Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

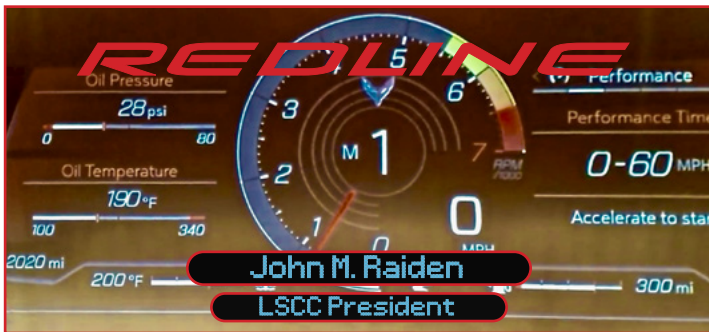

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden
President

We had a great turnout for the March Club meeting at LG Motorsports in Anna, supporting the concept that we don't mind a bit of distance as we are driving the best sports car around. Fernando and Sergio did a fantastic job hosting the meeting and providing some excellent bar-b-que for us. It was good to hear Lou's update on the motorsports track he is building and that he will once again be offering rides in one of his special performance cars at the Lone Star Corvette Classic. Attend the Sat. night Awards Dinner and bid on one the opportunities, it may be in a new souped up C8!

As you are all aware the country and most of the world is in the middle of a pandemic called the Coronavirus that has affected thousands of people. The US is getting somewhat of a delayed start in available testing, but most states, communities and schools have taken quick and direct steps to mitigate the spread of the virus by essentially shutting down schools and mass gatherings of people. Unfortunately, this has led to some unusual shopping trends to load up on food & supplies. Similar to what happens when the 1st snowflake falls only much more dramatic.

I firmly believe that if we use the plain old common sense and good hygiene practices, we all grew up with that we can manage this virus situation with minimal inconveniences. Limiting close contact with others, not shaking hands or hugging, staying home if you are sick, frequent washing of the hands, using hand sanitizers are all good tips to try and keep from catching or spreading the virus.

We will try to keep our members advised of changes the club will take or if any of our trips are postponed or cancelled. We saw that with the GoodGuys cancelling their Spring show after Fort Worth implemented a Public Health Emergency. We also have been advised that the TCA Open Car Show held in Boerne in mid-April as been postponed to sometime in the Fall. I expect there will be many more such announcements over the next month or so and we will make every attempt to keep everyone posted as they occur. Your board and The Thompson Group are in discussion about whether to cancel the April Club meeting, we will advise as soon as a decision is made.

The Coronavirus is a serious situation, I urge all our members to heed the advice of the CDC and your local city and most of all **BE SAFE**.

Thank you to our sponsor – The Thompson Group at Classic Chevrolet

"Good Friends, Great Cars"

As we end the month of March and the Coronavirus spread across the world, we came across many cancellations and school closings that affected us all in some sort of fashion. Perhaps for some of you, your grandchildren had an extended spring break or a special concert or game that you were going to attend was cancelled. Or did you happen to go to the grocery store and find empty shelves? For some LSCC volunteers, Good Guys was cancelled. Continue to wash your hands regularly, cover your mouth and nose when sneezing and avoid close contact with anyone showing symptoms of respiratory illness such as sneezing and coughing. Hopefully all things will start getting better and fade away in coming weeks.

We have many activities coming up in the month of April so you will definitely want to take a look at the all activities going on and get involved. There is so much to choose from. We start off with Corvettes and Coffee on April 4th then continue for the 22nd Annual Corvette Weekend in Hot Springs the 17th – 19th. For this trip you will need to register online. Or if you prefer, you can attend the Texas Corvette Association 28th Annual Open Car Show in Boerne. Registration is also required online, and this event will take place April 17th – 18th. Interested in a week trip? The LSCC Sponsorship XP-987 GT NCM Recognition Trip at the 2020 NCM Bash is happening April 21st – 26th. Ideas are still being formulated but there is a rough draft of the details online that you can access once you log in. And lastly, Auto-4-Animals Car Show is on the 25th and registration will also be required.

Just a reminder, our next month meeting will be April 11th at The Thompson Group – Classic Chevrolet. And for all of you wondering about lunch, yes lunch will be provided.

(Check the LSCC Calendar for updates on events. -ed.)

NCM News

The C8s are out! If you have not seen one up close, you will soon.

C8 Deliveries

Shipment of the 2020 Stingray officially started on March 4. The Thompson Group at Classic received their initial shipment of C8 Corvettes the following day, March 5. As more shipments arrive, you might be able to check out one of the new Vettes before it is picked up by its happy new owner.

Museum deliveries began the second week of March. Their first batch of 12 cars was received on Thursday, March 5. Included in that group were the VIN 25 Corvette that was raffled at the Museum's 25th Anniversary Celebration last August, and one of seven Corvettes ordered for guests to drive on track at the NCM Motorsports Park. The hues of the cars included Torch Red, Arctic White and Sebring Orange. In the batch are cars for NCM Board Chair Glenn Johnson and his wife Andrea, NCM Ambassador Jeremy Welborn and his wife Gina, and many other past customers! Delivered VINs include 25, 29, 30, 42, 50, 66, 93, 148, 167, 239, 247 and 369.

