Thank you again to everyone who attended last month's meeting at Old Texas Brewing Co. This was a new venue and we were glad to see such a great turnout. Jamie and her staff were great!

Officer Nominations for 2020 are taking place now! If you or someone you know that may be interested and has questions, please contact a current officer. This is your time to step forward and share your ideas and/or opinions. As a reminder, you will be able to shadow the current officer for a few months, before taking office in January.

Next month our meeting will be August 10<sup>th</sup> at Cooper's Old Time Pit BBQ in the Fort Worth Stockyards. If you have not been there before, join us as this restaurant gives you the opportunity to experience of ordering your meats right off the pit. You are welcomed to check out their menu ahead of time at <http://coopersbbqfortworth.com/>.

Please note that the date for October's club meeting at the Thompson Group has been changed to October 26<sup>th</sup>. The meeting is to accommodate the Corvette C8 Introduction Tour coming to Classic Chevrolet.

I am still looking for venues on the east side of town – Dallas/Plano/Garland area. If you know of a venue that may be able to accommodate us for a future meeting, please let me know. We are always open to suggestions and I will be happy to follow up and see if the venue will host us.

**Thank you to the Thompson Group for being our sponsor.**

**NCM News**NCM Membership Anniversaries

There will be a ceremony at the NCM during the 25<sup>th</sup> Anniversary Celebration the last week of this month. It will be to honor those reaching milestone anniversaries of 10, 15, 20 and 25 years as Museum members.

LSCC will have four members reaching various milestones. Congratulations to:

Rick and Virginia Herrick – 10 years  
John and Rebecca Raiden – 10 years  
Alton and Susan Dobbins – 20 years  
Linda Ullom – 20 years  
Lon and Anne Helton – 25 years

Elfi's Silver Pearl Sisterhood

Amy Hardin began employment at the NCM as Development and Sponsorship Manager just days before the 24<sup>th</sup> Anniversary Celebration in August of last year. At the Anniversary event she was surprised to see how many women were in attendance and fully engaged in the seminars! That got her thinking...there should be a women's giving society at the Museum. From that, the Elfi's Silver Pearl Sisterhood was born.

At the Bash event in April Amy presented her idea at a seminar. From that, 25 women became Founding Members. Of that group an astounding six are members of LSCC! They are:

Andrea Johnson  
Anne Helton  
Edie Downs  
Carolyn Atkins  
Frannie Weidemier  
Virginia Herrick

So, who is Elfi's Silver Pearl Sisterhood? It is a group of women with a shared passion for Corvette, who enjoy celebrating the Corvette experience, uniting with other Corvette enthusiasts, promoting the traditions of America's Sports Car, and collaborating to advance the mission of the National Corvette Museum. Members pool their financial gifts and allocate the funds to a project or program at the Museum to maximize the impact of their philanthropy. Each member of the group has a unique opportunity to be connected to other women who are enthusiastic about all things Corvette, and to learn about the Museum's priorities and initiatives in a group setting specifically geared toward women. Members have an equal voice on how the pooled funds are utilized annually. A member may be as involved as she wishes, from serving as an ambassador to simply making a financial gift.

Why the name, Elfi's Silver Pearl Sisterhood? Elfi Wolfe Duntov is considered the Godmother and First Lady of Corvette! She would often accompany Zora to car shows and special events, and everyone who met her was immediately impressed with her grace, enthusiasm, and knowledge of America's Sports Car. She attended the grand opening of the National Corvette Museum and plays a pivotal role in the

story of the Corvette. It is an honor to attach her name to this new society; to continue her legacy of philanthropy among like-minded women in the Corvette family.

In 1965, Corvette introduced a new and exciting color...Silver Pearl. It was sleek, elegant, and powerful...much like the women who love Corvette!

Pearls symbolize wisdom acquired through experience, as well as generosity, integrity, and loyalty. While pearls make the perfect complement to flashier gemstones, they also possess an elegance that can shine alone!

Elfi's Silver Pearl Sisterhood is a women-driven organization that will allow like-minded women to share their love of America's Sports Car while furthering the mission of the National Corvette Museum. Much like a pearl, each member of this society shines on her own, but together they complement each other beautifully and make an impactful statement.

