## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

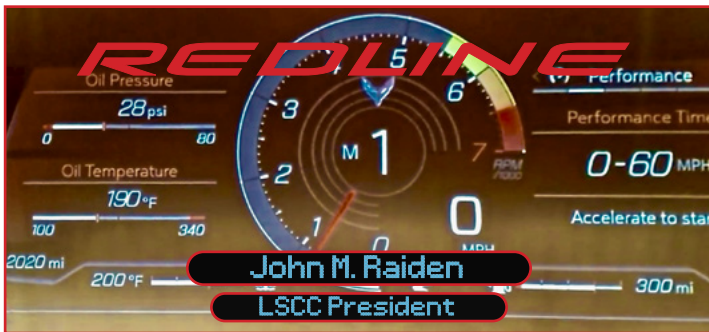

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

I want to give a special Thank You to David and Jean at Corvette World for hosting our January club meeting again this year, this has become an annual tradition and is always a good start to the year. Attendance was down a bit from prior years as we endured a small snowstorm before the day turned very sunny. Typical Texas weather; we tend to get multiple seasons in a single day, but it beats most other places, Maui being the exception. It turned out to be a good day for our host as well as I know they sold a couple Vettes before the day was over. Guilty!

I want to thank all the members who attended the meeting and accepted their club responsibility by voting on the dues increase and amendments to the Bylaws. The board struggled over the increase, but we faced the painful reality that it was needed to make sure we could continue offering all the opportunities for our members that we have in the past. The significant loss in sponsor support left us with no recourse other than the dues increase. The motion passed and annual member dues will increase to \$70.00 effective February 1, 2020.

The 2020 Club Budget will be presented at the February meeting for review and approval. The operating budget allows the Officers and Coordinators the financial ability to operate on the Club's behalf and it is a very important part of how we manage as a club.

Presentations will be made at the February meeting from those organizations nominated for 2020 Rotating Charity, so I encourage you to attend and hear what they have to offer. The Rotating Charity will receive 20% of the auction proceeds and other donations received during the Lone Star Corvette Classic event in May. On average our selected charity has received around \$5,000.00. Voting will take place later in February and the winner will be announced at the March 7th Club meeting. The charity must be a viable 501(c)(3) organization.

2019 was a good year for LSCC as we had 153 new memberships for the year, besting 2018 by about 20. We are off to a strong start for this year as well. Congratulations to all who joined, and we hope to see you at many of the activities that are offered and as a regular at our monthly club meetings.

**Thank you to our sponsor – The Thompson Group at Classic Chevrolet**

***"Good Friends, Great Cars"***

Can you believe this weather? Who would have thought we would have had snow at our January meeting? It sure was nice to see snowflakes but I'm glad that it has come and gone. Welcome to Texas, where you can experience all seasons in 1 weekend. Thank you to all who braved the cold weather and made it to Corvette World. It was nice to see so many new members!

As we start to make plans for the upcoming months, keep in mind there are many activities you can participate in or volunteer. Get involved, after all this is our club! For all the new members, we have a great event coming up to participate in. Mardi Gras Nocona Style is taking place on February 22<sup>nd</sup>. This fun event is a parade that takes over downtown Nocona with other floats but with a Nocona flair. The fun then continues with Cajun food, music and dancing. There is a limited number of Corvettes available to participate in the parade so please be sure you register on the website. If you prefer to watch and just have a great time with us, there is no need to register. Contact Norm Glowicz if you have any questions.

Our next meeting will be **February 8<sup>th</sup> at Brookhaven College** where we will be hearing from our rotating charities. We will have a limited amount of box meals from Jason's Deli that will be sold for \$10, cash only.

**Thank you to our sponsor – The Thompson Group.**

If you watched the Barrett-Jackson auction in Scottsdale last month, you saw the rights to the VIN 001 C8 Corvette sell for \$3,000,000! Thankfully, the C8's that follow will have a few less digits on their invoices.

That VIN 001 could be built by now, as the first buyers will take delivery on their C8's this month. If you are not one of those lucky enough to have a build number, you should be one of the following:

- ☐ You are on the list to order a C8 at Thompson Group
- ☐ You plan to get on the list
- ☐ You wish you could be on the list

Whichever one you are, you need to seriously consider two must-order options for your new C8.

#### R8C Museum Delivery

It is what it says and it is an experience you will treasure.

You arrive at the NCM with up to three guests and are welcomed with signs commemorating the event. You will take a special VIP conducted tour of the Museum, where you will see your Corvette on display.

