## Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

### Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

**Road Trips** – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

**Day Trips** – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

**Open Road Racing** – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

**Drag Racing** – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

**Autocross** – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

**NCRS** – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

**Car Shows** – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

**Displays and Parades** – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

**Lone Star Corvette Classic** – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

**Club Meetings** – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden  
President

Thanks to all who attended the February Club meeting and listened to presentations from our six Rotating Charity nominees for the 2020 Lone Star Corvette Classic; WorldVentures Foundation, Prestonwood Pregnancy Center, Witkop Foundation, TXFallenPD, 22KILL and The Morgan Adams Foundation. All are very worthy applicants and hopefully you logged onto the LSCC Website and voted.

The February Newsletter and the ballot on our website included a brief description of each candidate to refresh your memory or serve as a guide if you were not at the February meeting. LSCC has a long history of supporting charities, both through our major fund raiser, The Lone Star Corvette Classic as well as through the year with charities that are recommended by our members. I want to thank every member that took the time to vote.

From time to time I am reminded that as Board Members and Coordinators, we need to make sure we are very clear when we talk about club events as newer members may not be familiar with some of our abbreviated terminology. The first one that comes to mind is the Classic, which typically refers to our annual 3-day fund raising event formally known as the Lone Star Corvette Classic and not to be confused with Classic Chevrolet. As hard as we try, it is easy to slip back to the familiar short "Classic" when referencing the upcoming 31<sup>st</sup> annual event.

We also tend to nickname many of our popular trips such as saying "Boerne" rather than the Texas Corvette Association Open Car Show, "Hot Springs" rather than Hot Springs Corvette Weekend or "Wichita Falls" rather than North Texas Corvette Roundup. If we use a name or acronym you don't understand, please let us know. This is especially true during a monthly Club meeting. These meetings are for the benefit of our members; if there is something you do not understand, please ask for more details.

Registration for the 2020 Lone Star Corvette Classic, aka "**Classic**" is now open, and we are looking forward to your participation. We have many activities spread over the 3-Day event that hopefully pique your interest; dinners, autocross, car shows and opportunities to drive your Corvette on the oval or road course at Texas Motor Speedway. We have a special display for all Veterans again this year, but you must be signed up for one of the car shows to participate. **Don't wait until the last minute to register. So please register now!**

**Thank you to our sponsor**

**The Thompson Group at Classic Chevrolet**

*"Good Friends, Great Cars"*

As we hopefully start the beginning of spring, we will begin to see more events planned. This month we have Goodguys at TMS, one of my favorites and the SWOCC Show in Lawton, OK, a weekend trip. For Goodguys, you can select one of the many volunteer dates, Thursday thru Sunday and at the same time enjoy the event and see all the cars! SWOCC is a fun filled weekend trip that I hear is great and I too will be participating in this year. Take a look at the calendar for more information and signing up.

Thank-you to everyone who came to Brookhaven for February's Club meeting where we had our Rotating Charities present their organizations. This year we had 6 different organizations represented and the winner will be announced at the March meeting. On a side note, looks like Jason's Deli lunch was a big hit! We finally sold all the lunches, so I guess we will do this again next time.

Please don't forget that March's Club Meeting will be one week earlier. We will be at LG Motorsports in Anna **on March 7<sup>th</sup>**. Thanks to the generosity of our friends Fernando and Sergio at LG, lunch will be provided. Hope to see everyone there!

**Thank you to our sponsor – The Thompson Group at Classic Chevrolet!**

**NCM News**

February is a slow month for Corvette related activities. However, this February a lot of Corvette news came from the NCM.

Bash

We just returned home from a trip to the Museum. Our friends in Bowling Green are hard at work preparing for the Bash.

At the same time, plans are being finalized from this end for LSCC's trip to the NCM for the Bash. Over 40 members have already registered for the April 21-25 event. Just a few of the reasons to make the trip are:

- ☐ GM engineers will answer questions about several configurations of C8's available to touch, feel and sit in.
- ☐ New Performance Gallery
- ☐ Entombed Corvette exhibit
- ☐ Big Daddy Roth hot rod exhibit
- ☐ Road tours
- ☐ Touring laps in the C8
- ☐ Special event honoring LSCC members as Naming Rights Sponsor of the XP-987
- ☐ Much more!

The first thing to do to be a part of this great trip is to go to the LSCC website and register for the Bash. You will receive all the information, including room blocks. Don't miss this awesome event.