Who can join? Any enthusiast, owner, member, or friend who wishes to connect to other female Corvette lovers and advance Museum priorities through philanthropic engagement and a collective voice may become a member.

How does it work? Each member commits to a gift of \$1,000 per year (paid by August 1, annually). All donations are deposited into a restricted fund. The full membership of the group will meet at the NCM Anniversary Celebration each year and will vote on distribution of the funds. Each member has one vote.

How are funds awarded? The full membership of Elfi's Silver Pearl Sisterhood votes on distribution of the funds. The amount of money available for distribution is dependent upon the number of members and can vary each year.

If you have any questions about the Sisterhood, any of the Founding Members listed would be glad to get answers for you. Or, you can contact Amy Harden directly at [amyh@corvettemuseum.org](mailto:amyh@corvettemuseum.org).

#### Conservation of 1979 Experimental Corvette Underway

Last month the one headline in the NCM News concerned the oldest surviving 1953 Corvette chassis. This month we have news about an experimental 1979.

Both of these projects are funded in part by the donations received from the LSCC Classic auctions. These donations have helped Derek Moore, Museum Curator, ramp up historically significant projects.

The 1979 Corvette has an experimental chassis that was utilized to develop the engineering changes coming in 1980 and 1981 to the third-generation of Corvette. This Corvette's chassis was modified by A.O. Smith to accept different body mount locations and to utilize the aluminum rear differential housing and carrier introduced in 1980, used to lighten the Corvette.

The interior of this Corvette is also unique with several experimental components, including a power driver's seat that became available in Corvettes in 1981, and an experimental center console gauge cluster.

After the Corvette's life as an engineering development car, it was shipped to Bowling Green, KY to test the recently installed assembly line at the new Corvette assembly plant. This Corvette was photographed as it was lowered to the ground at the end of the line, and was featured on the cover of the June 1981 issue of Corvette News. This car, along with others that had been sent down for early assembly line testing, was also used to teach prospective new hires from the Bowling Green area how to assemble a Corvette, should they gain employment at the assembly plant.

The 1979 Engineering Development Corvette was acquired by the Museum in 2018 and, although disassembled, remains in mostly original condition. The National Corvette Museum Preservation Department is performing conservation treatments to the vehicle to preserve its original finishes and will then reassemble the Corvette for exhibit here at the Museum. The treatments being performed include cleaning the vehicle, stabilizing corrosion issues, and applying coatings to the vehicle's surfaces to protect it from future degradation.

Visitors to the Museum are invited to watch our team preserve this unique Corvette and save this portion of Corvette history for future visitors to learn from.

While on the subject of increasing the Museum's efforts in the area of preservation of significant cars in Corvette's history, we have a real fan in the NCM's new President & CEO, Dr. Sean Preston.

He said, "I'm excited to look at the museum and the exhibits from an outsider's lens and partner with the team to create new and exciting exhibits. I also think it's important that we focus on preservation of the collection. We want to expand the membership base, welcome a new generation of Corvette enthusiasts and become one of the most attended and supported car museums in the world."

For information on the caravan this month, raffle tickets, memberships or anything NCM, contact Johnny Downs, 214/384-8565, 903/564-3069 or ediewoww@aol.com.

**Membership** in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit [www.ncrs.org](http://www.ncrs.org) for the complete show for judging schedule and a list of available hotels in the area.

### Scheduled NCRS Events for 2019

Northern Calif Regional - Sep 19 - 21

Lake Tahoe, CA

Lone Star Regional - Oct 24 - 26

Embassy Suites Hotel & Convention Center  
Frisco, TX.

The next event for the DFW area, and also for Texas, will be the Lone Star Regional in Frisco. This event will be held at the Embassy Suites Complex in Frisco, October 24 - 26, 2019.

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](http://ncrstx.org).

**Autocross** is held at Brookhaven College and the next one will be July 20th. We use a parking lot at the college so speeds are obviously slower than other forms of racing, but the activity level per minute can be higher than even Formula One due to the large number of elements which are packed into each course. The requested donation is **\$15 per car**. Helmets are required and loaners are always available.