A very knowledgeable member of the NCM delivery team provides a detailed orientation of the car followed by a delivery presentation. The team department will have done a pre-delivery inspection and even installed accessories not done at the assembly plant.

For more information on R8C, go to [www.corvettemuseum.org/visit/delivery-programs/R8C-museum-delivery/](http://www.corvettemuseum.org/visit/delivery-programs/R8C-museum-delivery/).

#### Photo Album

With plant tours unavailable, this option is a must do. This is an opportunity to document your Corvette's build process at the assembly plant with an Owner's Photo Album.

Even if you have not opted for the R8C program, you can order this 20 page photo album that captures the complete build of your Corvette. It also includes a letter from the GM Assembly Plant Manager and the NCM President.

This album must be ordered well prior to the build date. See [www.corvettemuseum.org/visit/delivery-programs/photo-album/](http://www.corvettemuseum.org/visit/delivery-programs/photo-album/).

#### Top Corvette Dealers for 2019

Speaking of deliveries, the numbers are out on 2019 calendar year dealer sales. The total was down 4.3%, with 17,998 Corvettes sold in the USA. Another interesting stat is that the top 100 dealers accounted for 47% of all Corvettes sold during the year.

# Eating the Elephant called XP-987 GT

By P & K Davies

In life there are many sayings that seem to be appropriate for a situation, and to me it is no less true than the one that states: "How do you eat an elephant?"...The answer: "One bite at a time". It felt it would be like "eating an elephant" when the National Corvette Museum approached Johnny Downs with the question would LSCC be interested in sponsoring a very special, one-of-kind "Corvette" to the tune of \$250,000. After the ability to fund this amount over several years became an option, it worked out to "eat the elephant a bite at a time," and many of the LSCC members jumped in in short order by committing more than \$250,000 within a month. By sponsoring this "Corvette", the Lone Star Corvette Club will always be recognized as the primary sponsor of the XP-987 GT permanent display at the National Corvette Museum.

So what the heck, we decided that because of this unique honor, we would put together a trip to the 2020 Michelin NCM Bash to celebrate "eating the elephant" and then learned the Museum will give special recognition to LSCC members for their generosity at the Winners Circle banquet during that event. So please log onto the Club website calendar and look for the event in April to register; it should be online shortly. The trip outline is:

April 20<sup>th</sup> - Overnight in Sulphur Springs for those who don't want to get up early on the 21<sup>st</sup>  
April 21<sup>st</sup> - Leave for Dickson, TN (Hotel details to come)

April 22<sup>nd</sup> – Visit sights in Nashville including a Stories Behind the Songs luncheon at the Country Music Hall of Fame.

April 23-25<sup>th</sup> – Michelin NCM Bash. When we get to the Bash in Bowling Green, we are anticipating plant tours will be an option, a ride in the XP-987 GT for those who are contributing to the XP-987 GT, a possible unveiling of the C8 convertible, driving a C8 at the Motorsports Park for a fee.

An optional High-Performance Driving Experience school at the track is also in the plans for April 20-21.

The highlight of our time in Nashville will be the Stories Behind the Songs luncheon where we'll discover the stories behind the music you love in a private session with one of Nashville's hit-making songwriters. This intimate session allows the rare opportunity to hear hits as they were originally written. The writer demonstrates to the group how a song is created from concept to hit. After the session, join the writer for a meet and greet and autograph signing.

As in past years at the Bash there will be a large contingent of GM engineers and designers from Warren Tech Center, and the Bowling Green Assembly Plant ready to answer your every question. The Bash is a mixture of Road Tours to Kentucky Attractions, Presentations by Corvette Celebrities, Product Demonstrations, Technical Seminars, Classroom Sessions with Corvette Technicians, Car Shows, Vendors, the Ladies Oasis, and more.

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](http://ncrstx.org).

# Competitive Events

Allen Scott, Competitive Events Officer

**Autocross** The contract with Brookhaven College for this year has been signed and we start on March 21st. Autocross is a low speed event held in one of the parking lots at Brookhaven, which is located in Farmers Branch. It can look a bit intimidating at first with all the cones scattered everywhere throughout the parking lot, but once you figure it out, it's a lot of fun. It was a good 2019 and hope to have you out on March 21st.

Congratulations to Bob Schulz for winning the 2019 season and the 2018 season before that.

**Drag Racing** Will start up again in March. Watch for event dates on the club website. I know that Marsha is looking for more folks to join the 1320 group to ensure that we have another great racing season.

**Open Road Racing** Big Bend is coming up April 22-25 and registration is full. This is not the only open road race that the group goes to during the year. So if this sounds like something you would be interested in trying, please contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com).