XP-987 Coming to the Classic

The 1973 XP-987 Corvette Two-Rotor will be at the Lone Star Classic May 20-22. As an expression of appreciation to LSCC members, Derek Moore, NCM Curator will bring the one-of-a-kind experimental Corvette to Texas.

The car will be on display at various locations during the entire Classic. Derek will be available to answer all questions about the car.

If a safe venue can be secured, rides in the two-rotor Corvette may be available for LSCC members that donated to the XP-987 naming rights fund.

Finally, plans are to offer laps around Texas Motor Speedway in the XP-987. They will be sold at the live auction on Saturday.

Corvette Hall of Fame

The 2020 class of the Corvette Hall of Fame has been announced. This class will be inducted during the 26<sup>th</sup> Anniversary Celebration, September 3-5.

DOUG FEHAN – This is like having one of our own inducted. Doug has been a part of our Classic on two occasions. Plus, he even came from Michigan to visit our club meeting once.

Doug is the longtime Corvette Racing Program Manager. Under his leadership, Corvette has won 107 races, 12 manufacturers championships and 8 class wins at the 24 Hours of LeMans.

HENRY HAGA – Henry became Chevrolet Chief Designer in 1963. He managed design of Corvette, Camaro, Monza, show cars and early Chevy II.

MIKE MCGAGH – Longtime member and president of the National Corvette Restorers Society, Mike was instrumental in getting the idea of a Corvette Museum off the ground.

WENDELL STRODE – Those attending the 2019 Hall of Fame induction know that Wendell was nominated at that event, becoming the first member of this 2020 class. Wendell served as Executive Director of the NCM from 1996 through 2019. He brought the Museum from 1,600 members and serious financial difficulties to the 36,000-member museum it is today.

For more information on these inductees go to: <https://www.corvettemuseum.org/2020-corvette-hall-of-fame-inductees-announced/>.

### Corvette Raffles

If you feel lucky, the least expensive way to own a new Corvette is to win one. Right now there are three opportunities to win a new C8 through the NCM Corvette raffles-

2020 Corvette Coupe on 3/26/20      Cost \$100.00

2020 BYO Corvette on 4/24/20      Cost \$250.00

2020 Black Corvette Coupe on 4/25/20      Cost \$20.00

You can download a raffle order form and mail it to the NCM. Or, I will have forms at the March and April meetings and will deliver the forms for you on April 23. Download forms at <http://raffle.corvettemuseum.org/index.cfm>

For information concerning anything NCM related, contact Johnny Downs, 214/384-8565, 903/564-3069 or [ediewoww@aol.com](mailto:ediewoww@aol.com).

# NCRS Texas Chapter

Ray Kimminau, Coordinator

**Membership** in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit [www.ncrs.org](http://www.ncrs.org) for the complete show for judging schedule and a list of available hotels in the area.

## Scheduled NCRS Events for 2020

- NCRS Texas Chapter Austin Judging Event - Mar 28, 2020  
Carl Everett Garage, 3209 Neidhardt Dr, Austin, TX 78732
- NCRS Texas Chapter Houston Judging Event - April 4, 2020  
Frank's Car Barn or Gary Thomas Garage. (TBD)
- Adirondack Regional - May 14 - 16  
Latham, New York
- Rocky Mountain Regional - May 29 - 30  
Loveland, Colorado
- North Central Regional - June 11 - 13  
Rochester, Minnesota
- National Convention - July 19 - 23  
French Lick, Indiana
- Northwest Regional - August 20 - 22  
Redmond, Oregon
- Texas Regional - October 22 - 24  
Frisco, Texas

**The Concours Judging Program** is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at [ncrstx.org](http://ncrstx.org).

# Competitive Events

Allen Scott, Competitive Events Officer

**Autocross** Please come out and join us for the first autocross of the 2020 season on March 21st at 9 a.m. at Brookhaven College in Farmers Branch. This will be a great time to get warmed up for the upcoming season and the LSCC Classic. A donation of \$15 per car is requested. Helmets are required and loaners are available.

**Drag Racing** The first contest for 2020 spring season will be March 21st at 8 a.m. at Texas Motorplex in Ennis. There's a small fee to enter and even a smaller fee if you just watch the races for the day. If you enjoy the feel of acceleration, and like to hang out with some great LSCC friends, then drag racing could be a great event for you!