**Drag Racing** is on summer break for now. The Fall racing season will start up again in September. The tracks are only 1/8 or 1/4 mile long, about the same distance as when you merge onto a freeway. Annual point standings are partially based on participation, so everybody that comes out to participate helps. Don't worry if you've never done it before, there will be plenty of folks willing to help. Contact Martha Kaus if you have any questions.

**Open Road Racers**, the next race will be the Sandhills Open Road Challenge, which is a 55-mile rally style open road race through the scenic Nebraska Sandhills on August 7<sup>th</sup> - 10<sup>th</sup>. Contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com) for further information. This is not the only open road race that the group goes to during the year. Please check the web site for other events and times.

Rally, the club does not sponsor rallies at this time but I will let you know about the SCCA group that holds rallies. Their next rally will be the "DFW Map Rally" on Saturday, Aug. 24<sup>th</sup>. They offer the popular GTA (Games, Tours, Adventures) rally, often known as the "gimmick rally". Speed is not a factor in these events. The teams are given a set of route instructions which tell them where to go so that all teams follow the same path to the ending point of the rally. Watch (<http://www.texasscca.org/rallytime>) for more information on this event.

For High Performance Driving Education (often known as "Tracking your car"), please contact Mike Krieger. This is **NOT RACING**, this is legally driving at speed in a very controlled environment. High performance driving education will help you in your everyday driving and on the next spirited drive you take. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#). As always, watch the club web site for updates and new listings.

# National Corvette Museum 25th Caravan

August 27 to September 1, 2019

[Curt Troster](#) - Coordinator

**2019 National Corvette Caravan and  
National Corvette Museum's  
25<sup>th</sup> Anniversary Celebration**

We are only about 2 months from the 2019 National Corvette Caravan and the NCM 25<sup>th</sup> Anniversary Celebration. Hopefully you have your room reservations for Little Rock and Bowling Green. If not you can go to the National Corvette Museum website or the [Corvettecaravan.com](http://Corvettecaravan.com) website for some more lodging alternatives.

If you are registered with LSCC you should have received an email with a spread sheet attached for you to update your information such as phone #s, email and other info. Please note there are two locations we will be leaving from on Tue. Morning Aug27th. TMS and Corvette World We will have no police support leaving TMS and will have all the cars from San Antonio and New Mexico/AZ caravans there so we are asking for as many LSCC cars as possible to stage at Corvette World. You will leave from there and join the rest of us as we go by on the Bush Tollway and I35. The bourbon tour will be back in Bowling Green by the pasta dinner Sat, night and we will be visiting 2 Distilleries. Please complete this as soon as possible as we are using this to get together groups for the caravan.

You can also go to the S.TX caravan website for other things such as Caravan t-shirts. I will have flags and clings and Toolbox raffle tickets available for sale at the Aug. club meeting where I will also be hopefully be handing out your credentials as well as your caravan goody bags. Please try and attend this meeting as I will not have the time or room to get all this to you the day the caravan leaves. There will be lots more information in your route book you will receive in your goody bag. If you have any questions contact me Curt Troster at [Curtis.troster@xerox.com](mailto:Curtis.troster@xerox.com) and I will do my best to answer them. ## **VOLUNTEER OPPORTUNITY**

September 4th - September 7th

LSCC has been asked once again to work the Mecum Auction at the Kay Bailey Hutchinson Convention Center. If you enjoy looking at and driving classic cars, this is the event for you! Ask anyone who has worked any of the previous Mecum events and you will be sure to hear what a "BLAST" it was - especially if they got the chance to drive a car across the block while the auction was being broadcast on the NBCSN channel. Mecum pays the club for each car it moves at the auction. This event is a major fund raiser for our club.