**High Performance Driving Education** For information on High Performance Driving Education (often known as "tracking your car") please talk to Mike Krieger. This is not racing, this is legally driving at speed in a very controlled environment. You drive at your own pace and instructors will not force you into uncomfortable situations. High performance driving education will help you in your everyday driving and on the next spirited drive you take. # LSCC BIG TRIP 2020

**Black Hills Corvette Classic**

**Yellowstone National Park**

**Grand Teton National Park**

**Glacier National Park**

**July 15, 2020 – July 28, 2020**

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49<sup>th</sup> year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

**For those that may not have two weeks:**

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

**Hotel Reservations:**

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

***There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.***

Welcome!

## **2020 Rotating Charity Nomination**

### **Prestonwood Pregnancy Center**

Nominated by James Coleman

I have a real heart for charities and the good they do for people. I have a very worthwhile charity I've supported for many years which is the Prestonwood Pregnancy Center. They provide counseling and guidance for women who have an unwanted pregnancy. Their goal is to have the baby (instead of aborting the baby) and introduce the free gift of salvation to our Lord and Savior. They are very successful at saving the unborn and bringing the mother to Jesus Christ, after all, the only thing you can take to heaven is the souls you introduce to Jesus. Prestonwood Pregnancy Center has set up clinics close to Planned Parenthood locations where they do over 50 abortions EVERY DAY!!

This is one of the most important ministries I know that saves the unborn and brings the mother (and father) to the Lord. I pray that you will consider this charity worthy of the support of the Lone Star Corvette's support.

In His Grip,

Jim Coleman

Since 1991, Prestonwood Pregnancy Center (PPC) has provided confidential and compassionate assistance to women in the Greater Dallas Fort Worth (DFW) area. As a non-profit organization we are supported by the local community. You do not need insurance and no fees are collected.

Over our 28 years of being in business, PPC has served over 70,000 clients, providing free pregnancy tests, free ultrasounds, consultation, classes and assistance.

- Clients are served regardless of religion, gender, sexual identity or orientation, or any other legally protected classification.
- Clients are treated with kindness, compassion and in a caring manner.
- Client ultrasounds are preformed in accordance with all applicable laws by Registered Nurse Sonographers or Registered Diagnostic Medical Sonographers and are reviewed by licensed Medical Doctors.
- Client pregnancy tests are distributed and administered in accordance with all applicable laws by medically trained personnel.
- Client information is held in strict and absolute confidence, only being disclosed as required by law and when necessary to protect the client or others against imminent harm.

## **Witkop Foundation**

Nominated by Keli Hughes

Please accept this submission for the 2020 Lone Star Corvette Classic Rotating Charity nomination for the Witkop Foundation ([www.witkopfoundation.org](http://www.witkopfoundation.org)). Established in 2017, this 501(C)3 non-profit mission honors the sacrifices made by men and women who serve(d) and/or have lost family members in service to our great nation. More details about their programs can be reviewed on their official website as well as a glimpse inside the organization on their social media (Facebook and Instagram) and YouTube channel (<https://www.youtube.com/watch?v=Hd3V60PwXTY>). In this video you will see a Gold Star family from Texas, recently taken on safari in South Africa, in honor of their fallen father and husband, Major Troy Gilbert.

**TexasFallenPD**

Nominated by Steve Jones

**TXFallenPD**

### **Honoring The Fallen**

Throughout history, there have been more officers killed in the line of duty in the State of Texas than in any other state or territory. In 2018 we lost eleven officers, these brave men and women show up every day to protect us, not because it's their job, but because it is a calling!

The TXFallen Tribute Event began in 2008 as a police bike race honoring the lives of Texas officers killed in the line of duty. Over the years it has grown into a community fund raising event benefiting the Texas Police Chiefs Association Foundation. Through this their Officer Death Benefit Fund provides monetary assistance within 24 hours to the families of officers working in Texas who die in the line of duty. In 2018 they were able to provide each family with a check for \$5000 to help with immediate financial needs.

The bike race and event takes place each fall at the shops of Highland Village in Highland Village Texas. The 2019 dates for the event have not been finalized. There are many opportunities for you to get involved, such as, sponsorships, donations, and participation in the event itself. Since 2008 we have raised over \$210,000 for the Fallen Officer Fund. Help us reach our goal of \$50,000 this year!

The Texas Police Chiefs Association's Fallen Officer Fund is a registered 501(c)(3). Please visit our web site at: [txfallenpd.com](http://txfallenpd.com).