**Open Road Racing** The race of the year is coming up in April 22-25 at Big Bend and registration for this event is full. The Road Race group is having a rookie orientation in March and if you've ever thought about Road Racing you might want to attend. Please contact Mike Black at [OpenRoadRacing@LoneStarCorvetteClub.com](mailto:OpenRoadRacing@LoneStarCorvetteClub.com) for more information. The Big Bend Open Road Race is not the only race that group does during the year. Please check the web site for other events and times.

**Rally** The club does not sponsor rallies at this time but I will keep you up to date on the SCCA group that holds local rallies. These are mostly 'gimmick' type rallies where you drive on normal city streets, answer some questions, and finish at a local restaurant. Watch <http://www.texasscca.org/rallytime> for more information on these events.

**HPDE** For High Performance Driving Education (often known as "Tracking your car"), please contact Mike Krieger. This is NOT RACING, this is legally driving at speed in a very controlled environment. High performance driving education will help you in your everyday driving and on the next spirited drive you take.

These events continue through the winter season but as always you have to register well in advance. To be placed on the "Trak Hound Newsletter" mailing list and receive information on local HPDE events.

# **SOUTHWEST OKLAHOMA CORVETTE CLUB Weekend Trip**

**March 20 – 22, 2020**

[Gary Blend](#) – Coordinator

Mark your calendars for this road trip on March 20<sup>th</sup> - 22nd, 2020. Here are all of the smiling faces of last year's club winners. We will caravan on Friday, March 20<sup>th</sup> with a stop in Wichita Falls for lunch, and then on to the Apache Casino Hotel located in Lawton, OK. This show is great because once you unpack, you're there as the show is in the hotel parking lot.

More details to come and will be on our club calendar as soon as the show is announced.

Thanks,

Gary Blend

## **26<sup>th</sup> Annual Tri-City Corvette Club Car Show**

May 1 - 4, 2020

[P & K Davies](#) - Coordinators

**Mark your calendars** for this road trip May 1-4, 2020. This will be our second year attending this show (smiling faces of last year's group shown above! We'll leave Friday, May 1st, and caravan via back roads through the East Texas piney woods stopping in Nacogdoches for lunch and then on to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri-City Corvette Club hosts a Hospitality Night, providing free food and drink. This show is great because once you unpack, you're there; the show is in the hotel parking lot. On Saturday morning, we will get up and do final prep to our cars for the car show. In addition to the car show, there is a Valve Cover Race available for those interested, door prizes, cash prizes, a chance to WIN a NEW 2020 Corvette Stingray (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car.

Sunday morning, May 3rd, you will be free to head home, or as an add-on for those who have the time, we'll head to Galveston via a ferry from the mainland to the island, exploring Galveston's sites and enjoying local seafood. We'll spend the night before heading out Monday morning for the Houston Space Center, if you like. We visited the Space Center last year but didn't get enough time there so we're heading back to see other exhibits and the Mission Control Room, which was under construction last year.

## Houston Space Center

Please sign up on the LSCC website's calendar if you're interested in coming along for this new adventure! It should be loaded onto the website shortly if it's not already there. We will be in touch via email as we finalize the trip details.

Take care,

P & K Davies

# LSCC BIG TRIP 2020

**Black Hills Corvette Classic**

**Yellowstone National Park**

**Grand Teton National Park**

**Glacier National Park**

**July 15, 2020 – July 28, 2020**

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49<sup>th</sup> year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

**For those that may not have two weeks:**

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

**Hotel Reservations:**

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

***There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.***

*FYI...*

Welcome!

## ***2020 Rotating Charity Nominations Re-Vote***

### Rotating Charity Re-Election

We recently discovered an error in the voting procedure for the 2020 Rotating Charity that was scheduled to conclude on February 29. The online process inadvertently omitted the charity write-up for WorldVentures Foundation, while including the same for the other 5 nominated charities. While the information for all 6 charities was included in both the February Newsletter and on the LSCC Website and all 6 names were listed, the BOD felt a new election was in order to assure all of the nominees were treated equally.

The new election will start immediately, and voting will end at midnight on Sunday, March 15, 2020. I apologize to all our members that have already voted for this inconvenience and encourage you to please take the time to vote once again in the new election for our 2020 Rotating Charity. If you did not previously vote, please take the time to review the information on the 6 nominees and vote for the one you think will best represent LSCC as our Rotating Charity.