# 2019 NCM National Parks Tour

[Mike Krieger](#) - Coordinator

This year, because of the 25<sup>th</sup> Annual Caravan to the National Corvette Museum, the NCM has cut way back on the number of Museum in Motion Tours from 20+ to only 7 or so. You might have noticed in this month's "America's Sports Car" that the National Parks Tour is listed on the calendar of events as **"Tentative" for the end of September**. If you are not one of the 30 or so LSCC members that have already joined me on one of the past 4 tours, this could very well be your last chance. If you are at all interested in attending one of the best MiM tours ever, you should drop an email to the NCM Events Manager, [bryce@corvettemuseum.org](mailto:bryce@corvettemuseum.org) and ask to be put "on the short list" for the National Parks Tour (make sure you note that you are an LSCC member). **No Payment Will Be Necessary** until Bryce has enough requests to make the trip fly....then at that time you will be contacted to see if you are still interested and if you are, you will need to make a payment.

For those who haven't spoken to someone who attended one of the past tours, or remember reading one of the past articles, ([CLICK HERE](#) for Oct 2018 Newsletter, see pages 27-35) here is what the trip is all about; it starts in Williams AZ on Sunday where we have our meet and greet dinner. On Monday morning, we head for the Grand Canyon for sightseeing and then onto the Navajo Bridge before moving into our hotel room for 3 nights in Kanab, UT. Tuesday we spend the day in Zion National Park followed by Wednesday at Bryce Canyon National Park. Thursday is a travel day with stops at Glen Canyon Dam, lunch & tour at Monument Valley before finishing at our hotel in Moab, UT for two more nights. Friday morning we visit Arches National Park, have a group lunch in Moab and finish the day off with a Sunset tour of Canyonlands National Park. Saturday morning it's all over and we head off for new adventures. Hotel rooms, 4 group meals, tour of Monument Valley, and tour guide for the week are included in the cost of the trip.

Bryce is only blocking 20 rooms for this trip; we have averaged 50 cars per year for the past two years so don't put this off....you may miss the boat.

## NEWS FLASH!!

The NCM has a cancellation for the National Parks Trip for the week of Sept 22 -28th and they are giving LSCC first dibs on the slot. Trip information can be found here: <https://www.corvettemuseum.org/explore/events/>. The person to contact for this last remaining spot is Maci Hensley [maci@corvettemuseum.org](mailto:maci@corvettemuseum.org) or call during business hours (270-467-8804). Make sure you identify yourself as a LSCC member.

# North Texas Corvette Roundup

[Johnny Downs](#) - Coordinator

September 20 – 21, 2019

For over 30 years LSCC members put the trip to the Roundup in Wichita Falls at the top of their “must do” list. The show ceased to exist after 2011 but has been back in force for the last three years. The folks at WCCA have seen to it that great fun has been had by all. As evidence LSCC has had over 30 cars at the show three years running.

If you have not been with us to a Corvette show, this is the perfect place to start. It is barely over 100 miles to the show. So, join us and caravan on Friday, come on your own Friday evening or Saturday morning. You can easily make it before the show opens.

One of the greatest things about the show is that the entire event is held at the Holiday Inn. You never have to leave the property.

A Friday night “feed” and social activities at the convention center kick off the show weekend. The awards dinner and auction will also be held there Saturday night. The car show will fill the day Saturday with food trucks on premises to satisfy your hunger and thirst.

Tentatively, we will have three caravan assembly points on Friday. The first two will depart at 2:00 p.m. One will leave the TMS parking lot just south of the south Tunnel and Speedway Club. The second will meet at the Shell station on the north side of US 28 in Lindsay, about four miles west of I-35. A third group will assemble at the roadside park just north of Decatur on US287. There they will join the group from TMS as they come by about 2:30. All three groups will then combine at the Jolly Truck Stop, just outside Wichita Falls, to caravan to the hotel.

The hotel always fills to capacity, so it is imperative to make a reservation now at the

# 29<sup>th</sup> Annual Eureka Springs Corvette Weekend October 3-6, 2019

Calling all LSCC Club members to join us for our annual trek to the idyllic setting of Eureka Springs, Arkansas for numerous fun events, local sites to explore including wonderful eateries and shopping and gorgeous scenic drives nearby. Oh ya, and there's a wonderful Corvette show to attend as well...located in a quaint shopping center.

Who knows we may win the Club participation award again but that'll take loads of y'all to sign up for this great trip as the Tulsa Corvette clubs typically come out in droves. Here is what I need you to do as a LSCC member. Go the LSCC web page and sign-in as a member, then go to the LSCC calendar and register there for this October event. You will see all the hotel information there; I will be emailing everyone later about further trip details. You will register separately for the Eureka Springs Corvette Weekend on this website: <http://eurekaspringscorvette.org/> but please mention you're part of the Lone Star Corvette Club (LSCC) when you register.

