Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden
President

Rebecca and I wish you and your family a very Merry Christmas and wonderful holiday season. Hopefully you are planning on attending the annual Christmas Party at the Speedway Club on the Dec. 7th and will be able to join us at Corvette World that morning for their Annual Texas Strong Dallas Toy Run in support of Toys for Tots. A busy day but a fun way to kick off the holiday season.

A special thank you to all who participated in the Dallas Veterans Day Parade! The weather turned on us just as the parade began, but we persevered and in typical military fashion the mission was accomplished, and it was a great way to honor our Veterans. I was able to surprise my group from Mountain Creek Retirement Center with a full motorcycle escort from their facility to our drive through tour of the DFW National Cemetery on our way to Dallas. I had anticipated some assistance at one or two intersections but was grateful for the amount of support provided by the Grand Prairie Police Department as were the Veterans.

As we wrap up 2019 and look forward to 2020, it's good to reflect back on all the meetings, road trips, car shows, fun activities and most important the charitable good we were able to provide during the year. Our very successful live & silent auctions and other donations during the Classic event generated donations of \$11,600.00 to The National Corvette Museum, \$11,600.00 to Speedway Children's Charities and \$5,800.00 to TXFallenPD for a total of \$29,000.00. We also supported several other organizations as a part of our normal charitable giving.

As you start to plan your activities for 2020, please remember our annual Lone Star Corvette Classic, held on May 22 – 24th. This event generates the funds for our annual charity donations to the National Corvette Museum, Speedway Children's Charities and a rotating charity that will be selected in March. Details and registration will be available in January. The Classic requires a lot of volunteers, please consider helping when the volunteer list is posted.

Check the website frequently as activities will start in January.

Thanks to our sponsor – The Thompson Group at Classic Chevrolet

"Good Friends, Great Cars"

Happy Thanksgiving!

Enjoy this special time as you gather with your family and friends.

I can't believe that we are about to start our holiday season. Time sure did fly by quick this year.

Attention!! Calling all LSCC Members! Make sure that you mark December 7th on your calendar if you have not done so yet. This is definitely a day that you want to have your car nice and clean!

Start your day by loading up your corvette with new unwrapped toys and head over to Corvette World for the Annual Toys for Tots. This event will start at 8 am. Later on that afternoon, head on over to Texas Motor Speedway and enjoy The Gift of Lights drive-through holiday display. Then join us for our Annual Christmas Party at The Speedway Club located inside Texas Motor Speedway. We will have dinner; dancing and many door prizes so be sure that you register on the website. Details are also available for reserving rooms at The Marriott Dallas/Fort Worth Champion Circle, our annual Classic host hotel. This is definitely a day that will get you into the holiday spirit!

A huge thank you goes out to all of you that participated in the Veterans Day Parade. It turned out to be a very cold day, but I know that our veterans appreciated you, your time and of course the ride in your car.

Our next meeting will be on December 14th at Los Vaqueros in the Fort Worth Stockyards. See you then!

Thank you to the Thompson Group for being our sponsor.

Life is Short, Drive a Vette!

The Concours Judging Program is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org.

As we move towards the end of year competitive events are coming to a close. The fall Drag racing season is over and Track events are also slowing down for the winter. Contact Mike Krieger if you are interested in High Performance Driving Events and be sure to check out the ECR, PCA and APEX calendars for their open track days. (More information about HPDE events are at the end of this article and "CLICK HERE.")

Just because events are nearly over for this year doesn't mean that we can't start thinking about next year. Open Road racing starts on Jan. 1st with registration for the 2020 Big Bend Open Road Race. Please talk to Mike Black, Open Road Racing coordinator and past winner of this event, for more information.

High Performance Driving Education (often known as "Tracking your car"), please talk to Mike Krieger. This is **NOT RACING**, this is legally driving at speed in a very controlled environment. High performance driving education will help you in your everyday driving and on the next spirited drive you take. As always, please watch our club website for updates and new event listings.

26th Annual Tri-City Corvette Club Car Show

May 1 - 4, 2020

[P & K Davies](#) - Coordinators

Mark your calendars for this road trip May 1-4, 2020. This will be our second year attending this show (smiling faces of last year's group shown above! We'll leave Friday, May 1st, and caravan via back roads through the East Texas piney woods stopping in Nacogdoches for lunch and then on to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri-City Corvette Club hosts a Hospitality Night, providing free food and drink. This show is great because once you unpack, you're there; the show is in the hotel parking lot. On Saturday morning, we will get up and do final prep to our cars for the car show. In addition to the car show, there is a Valve Cover Race available for those interested, door prizes, cash prizes, a chance to WIN a NEW 2020 Corvette Stingray (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car.