John M. Raiden

President

### WorldVentures Foundation

Nominated by Pete Issokson

With a Heart to Serve, the WorldVentures Foundation creates positive change for children in underserved communities worldwide. Since 2010, we have served children globally by teaming with like-minded organizations to identify needs and implement sustainable solutions that enrich young lives and promote their health, happiness, safety and development.

With the help of volunteers, donors and service allies, we are making a significant impact on the lives of children in communities around the world. Donations to the Foundation go directly to organizations that uphold causes we support, including education, global footprint, disaster relief and sustainability.

In 2019, the WorldVentures Foundation partnered with 40 organizations and touched the lives of children in 22 countries. More than 2,642 volunteers served 18,856 hours impacting more than 7,400 children worldwide. We hosted 27 Voluntours in 13 countries, completed four Hug It Forward Bottle Schools (totaling 122 so far), funded four schools with Schools for Sumba, and completed 50 Volunteer Days globally.

## **2020 Rotating Charity Nomination**

### **Prestonwood Pregnancy Center**

Nominated by James Coleman

I have a real heart for charities and the good they do for people. I have a very worthwhile charity I've supported for many years which is the Prestonwood Pregnancy Center. They provide counseling and guidance for women who have an unwanted pregnancy. Their goal is to have the baby (instead of aborting the baby) and introduce the free gift of salvation to our Lord and Savior. They are very successful at saving the unborn and bringing the mother to Jesus Christ, after all, the only thing you can take to heaven is the souls you introduce to Jesus. Prestonwood Pregnancy Center has set up clinics close to Planned Parenthood locations where they do over 50 abortions EVERY DAY!!

This is one of the most important ministries I know that saves the unborn and brings the mother (and father) to the Lord. I pray that you will consider this charity worthy of the support of the Lone Star Corvette's support.

In His Grip,

Jim Coleman

Since 1991, Prestonwood Pregnancy Center (PPC) has provided confidential and compassionate assistance to women in the Greater Dallas Fort Worth (DFW) area. As a non-profit organization we are supported by the local community. You do not need insurance and no fees are collected.

Over our 28 years of being in business, PPC has served over 70,000 clients, providing free pregnancy tests, free ultrasounds, consultation, classes and assistance.

- Clients are served regardless of religion, gender, sexual identity or orientation, or any other legally protected classification.
- Clients are treated with kindness, compassion and in a caring manner.
- Client ultrasounds are preformed in accordance with all applicable laws by Registered Nurse Sonographers or Registered Diagnostic Medical Sonographers and are reviewed by licensed Medical Doctors.
- Client pregnancy tests are distributed and administered in accordance with all applicable laws by medically trained personnel.
- Client information is held in strict and absolute confidence, only being disclosed as required by law and when necessary to protect the client or others against imminent harm.
- We will not solicit for additional services, nor do we offer abortions or abortifacients.

## **Witkop Foundation**

Nominated by Keli Hughes

Please accept this submission for the 2020 Lone Star Corvette Classic Rotating Charity nomination for the Witkop Foundation ([www.witkopfoundation.org](http://www.witkopfoundation.org)). Established in 2017, this 501(C)3 non-profit mission honors the sacrifices made by men and women who serve(d) and/or have lost family members in service to our great nation. More details about their programs can be reviewed on their official website as well as a glimpse inside the organization on their social media (Facebook and Instagram) and YouTube channel (<https://www.youtube.com/watch?v=Hd3V60PwXTY>). In this video you will see a Gold Star family from Texas, recently taken on safari in South Africa, in honor of their fallen father and husband, Major Troy Gilbert.

I believe the Witkop Foundation honorably represents the spirit and intent of our charitable gifting program and submit them for consideration of our 2020 honors with the highest possible endorsement possible.

Very Respectfully,

Kelli Hughes

### **MISSION**

The Witkop Foundation is a U.S. based charity, honoring the sacrifices made by veteran, military, and first responder families and is established to:

- Provide them an opportunity to participate in a family oriented outdoor recreation, expedition or safari adventure.
- Promote and Provide hunter education.
- Support managed utilization of natural resources and sustainable hunting.