## **2020 Rotating Charity Nomination**

### **Morgan Adams Foundation**

Nominated by Larry Reyburn

The Morgan Adams Foundation is applying and would love to be considered for the 2020 Rotating Charity partner of the Lone Star Corvette Club.

As a regional pediatric cancer research organization, we are dedicated to funding the best possible new treatment development for kids and teens battling rare pediatric-onset cancers. We actively seek out partnerships across the Western United States and build scientific collaborations that will move really good new ideas out of the laboratories and into the clinics where our children so desperately need them.

The research needed to develop more effective, less toxic treatments for kids fighting cancer is not well funded by traditional federal government grants, and so the bulk of the funding comes from philanthropy and “the private sector.” Our highly focused mission is to seek out partners in this work, and to fund the best new research possible.

We have a 20-year track record of building collaborations between researchers across the country, and we further have a highly successful track record of working alongside partners in the communities our researchers are based.

We have funded more than \$5,250,000 in pediatric cancer research projects and those ideas have progressed to receive an additional \$12,000,000 in Federal support, which matters because Federal support and approval is required to take new research ideas to clinical trial.

We have repeated successes in funding bench-science research projects that have gone on to clinical trial in less than half the time of a typical pipeline, and in 2019 alone we had 10 projects brought to trial in an time of 3 years – both significant accomplishments.

We currently have research partners in Houston and Dallas both of whom are working on finding treatments for cancers that currently have a less-than 35% chance of a diagnosed child living more than 5 years post-treatment.

We are particularly interested in working with the Lone Star Corvette Club because we have been involved in the collector automobile and motorsports world for the last 18 years, running a highly successful Concours as well as a number of vintage racing club “Race Against Kids’ Cancer” events.

We greatly appreciate your consideration of our application and look forward to the opportunity to meet with your club leadership and present our organization in person.

Regards,

Joan Slaughter, Founder

## CLASSIC AUCTION: HOW YOU CAN HELP

How can I help? I hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Classic.

A little background on the Auction: more than a quarter century ago, the Club came up with the idea to put on a car show, have lots of Corvette fun, and hold an auction to raise money for our beneficiaries. That idea has grown into the present-day Lone Star Corvette Classic, an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$20K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

Each of those organizations are 501(c)(3) designated. Speedway Children's Charities makes grants to community-based groups who provide services to kids and their families. The National Corvette Museum provides driver safety information and informative programs for kids, in addition to preserving the history of "America's Sports Car."

So, what can I do, you ask? Make something, buy something, ask the people you do business with for donations; all are great ways to come up with items to auction. Ask the restaurant where you eat regularly for gift certificates. When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets. Framed Corvette posters bring in lots of \$\$\$; autographed items, and unusual car accessories with 'Vette themes are very popular.

Pretty easy, right? You can bring your items with you to the monthly Club meetings, or contact the Live or Silent Auction Coordinator for pickup. We need everything no later than the Club Meeting in May.

Note: Please remember to keep your donations geared towards our helping our charities as those are the beneficiaries of your kindness.

Thanks, and let's get busy!

## CLASSIC AUCTION: HOW YOU CAN HELP

How can I help raise money for our charities? We all want to do our part, and one of the best ways to do that is to come up with Live and Silent Auction items at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction generates approximately \$20K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

### Here's some items that sell very well in the Silent Auction:

- ☐ Toiletries, makeup, and perfume baskets
- ☐ Car cleaning supply baskets
- ☐ Wine baskets
- ☐ Corvette-related jewelry
- ☐ Framed Corvette-related prints, posters and photographs
- ☐ "Man-Cave" or Garage items ( wall hangings, posters, )
- ☐ Corvette and car-related books
- ☐ New or gently-used after-market Corvette accessories
- ☐ Corvette-related luggage, bags, purses, billfolds
- ☐ Restaurant gift certificates
- ☐ Hand-made craft items
- ☐ Diecast Corvette models and Hot Wheels

### For the Live Auction, these bring big money:

- ☐ Items with celebrity autographs, especially Corvette-related
- ☐ Tours and tickets to exclusive places ( charter plane tours, for example )
- ☐ Hotel gift certificates
- ☐ Rare or high-end jewelry
- ☐ Rare Corvette memorabilia
- ☐ Certificates for wheels, exhausts, headers
- ☐ Hand-made quilts

### What you can do:

- ☐ Ask the people you do business with for donations
- ☐ At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- ☐ Ask the restaurant where you eat regularly to donate a gift certificate
- ☐ When you're at a yard sale, garage sale or craft fair, pick up inexpensive, but new or gently used items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings or contact the Silent or Live Auction Coordinator for pickup. We need everything no later than the Club Meeting in May. Note\*\* Since we are unsure of Auction Site staging areas changing over the next year or so, we are asking that as many items as possible be geared towards auction for our charities instead of the LSCC Store. Let's get busy!