Sunday morning, May 3rd, you will be free to head home, or as an add-on for those who have the time, we'll head to Galveston via a ferry from the mainland to the island, exploring Galveston's sites and enjoying local seafood. We'll spend the night before heading out Monday morning for the Houston Space Center, if you like. We visited the Space Center last year but didn't get enough time there so we're heading back to see other exhibits and the Mission Control Room, which was under construction last year.

Houston Space Center

Please sign up on the LSCC website's calendar if you're interested in coming along for this new adventure! It should be loaded onto the website shortly if it's not already there. We will be in touch via email as we finalize the trip details.

Take care,

P & K Davies

SAVE THE DATE!

LSCC BIG TRIP 2020

Black Hills Corvette Classic

Yellowstone National Park

Grand Teton National Park

Glacier National Park

July 15, 2020 – July 28, 2020

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49th year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

For those that may not have two weeks:

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

Hotel Reservations:

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.

LSCC Bylaw Amendment

Norman Glowicz- Recording Secretary

In May, 2019, LSCC membership voted to move elections to September so as to give time for the new Board of Directors to be oriented in their offices. However, after the bylaw change was voted on and approved, it became apparent that more time was needed after the August meeting for candidates to step forward if they so choose to run for office. Hence, the Board of Directors proposed the change which is set forth below. This change was voted on by the general membership during the November Business meeting at Brookhaven College. A two-thirds majority of the voting members present was required to make the proposed bylaw change.

Article VIII, Section D. read, "Nominations for Officers will be made from the floor by the membership at the July and August business meetings, or in writing to an officer prior to the August business meeting."

Approved Amendment to the Bylaws:

Article VIII, Section D would be amended to read, "Nominations for Officers will be made from the floor by the membership at the July and August business meetings, or in writing to an officer ***no later than seven calendar days after the August business meeting.***"

Lone Star Corvette Club Salute to Our Veterans

Thank-you for serving.

John Raiden introduced LSCC Veterans at November's club meeting at Brookhaven College. All received a well deserved round of applause.

2019 Dallas Veterans Day Parade

Rick Herrick - Coordinator

The cold, windy and wet Dallas weather on Veterans Day did not keep LSCC members and their Veterans from participating in the 2019 Veterans Day Parade held on the streets of Dallas, TX. Many of our Club members have developed a relationship with their Veteran who look forward to this event each year. Sadly, time has taken away some of these Heroes reminding us how important their sacrifice. Let's never forget their duty and service to our great nation.

"All who have put their lives on the line in defense of this flag . . . Thank you!"

Fort Worth New Car Show

Ric and Carolyn Atkins - Coordinators

LSCC took part in the Fort Worth New Car Show on November 8th and 9th with a display in the Classic Car Corral. Coordinators Ric and Carolyn Atkins, along with members Craig Marcho, Bryan Williams, John Brefczynski, John Gibson, Charlie Evans and his son William, enjoyed talking to Show attendees about Corvettes and LSCC. Bryan took home the People's Choice award for his beautiful black C2, and Craig won a Top 20 award with his C7 Grand Sport. Congratulations, and thanks for representing our Club so well!

2019 Sulphur Spings Corvette Classic

Robert Paton - Coordinator

Friday's wet weather did not deter seven Corvettes, (proving that Corvettes do not melt in the rain) from meeting at Buc-ee's in Royse City for the planned caravan to Sulphur Springs. On Friday night the Sulphur Springs Corvette Show held a welcome party at the host hotel the Clarion Pointe. Wine, beer and hors d'oeuvres for all. All participants were given a number ticket upon entering and numbers were drawn for door prizes. The last item to be given away was an Apple watch. Prior to the final number being drawn, Elaine Blend wanted the basket of tickets to be "stirred" up. Coincidentally (or not?), the number drawn was Elaine's! Ask to see her new watch when you see her next.