### **OUR VISION**

Veteran, military, and first responder families have made personal and selfless sacrifices to answer their country's call to duty. Our vision is to provide volunteer and charitable resources to provide those who stand in harm's way, literally a band of brothers and sisters, an opportunity to participate in a professionally guided outdoor experience, often a dream come true adventure of a lifetime -- our way of saying "Thank You" for your service. The Witkop Foundation is established to honor those sacrifices and to show our appreciation; as well as support outdoor education and promote efforts to conserve natural resources around the globe..

## **2020 Rotating Charity Nomination**

**TexasFallenPD**

Nominated by Steve Jones

**TXFallenPD**

### **Honoring The Fallen**

Throughout history, there have been more officers killed in the line of duty in the State of Texas than in any other state or territory. In 2018 we lost eleven officers, these brave men and women show up every day to protect us, not because it's their job, but because it is a calling!

The TXFallen Tribute Event began in 2008 as a police bike race honoring the lives of Texas officers killed in the line of duty. Over the years it has grown into a community fund raising event benefitting the Texas Police Chiefs Association Foundation. Through this their Officer Death Benefit Fund provides monetary assistance within 24 hours to the families of officers working in Texas who die in the line of duty. In 2018 they were able to provide each family with a check for \$5000 to help with immediate financial needs.

The bike race and event takes place each fall at the shops of Highland Village in Highland Village Texas. The 2019 dates for the event have not been finalized. There are many opportunities for you to get involved, such as, sponsorships, donations, and participation in the event itself. Since 2008 we have raised over \$210,000 for the Fallen Officer Fund. Help us reach our goal of \$50,000 this year!

The Texas Police Chiefs Association's Fallen Officer Fund is a registered 501(c)(3). Please visit our web site at: [txfallenpd.com](http://txfallenpd.com).

# 2020 Rotating Charity Nomination

## 22KILL

Nominated by Ken Burks

22KILL creates a community that raises awareness and combats suicide by empowering veterans, first responders, and their families through traditional and non-traditional therapies.

### Traditional Mental Health

Culturally-competent, licensed mental health professionals provide, evidence-based counseling and healing. Activities in a safe and comfortable off-the-grid environment.

#### Stay the Course

22KILL's flagship mental wellness program provides culturally-competent licensed counseling services for veterans, first responders, and their families at little or no cost. Reports show that after at least six counseling sessions, our clients report 40% fewer post traumatic stress symptoms such as anxiety and depression.

### Non-Traditional Wellness Activities

A variety of recreational activities provide an atmosphere of camaraderie include indoor and outdoor group and individual accomplishments.

#### Wind Therapy

A non-traditional program that provides the spirit of camaraderie and belonging often missed by veterans and first responders, these participants learn to focus on the road ahead by learning to ride a motorcycle, joining group rides, learning motorcycle maintenance, and other engaging activities.

#### Forge

Recreational activities are at the core of this non-traditional program that often takes participants out of their comfort zones to grow and heal through indoor and outdoor accomplishments.

#### We Are The Children of Heroes (WATCH)

WATCH provides hope, empowerment, and new happy memories for the children of America's fallen heroes. We aim to lessen further trauma by showing them that they are not alone in their grief and connect them to others who are dealing with the same life challenges.

### Peer Workshops

Peer-led, conversation-based workshops provide a safe and familiar setting to openly talk about experiences and common mindsets. Provides an ideal setting for shared healing.

#### Tribal Council

A peer-to-peer group meeting for veterans and first responders in an open-forum setting closed to the public. Participants enjoy a safe and familiar atmosphere to share and find commonalities in perspectives and experiences.

## **2020 Rotating Charity Nomination**

### **Morgan Adams Foundation**

Nominated by Larry Reyburn

The Morgan Adams Foundation is applying and would love to be considered for the 2020 Rotating Charity partner of the Lone Star Corvette Club.

As a regional pediatric cancer research organization, we are dedicated to funding the best possible new treatment development for kids and teens battling rare pediatric-onset cancers. We actively seek out partnerships across the Western United States and build scientific collaborations that will move really good new ideas out of the laboratories and into the clinics where our children so desperately need them.

The research needed to develop more effective, less toxic treatments for kids fighting cancer is not well funded by traditional federal government grants, and so the bulk of the funding comes from philanthropy and “the private sector.” Our highly focused mission is to seek out partners in this work, and to fund the best new research possible.

We have a 20-year track record of building collaborations between researchers across the country, and we further have a highly successful track record of working alongside partners in the communities our researchers are based.