Out of all the event LSCC attends, this one is probably the most unique. Unique in the sense, seven Corvette Clubs come together and club members put on the four day event. Here is a list of the clubs and the events they provide 1) Central Arkansas Corvette Club (Rides for Kids); (2) Kansas City Corvette Assoc. (Show & Blindman Autocross); (3) Lone Star Corvette Club (Poker Run); (4) Northwest Arkansas Corvette Club (Parade of Champions); (5) Tulsa Vette Set (Fuel Economy Run); (6) Air Capital Corvette Club (Nursing Home Private Show); and (7) Razorback Corvette Club (Registration).

Our Club has taken responsibility for the poker run at this event for yearrrs. Our Club members volunteer to run the event once we get there, but **we need an overall coordinator who works with local folks to choose the poker run route, coordinate the minimal supplies needed (like decks of cards), order the awards and get**

**them distributed to the winners once the poker run is over. Please consider volunteering for this critical role. It is a key way to give back to both Lone Star Corvette Club and the Eureka Springs Corvette Weekend event!!** Please contact John Raiden, LSCC Club President, if you're interested.

We'll leave on Thursday, October 3rd, and drive mostly on divided highways until lunch and take the scenic Pig Trail Byway through the Boston Mountains to Eureka Springs.

Those caravanning will gather and leave from the Oklahoma welcome Center and head for Salisaw for lunch. After lunch, we'll head for the Pig Trail which most of us know as a delightful curvy road made for Corvettes or you can head straight to Eureka Springs on a less challenging route.

If this will be first time for you, there are lot of things to check out in the well preserved town of Eureka Springs set in the Ozark Mountains of northwest Arkansas. A trolley is available from most hotels to take you off for wonderful day of shopping and investigating all the historical gems of this idyllic town. A short drive out of town will take you to Thorncrown Chapel or the suspended bridge or War Eagle Grist Mill.

If shopping and eating is not your thing, then let's check out the fuel economy run. The fuel economy run is on Saturday morning navigates about 80 miles of scenic country roads; you compete with others in your class for the best fuel economy. You say you do not want to compete. No problem, follow the route instructions and enjoy the sights, sounds and the smells of the countryside. So what are you waiting for...Sign up today!

### **"14<sup>th</sup> Annual Corvette Show."**

#### **SAVE THE DATE**

The Brazos River Corvette Club (BRCC) is having their 14th Annual Corvette Show, to be held on October 12th, 2019 located on Granbury's historic square. Our car show is exclusively for Corvettes from C1 through C7.

This year's proceeds from the car show will go to the BRCC's primary charity, People Helping People.

Gates open at 7:30 am. Judging starts at 11:00 AM. There is an early entry fee of \$30.00. \$40.00 per entry after September 11th, 2019. There will be a special drawing for early entries.

Once again there will be an Oktoberfest going on at the same time and it will be located West of our car show. We will have our silent auction and 50/50 tickets set up during the show as in previous years. Our 50/50 tickets will have multiple chances to win one of our fabulous prizes.

We will have 2 Best of Show winners this year: C1 through C4, and C5 through C7. Over 50 trophies will be awarded along with bottled wine.

Hope to see you at the show making this the best BRCC Corvettes On The Square Car Show.

# 2019 Corvettes on the Plaza – Sulphur Springs TX

October 26 -26, 2019

[Bob Paton](#) - Coordinator

Now is the time to make plans to attend the 2019 Sulphur Springs Corvette Show. A terrific way to wind down the show season, with many beautiful Corvettes, plenty of restaurants and shopping opportunities near the Plaza to choose from, plus the host Corvette Club puts on an outstanding show. There is a new host hotel, the Clarion Point Hotel, 411 East Industrial Dr E, Sulphur Springs (Exit 125 then Make a U-turn under I-30). The Clarion Point will hold a welcome reception on Friday Oct 25<sup>th</sup> from 5:00 pm to 6:30 pm with complementary beer and wine. They also offer a complimentary breakfast and have a full bar in Chasers Lounge. Call 903-885-6851 to make your reservation for Friday night. They are offering special rates for show attendees. Other hotels you may consider are the LaQuinta Inn 903-885-8181 or the Hampton Inn 903-439-4646.