On Saturday morning, some found a local car wash to clean most of the road grime from their Corvettes, but as they made their way to Celebrations Square, ran into more liquid sunshine. Corvettes continued to arrive as the morning wore on. Perhaps some were hoping the weather would clear sooner rather than later. In between light sprinkles, most made efforts to clean their Corvettes and keep them dry. You may have heard the old adage regarding polishing your Corvette so much that you would wear the paint off, but LSCC had one registered Corvette that maybe was cleaned so much that it could not even be found. How about that one JD? While the weather conditions Friday night and early Saturday kept show participation to a small number, those who were there enjoyed the usual comradery and the hospitality of the host club members and the Sulphur Springs merchants. Participants had their choice of restaurants to visit for lunch. From hamburgers to pizza, sandwiches, steaks, Cajun, and German, there was something for everyone.

Participating in this year's show were Gary and Elaine Blend, Ken Burks, Johnny and Edie Downs, Phil and Kristina Davies, James and Mary Ann McMichael, Walter and Mary Kay Jones, Bob Paton, Glen and Kerrie Averhoff, Dennis Davenport, Phil and Carolyn Elmore, Wayne and Mary Jorgensen, Shawn Hadley, Ken Smith, Holt Davis, Jeff Knowlton, Tom Karr, and Charles and Gloria Marks. Everyone received an award and LSCC was the recipient of the club participation award.

The Sulphur Springs Corvette Club always put on a great show, even if the weather doesn't cooperate. This is one show you should plan on attending next year. A short, easy drive, plus you can join a group to arrive on Friday or drive out early on Saturday morning and return to DFW Saturday afternoon.

2019 NCRS Regional Meet

Ray Kimminau - Coordinator

Frisco, TX was once again the site of the annual NCRS Regional Meet held at the Embassy Suites Complex on October 24th thru the 26th.

Some 60 Corvettes were available for display and judging or for performance verification. LSCC members Lee Brummit , Gary Hardy and Ron Akin all secured Flight awards for their Corvettes - a 1978 Pace Car, a 1967 convertible, and a 1966 convertible.

The Concours judging program garnered 6 Corvettes for the first time. Both the Stock Division and the Modified Division had quality vehicles entered. The Modified Division is very much attuned to the cars that are known in street terminology as "resto mods" as the quality and detail of workmanship was evident. They attracted a lot of attention with frequently a small crowd around the cars.

Photos of all the cars and owners are available at ncrstexas.org.

Corvette ownership is a MANDATORY requirement for membership in BBV. Bad Boy Vettes (BBV) was started like many other groups or communities. A shared interest in the Corvette, friendship, and giving back to the community through charitable causes.

- Although the name suggests men only, that is far from true. The group is open to women and men. This group is inclusive, not exclusive.

- Keep the content about Corvettes. We know you have other cars, motorcycles, boats and toys. If you post a picture that has your Corvette and some other toy, no problem. If you are posting a picture of a toy but there is no visible Corvette, your content will be removed.

- The content here is family friendly. We want the content to be conservative in nature. Any content that is questionable will likely be removed. Use your common sense, please. We know in the summer everyone is running around in flips, bathing suits, etc. Please keep it clean. Politics and other drama have no place here.

- The Bad Boy Vettes name is trademarked (tm). All rights reserved. Any use of the name must be approved by James Williams.

- On the subject of racing, we will remove all content associated with racing on the street. We don't condone that. Track racing is different. Although track racing can be dangerous, we simply don't condone racing or poor driving on public roadways.

- Abusive language and behavior will not be tolerated. We want facebook and our events to be fun. If you get ugly with someone, the content will be removed and you'll likely be removed from the group. We kid around a lot here and push the envelope on occasion, but we want this to be fun. We'll try to stay in control if you will too.

2008 Machine Silver Z51 -

I unfortunately need to sell my 2008 Machine Silver Z51 C6 with only 9000 miles and would like to find a new owner who would take care of it. I ordered our LS3 C6 from the factory where we took delivery. It has an aftermarket full leather interior (black - same leather as used by Ferrari), 6-piston Wilwood calipers/rotors on all four wheels, NPP exhaust and Bilstein shocks. It also has a beautiful ZR1 hood painted by Stuarts in Dallas.

Bought it when I turned 60 as a retirement gift and never used it due to all of the local road construction (and was later transferred to Houston for 4 years). It has always been garaged and covered. Kenwood navigation, new battery and new Michelin tires. There are not many C6s this in this condition. Thought I would try the clubs first. Car is located in Colleyville. Thanks

Please see the enclosed pictures. The finish is absolutely perfect and you can see reflections in the hood from the walls and ceiling.

Miles: 9,000 miles.