We have funded more than \$5,250,000 in pediatric cancer research projects and those ideas have progressed to receive an additional \$12,000,000 in Federal support, which matters because Federal support and approval is required to take new research ideas to clinical trial.

We have repeated successes in funding bench-science research projects that have gone on to clinical trial in less than half the time of a typical pipeline, and in 2019 alone we had 10 projects brought to trial in an time of 3 years – both significant accomplishments.

We currently have research partners in Houston and Dallas both of whom are working on finding treatments for cancers that currently have a less-than 35% chance of a diagnosed child living more than 5 years post-treatment.

We are particularly interested in working with the Lone Star Corvette Club because we have been involved in the collector automobile and motorsports world for the last 18 years, running a highly successful Concours as well as a number of vintage racing club “Race Against Kids’ Cancer” events.

We greatly appreciate your consideration of our application and look forward to the opportunity to meet with your club leadership and present our organization in person.

Regards,

Joan Slaughter, Founder

## CLASSIC AUCTION: HOW YOU CAN HELP

How can I help? I hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Classic.

A little background on the Auction: more than a quarter century ago, the Club came up with the idea to put on a car show, have lots of Corvette fun, and hold an auction to raise money for our beneficiaries. That idea has grown into the present-day Lone Star Corvette Classic, an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$20K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

Each of those organizations are 501(c)(3) designated. Speedway Children's Charities makes grants to community-based groups who provide services to kids and their families. The National Corvette Museum provides driver safety information and informative programs for kids, in addition to preserving the history of "America's Sports Car."

So, what can I do, you ask? Make something, buy something, ask the people you do business with for donations; all are great ways to come up with items to auction. Ask the restaurant where you eat regularly for gift certificates. When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets. Framed Corvette posters bring in lots of \$\$\$; autographed items, and unusual car accessories with 'Vette themes are very popular.

Pretty easy, right? You can bring your items with you to the monthly Club meetings, or contact the Live or Silent Auction Coordinator for pickup. We need everything no later than the Club Meeting in May.

Note: Please remember to keep your donations geared towards our helping our charities as those are the beneficiaries of your kindness.

Thanks, and let's get busy!

## CLASSIC AUCTION: HOW YOU CAN HELP

How can I help raise money for our charities? We all want to do our part, and one of the best ways to do that is to come up with Live and Silent Auction items at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction generates approximately \$20K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

### Here's some items that sell very well in the Silent Auction:

- ☐ Toiletries, makeup, and perfume baskets
- ☐ Car cleaning supply baskets
- ☐ Wine baskets
- ☐ Corvette-related jewelry
- ☐ Framed Corvette-related prints, posters and photographs
- ☐ "Man-Cave" or Garage items ( wall hangings, posters, )
- ☐ Corvette and car-related books
- ☐ New or gently-used after-market Corvette accessories
- ☐ Corvette-related luggage, bags, purses, billfolds
- ☐ Restaurant gift certificates
- ☐ Hand-made craft items
- ☐ Diecast Corvette models and Hot Wheels

### For the Live Auction, these bring big money:

- ☐ Items with celebrity autographs, especially Corvette-related
- ☐ Tours and tickets to exclusive places ( charter plane tours, for example )
- ☐ Hotel gift certificates
- ☐ Rare or high-end jewelry
- ☐ Rare Corvette memorabilia
- ☐ Certificates for wheels, exhausts, headers
- ☐ Hand-made quilts

### What you can do:

- ☐ Ask the people you do business with for donations
- ☐ At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- ☐ Ask the restaurant where you eat regularly to donate a gift certificate
- ☐ When you're at a yard sale, garage sale or craft fair, pick up inexpensive, but new or gently used items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings or contact the Silent or Live Auction Coordinator for pickup. We need everything no later than the Club Meeting in May. Note\*\* Since we are unsure of Auction Site staging areas changing over the next year or so, we are asking that as many items as possible be geared towards auction for our charities instead of the LSCC Store. Let's get busy!