## CLASSIC AUCTION: HOW YOU CAN HELP

### **Volunteer slots for Silent Auction:**

Here are the volunteer slots I'd like to have for Silent Auction at the 2020 Classic: **(Key requirement for the Sunday plan is to have access to the box truck from 9am-11am.)**

**Thursday, 5/21/20**, Silent Auction - Unload truck & Set-up Assistance, 3pm - 6pm, volunteers required: 8

**Friday, 5/22/20**, Silent Auction - Set-up, register bidders, monitor rooms & take payments, 9am - noon, volunteers required: 8

**Friday, 5/22/20**, Silent Auction - Register bidders, monitor rooms & take payments, noon - 4pm, volunteers required: 8

**Saturday, 5/23/20**, Silent Auction - Register bidders, monitor rooms & take payments, 3pm - 6pm, volunteers required: 8 **(bidding ends at 6pm)**

**Saturday, 5/23/20**, Silent Auction - Group items by winning bidder - **NOTE: DURING DINNER!** 6pm-9pm, volunteers required: 8

**Saturday, 5/23/20**, Silent Auction - Announce winners, take payments & give items to winning bidders, 9pm-11pm, volunteers required: 10

**Sunday, 5/24/20**, Silent Auction - Take payments & give items to winning bidders, 7am-9am, volunteers required: 7

**Sunday, 5/24/20**, Silent Auction - Put items in bins & load into truck, 9am-11am, volunteers required: 6

*As a side note: all unclaimed items left-over after 9am on Sunday morning will be offered during a "fire sale" at the next club meeting. I do not plan to contact people after the Classic as in past years. The amount of work required vs. the small amount of money collected is not worth the effort.*

### **Box Truck Requirements:**

Also, as I think the Silent Auction bins make up a large part of the box truck cargo, here's detail on when I need the box truck:

**Thursday, May 21:** 2pm or so - pick up several large bins (maybe 20?), and large items, at my house in SW Ft. Worth, and deliver to the conference hotel around 3pm. The truck will need to stay there for an hour or so while we unload the truck.

**Sunday, May 24:** 9-11am - the truck needs to be at the conference hotel for us to load the bins (hopefully most bins will be empty at this point, but will have some unsold items, as well as silent auction supplies). At the conclusion of the day on Sunday, and after all other items (from other coordinators) is loaded, I need the truck to come back to my house and drop off the unsold items so I can organize them for the "fire sale" at the next club meeting. The empty bins can be taken back to the club storage shed with the helmets, and other Classic supplies.

I don't need the truck at any other times during the event.

FOR MORE INFORMATION ABOUT OUR SHOP

Corvette ownership is a MANDATORY requirement for membership in BBV. Bad Boy Vettes (BBV) was started like many other groups or communities. A shared interest in the Corvette, friendship, and giving back to the community through charitable causes.

- Although the name suggests men only, that is far from true. The group is open to women and men. This group is inclusive, not exclusive.

- Keep the content about Corvettes. We know you have other cars, motorcycles, boats and toys. If you post a picture that has your Corvette and some other toy, no problem. If you are posting a picture of a toy but there is no visible Corvette, your content will be removed.

- The content here is family friendly. We want the content to be conservative in nature. Any content that is questionable will likely be removed. Use your common sense, please. We know in the summer everyone is running around in flips, bathing suits, etc. Please keep it clean. Politics and other drama have no place here.

- The Bad Boy Vettes name is trademarked (tm). All rights reserved. Any use of the name must be approved by James Williams.

- On the subject of racing, we will remove all content associated with racing on the street. We don't condone that. Track racing is different. Although track racing can be dangerous, we simply don't condone racing or poor driving on public roadways.

- Abusive language and behavior will not be tolerated. We want facebook and our events to be fun. If you get ugly with someone, the content will be removed and you'll likely be removed from the group. We kid around a lot here and push the envelope on occasion, but we want this to be fun. We'll try to stay in control if you will too.

- BBV swag is on display and for sale at [www.bbvcustoms.com](http://www.bbvcustoms.com)

- You may see promotions here on BBV swag items. You may also see ads from approved vendors. No other selling is permitted on Bad Boy Vettes (BBV).