Of course, you can drive to Sulphur Springs on Saturday morning and register for the show. It is an easy drive from DFW to Exit 124, South Broadway St. The gates open at 7:00 am and registration starts at 7:30 am. The cost to register for the show is just \$40.00. Judging starts as soon as your registration card is placed on your dash. The awards ceremony starts at 1:30 pm with awards going to the top 50 Corvettes. There are also cash prizes to be awarded and a 50/50 drawing. If you have never been to this show, be sure to check out the glass bathrooms on the Plaza.

Register on the LSCC website so we will know how many LSCC member Corvettes will attend. Registration for the show will take place on the Plaza Saturday morning.

## 2020 Officer Elections this September

Bylaw changes passed this year will mean the 2020 Officer Elections will be held during September's LSCC business meeting. Nominations will be accepted starting in July and continuing into August. The change was to allow the newly-elected Officers more time to learn their job through mentoring with the outgoing Officers. A listing of the Officer positions can be found [here](#). All Officer positions are up for election.

### PASSED

**The proposed amendment to Section B.2 is:** "Officers will be nominated in **July** and **August**, voted on in **September**, and installed into office in January (except the Classic Officer-elect), and will serve for one calendar year. Any office that is not decided by majority vote in a secret ballot will be decided by a majority vote of the voting membership that is present at the September business meeting."

**Article VIII, Section D.** would be amended to read " Nominations for officers will be made from the floor by the membership at the **July** and **August** business meetings, or in writing to an officer prior to the **August** business meeting."

## NATIONAL CORVETTE MUSEUM NEW PRESIDENT & CEO ANNOUNCED

Dr. Sean Preston to Join Museum Team  
By National Corvette Museum

The National Corvette Museum Board of Directors has selected Dr. Sean Preston to serve as President and CEO of the National Corvette Museum. Dr. Preston joins the NCM, effective July 1, from Portland, OR where he served as President of a non-profit independent school. He succeeds 23-year NCM CEO/Executive Director Wendell Strode, who announced his retirement May 2018.

"When Wendell announced his retirement, we knew it was a huge drivers' seat to fill," said NCM Board and Search Committee Chair Lon Helton. "The NCM Search Committee teamed with Chicago-based Kittleman & Associates to conduct a thorough nationwide search to find the best possible candidates – and there were many. Sean possesses the leadership skills, diverse qualities, relationships and unique skill sets necessary to collaborate with NCM Board of Directors to expand the mission and strategic objective of the NCM while being mindful of the unique legacy and spirit of the organization. His skills as an innovative leader are proven and we look forward to the NCM's next chapter with Sean leading the way for the staff, management, volunteers and members. The icing on the cake: Sean is a car guy with a 1954 Corvette and 1972 Corvette in his collection!"

Though his move to Kentucky is more than 2,300 miles from his current home, Dr. Preston is truly a southerner, having lived in Atlanta for most of his life.

"The National Corvette Museum is a one-of-a-kind organization. There are thousands of museums across the globe, but none other dedicated to Corvette," said Sean. "I'm head over heels in love with all things car-related, and specifically Corvette. It is an honor to have been named President and CEO."

With 12-years of experience as a non-profit president, Dr. Preston is looking forward to putting his repertoire to good use. The academic nature of the Museum, and infinite possibilities with exhibits were a major factor that attracted Sean to the position. "I'm excited to look at the Museum and the exhibits from an outsider's lens and partner with the team to create new and exciting exhibits. I also think it's important that we focus on preservation of the collection. We want to expand the membership base, welcome a new generation of Corvette enthusiasts and become one of the most attended and supported car museums in the world."

Dr. Sean Preston

Dr. Preston will assume full CEO duties on July 1 and Strode will remain with the Museum through January 3, 2020.