## CLASSIC AUCTION: HOW YOU CAN HELP

### **Volunteer Slots for Silent Auction:**

Here are the volunteer slots I'd like to have for Silent Auction at the 2020 Classic: **(Key requirement for the Sunday plan is to have access to the box truck from 9am-11am.)**

**Thursday, 5/21/20**, Silent Auction - Unload truck & Set-up Assistance, 3pm - 6pm, volunteers required: 8

**Friday, 5/22/20**, Silent Auction - Set-up, register bidders, monitor rooms & take payments, 9am - noon, volunteers required: 8

**Friday, 5/22/20**, Silent Auction - Register bidders, monitor rooms & take payments, noon - 4pm, volunteers required: 8

**Saturday, 5/23/20**, Silent Auction - Register bidders, monitor rooms & take payments, 3pm - 6pm, volunteers required: 8 **(bidding ends at 6pm)**

**Saturday, 5/23/20**, Silent Auction - Group items by winning bidder - **NOTE: DURING DINNER!** 6pm-9pm, volunteers required: 8

**Saturday, 5/23/20**, Silent Auction - Announce winners, take payments & give items to winning bidders, 9pm-11pm, volunteers required: 10

**Sunday, 5/24/20**, Silent Auction - Take payments & give items to winning bidders, 7am-9am, volunteers required: 7

**Sunday, 5/24/20**, Silent Auction - Put items in bins & load into truck, 9am-11am, volunteers required: 6

*As a side note: all unclaimed items left-over after 9am on Sunday morning will be offered during a "fire sale" at the next club meeting. I do not plan to contact people after the Classic as in past years. The amount of work required vs. the small amount of money collected is not worth the effort.*

### **Box Truck Requirements:**

Also, as I think the Silent Auction bins make up a large part of the box truck cargo, here's detail on when I need the box truck:

**Thursday, May 21:** 2pm or so - pick up several large bins (maybe 20?), and large items, at my house in SW Ft. Worth, and deliver to the conference hotel around 3pm. The truck will need to stay there for an hour or so while we unload the truck.

**Sunday, May 24:** 9-11am - the truck needs to be at the conference hotel for us to load the bins (hopefully most bins will be empty at this point, but will have some unsold items, as well as silent auction supplies). At the conclusion of the day on Sunday, and after all other items (from other coordinators) is loaded, I need the truck to come back to my house and drop off the unsold items so I can organize them for the "fire sale" at the next club meeting. The empty bins can be taken back to the club storage shed with the helmets, and other Classic supplies.

I don't need the truck at any other times during the event.

## DFW Autorama

February 13th -15th  
Dallas Market Hall

Ken Burks - Coordinator

Building an Autorama display from the ground up! Great job, Coordinator Ken Burks and Participants Tom & Marion Carr, Jeff Knowlton, Lee Brumit, Presley Cantrell, Ronnie & Becky Norcross, and John & Melinda Garay. You folks make LSCC proud! The Dallas Autorama opened at Dallas Market Hall to some beautiful "Z" Corvettes.

Here's the group with their awards. Tom Carr, Jeff Knowlton, Presley Cantrell, Ronnie Norcross, John Garay, and Coordinator Ken Burks

LSCC had a great showing at the 2020 DFW AutoRama. Six 'Vettes were on display and the cars won 7-1st or 2nd place awards... yep, that's about right.

The following members won awards:

Tom Carr - 1st place 2015 Corvette Stingray Z51  
 Jeff Knowlton - 1st Place 1991 Corvette ZR-1  
 Lee Brumit - 1st Place 1995 Corvette ZR-1  
 Presley Cantrell - 1st Place 1974 Corvette  
 John Garay - 1st Place 2018 Corvette Grand Sport Carbon 65  
 Ronnie Norcross - 2nd Place 2019 Corvette ZR-1

For the 2nd year in a row, a LSCC Member won the Rising Star award given for the Best Interior in a car owned by a driver 25 years or younger. Presley Cantrell won for his 1974 C3 Corvette. He and his Father, Steve Cantrell, spent two years restoring his C3. Presley is 17 years old and a Junior in high school. It was great having him show his car at Autorama.

And a super thank-you to LSCC Recreational Events Officer, Ken Burks, who designed and coordinated the display. Good job, Ken!

## LSCC Receives Spirit Awards

A good time, as usual, at February's LSCC Membership Meeting. Doug Gagliano (center), Director of the Dallas Veterans Day Parade, presented John Raiden, LSCC President (left) two Spirit Awards recognizing LSCC for its participation and spirit in the annual DFW Veterans Day Parade. Doug noted the exceptional support received from LSCC, led by Parade Coordinator Rick Herrick (right) . "We're always proud to help honor the brave men and women who keep our country safe."

# Mardi Gras Nocona Stle

Norm Glowicz - Coordinator

LSCC along with our Corvette Friends from Wichita Falls joined in the Mardi Gras Nocona Style parade on February 23rd. This year's parade theme was "Roaring 20's" and Club Members dressed for the part. We began with breakfast at Cracker Barrel in Denton with a stop at Fischer's Market in Muenster. Then a visit to the Horton Classic Car Museum in Nocona. Open lunch with a few of us taking in the newly opened Nocona Beer and Brewery located in the former Nocoan Boot factory. Fianlly, after the parade, members headed to Blue Ostrich Winery to enjoy the North Texas sunset with wine and cheese.

## LSCC at Circuit of the Americas

Shawn Jones - Coordinator

By Phil Key

The picture was taken by Shawn Jones, who set up this opportunity as well as having organized the Corvette Corral for the race event. He is also the Coordinator for the big Corvette Invasion held every July at CoTA.

The picture was a result of a few of us winning a drawing to have a private showing of the C8 race version while at the Lone Star Le Mans held at Circuit of the Americas in Austin, TX this past weekend. Doug Fehan, Corvette Racing Program Manager, held our attention for about forty-five minutes providing a lot of insight about the car as well as the intent for having entered it in the WEC race. Doug stated, "The primary purpose was to gather valuable data on the car's performance for future races." He also basically said that they weren't going to attempt pushing it at its limits during the race. At the end of the six-hour race, the C8.R finished sixth and was still running strong. My son, Christopher, and I watched it overtake and pass several other vehicles including Porsches.

Doug wouldn't allow us to actually see the engine but did say that it was a 5.5-liter dual overhead cam with a flat plane crank. He didn't disclose the true redline but indicated that it could easily rev higher than the push rod engine we have in our production Corvettes. The engine sounded great on the track, needless to say.

FOR MORE INFORMATION ABOUT OUR SHOP

Corvette ownership is a MANDATORY requirement for membership in BBV. Bad Boy Vettes (BBV) was started like many other groups or communities. A shared interest in the Corvette, friendship, and giving back to the community through charitable causes.

- Although the name suggests men only, that is far from true. The group is open to women and men. This group is inclusive, not exclusive.

- Keep the content about Corvettes. We know you have other cars, motorcycles, boats and toys. If you post a picture that has your Corvette and some other toy, no problem. If you are posting a picture of a toy but there is no visible Corvette, your content will be removed.

- The content here is family friendly. We want the content to be conservative in nature. Any content that is questionable will likely be removed. Use your common sense, please. We know in the summer everyone is running around in flips, bathing suits, etc. Please keep it clean. Politics and other drama have no place here.

- The Bad Boy Vettes name is trademarked (tm). All rights reserved. Any use of the name must be approved by James Williams.

- On the subject of racing, we will remove all content associated with racing on the street. We don't condone that. Track racing is different. Although track racing can be dangerous, we simply don't condone racing or poor driving on public roadways.

- Abusive language and behavior will not be tolerated. We want facebook and our events to be fun. If you get ugly with someone, the content will be removed and you'll likely be removed from the group. We kid around a lot here and push the envelope on occasion, but we want this to be fun. We'll try to stay in control if you will too.

- BBV swag is on display and for sale at [www.bbvcustoms.com](http://www.bbvcustoms.com)

- You may see promotions here on BBV swag items. You may also see ads from approved vendors. No other selling is permitted on Bad Boy Vettes (BBV).

### 2015 C7 Coupe -

This is the first Corvette that I ordered to my specs. I designed it to fulfill my every driving experience. From the highly visible black stripes, LT2 option and Z51 package to the painted carbon fiber ground effects, heads up display, magnetic ride, PDR and blue-tooth, 3M tinting and 3M film over all vulnerable areas. Tires are at 7/32nds. This car has been to Alaska and averaged just over 28 mpg. It has done 0-60 in 3.2 seconds.

There are 37,500 miles on this car and comes with a 4 year full coverage (except wear and tear) ALLY warranty good for more than 4 years, thru May 2024 and an additional 75,000 miles. This is a beautiful eye catching car. You will love it. My C-8 order was just processed and 3 Corvettes are to many for my wife. The options on this car made the sticker price at \$81,000. and it can be yours with a Warranty for \$42,900. If you desire a previously enjoyed C7 and do not want the worries that come with buying someone else's used car, give me a call.

Miles: 37,500 miles.

Asking: \$42,900.00