Since 1953 the Corvette has been America's Sports Car. The National Corvette Museum was established as a 501(c)3 not-for-profit foundation with a mission of celebrating the invention of the Corvette; preserving its past, present and future; and educating the public about Corvette. The Museum is open daily from 8 a.m. to 5 p.m. CT and is located at exit 28 off I-65 in Bowling Green, KY. For more information visit [corvettemuseum.org](http://corvettemuseum.org) or call (800) 53-VETTE (83883).

## The C8 Has Arrived!

by Jeremy Welborn, LSCC Member

I posted the photos of the car on the LSCC Facebook page, but here are a couple of photos of myself at the festivities.

The first is of myself and John Elegant, founder of MidEngineCorvetteForum.com as we await the reveal from the center of the third row. I was the first person in the building when the large hangar doors opened. The first two rows of seating were reserved for VIPs. Ed Welburn was sitting in front of me and laughed when I told him I was Jeremy Welborn, but I just spell our last name wrong.

The second photo is of Ken Berg, Mike Furman, and myself, when Ken and I met Mike at the Monarch Beach Resort to receive our Reveal Passes. The Elite Dealership leaders stayed at this resort.

FOR MORE INFORMATION ABOUT OUR SHOP

Corvette ownership is a MANDATORY requirement for membership in BBV. Bad Boy Vettes (BBV) was started like many other groups or communities. A shared interest in the Corvette, friendship, and giving back to the community through charitable causes.

- Although the name suggests men only, that is far from true. The group is open to women and men. This group is inclusive, not exclusive.

- Keep the content about Corvettes. We know you have other cars, motorcycles, boats and toys. If you post a picture that has your Corvette and some other toy, no problem. If you are posting a picture of a toy but there is no visible Corvette, your content will be removed.

- The content here is family friendly. We want the content to be conservative in nature. Any content that is questionable will likely be removed. Use your common sense, please. We know in the summer everyone is running around in flips, bathing suits, etc. Please keep it clean. Politics and other drama have no place here.

- The Bad Boy Vettes name is trademarked (tm). All rights reserved. Any use of the name must be approved by James Williams.

- On the subject of racing, we will remove all content associated with racing on the street. We don't condone that. Track racing is different. Although track racing can be dangerous, we simply don't condone racing or poor driving on public roadways.

- Abusive language and behavior will not be tolerated. We want facebook and our events to be fun. If you get ugly with someone, the content will be removed and you'll likely be removed from the group. We kid around a lot here and push the envelope on occasion, but we want this to be fun. We'll try to stay in control if you will too.

- BBV swag is on display and for sale at [www.bbvcustoms.com](http://www.bbvcustoms.com)

- You may see promotions here on BBV swag items. You may also see ads from approved vendors. No other selling is permitted on Bad Boy Vettes (BBV).

## Chrome ZR1 Replica Wheels -

Two 11"X 17" Chrome ZR1 Replica Wheels for sale ...or.....I would be happy to trade the two wheels for two Chrome ZR1 9 1/2"X 17" wheels of roughly equal value. They are currently on a 1996 Base Convertible. Mine are obviously used but on a scale of 1 to 10, I'd say a solid 8. (Mine are with or without tires considered either way....yours considered either with or without tires)

Asking: \$120.00 ea. OBO or Trade

## 2008 Machine Silver Z51 -

I unfortunately need to sell my 2008 Machine Silver Z51 C6 with only 9000 miles and would like to find a new owner who would take care of it. I ordered our LS3 C6 from the factory where we took delivery. It has an aftermarket full leather interior (black - same leather as used by Ferrari), 6-piston Wilwood calipers/rotors on all four wheels, NPP exhaust and Bilstein shocks. It also has a beautiful ZR1 hood painted by Stuarts in Dallas.

Bought it when I turned 60 as a retirement gift and never used it due to all of the local road construction (and was later transferred to Houston for 4 years). It has always been garaged and covered. Kenwood navigation, new battery and new Michelin tires. There are not many C6s this in this condition. Thought I would try the clubs first. Car is located in Colleyville. Thanks

Please see the enclosed pictures. The finish is absolutely perfect and you can see reflections in the hood from the walls and ceiling.

Miles: 9,000 miles.

Asking: \$29,500.00