Both Glenn and Andrea Johnson of Port Neches and Jeremy and Gina Welborn of Lawton, Oklahoma, are LSCC members. The Johnson Corvette was the first C8 delivered at the Museum. Both couples plan to bring their C8s to the Lone Star Classic. In fact, anyone attending the Southwest Oklahoma Corvette Club show March 20-22, had the opportunity to inspect Jeremy's Sebring Orange coupe up close.

C8 at the Bash

Rescheduled to May 28-30, the Bash is the best place to see a large number of 2020 Corvettes. These cars are to inspect, touch, and sit in. All manner of questions will be answered by the Corvette engineers there. And, most assuredly the new convertible will be on display.

There's lots more to do at the Bash.

- ☐ New Performance Gallery
- ☐ Entombed Corvette exhibit
- ☐ Big Daddy Roth hot rod exhibit
- ☐ Road tours
- ☐ Touring laps in the C8
- ☐ Special event honoring LSCC members as Naming Rights Sponsors of the XP-987
- ☐ Much more

You have plenty of time to plan this great trip, so go to the LSCC website and register for the Bash. You will receive all the information, including room blocks. Don't miss this awesome event.

C8 at the Classic

As mentioned, Glenn Johnson and Jeremy Welborn will have their 2020 Corvettes at the show. We expect quite a few more. The C8 convertibles are scheduled for production in late April or early May, so at least one convertible should make the show.

Speaking of the show, Derek Moore Museum Curator, Sean Preston President & CEO and Adam Boca will be bringing the XP-987 experimental 2-rotor Corvette to the Classic. Details were in the March NCM news article. This is great news, but it creates a problem. Because Derek and Sean are coming, our great friends Stephanie and Madison Morrill are not. There is some question as to how well these guys can handle NCM merchandise. So, volunteers to help the Museum are needed more than ever. Please sign up on the Classic volunteer page of our website or contact Johnny Downs.

C8 Corvette Raffles

The very best way to see the 2020 Corvette is to have one in your driveway. The least expensive way to accomplish this is to win one. To make this really easy for you I will have raffle order forms at the May meeting and will deliver them for you to NCM when we attend the Bash. Can't wait? Download the order form at <https://raffle.corvettemuseum.org/index.cfm>.

Current NCM raffles—

2020 BYO Corvette on 4/24/20 Cost \$250.00

2020 Black Corvette Coupe 4/25/20 Cost \$20.00

2020 Torch Red Convertible on 4/30/20 Cost \$150.00

For information concerning anything NCM, contact Johnny Downs 214/384-8565; 903/564-3069 or ediewoww@aol.com.

2020 Bash date has been revised

By P & K Davies

Due to virus and government's request for reduced travel and exposure to large groups, the National Corvette Museum has rescheduled the Bash to the last weekend in May. With this new information, we are informing our members of this date change. If others are interested in joining LSCC's trip to the National Corvette Museum, please log onto the LSCC website's to register; more trip details will follow to anyone who registers on our LSCC website. We're already communicating directly with those who had already signed up for the trip originally scheduled in April.

The Museum will give special recognition to LSCC members for their generosity at a reception just prior to the Winners Circle banquet during the Bash Friday evening. So if you haven't already registered, please log onto the Club website and look for the XP-987 GT Recognition trip last week in May. The trip outline is:

Depart for Bowling Green, Tuesday, May 26th; stay overnight near Memphis. Arrive Bowling Green May 27th.

May 28-30 – Michelin NCM Bash. When we get to the Bash in Bowling Green, we are anticipating plant tours may be an option, a ride in the XP-987 GT for those who are contributing to the XP-987 GT, checking out the C8 convertible, seminars, etc. A special recognition event for those LSCC members who contributed to the XP-987 GT will be part of this weekend. Those eligible for Winner Circle will still be invited to that event Friday evening.

As in past years at the Bash there will be a large contingent of GM engineers and designers from Warren Tech Center, and the Bowling Green Assembly Plant ready to answer your every question. The Bash is a mixture of Road Tours to Kentucky Attractions, Presentations by Corvette Celebrities, Product Demonstrations, Technical Seminars, Classroom Sessions with Corvette Technicians, Car Shows, Vendors, the Ladies Oasis, and more.

MAY 28-30, 2020

**MUSEUM CLOSED TO THE PUBLIC AFTER WEDNESDAY, MARCH 18th
R8C CORVETTE DELIVERIES TO CONTINUE**

Per executive order of Kentucky Governor Beshear, the National Corvette Museum is closed to the public effective at 5pm Wednesday, March 18. This closure does NOT affect the R8C Museum Delivery program for new Corvette owners picking up their cars.

Our top priority is the health and safety of our visitors, volunteers, staff, their families and our community. While there have been no known cases of COVID-19 at the Museum or in our community, the decision is based on guidelines from the CDC and public health officials attempting to slow the spread of COVID-19. We will continue to monitor guidance from local, state and national officials and will announce a reopen date once it is known.

Museum hosted events in March, April and early May have been rescheduled or postponed.

Museum administration will continue to work behind the scenes, offering customer service and managing the many on-going programs and projects, including renovations to the Performance & Racing Gallery, Design & Engineering Gallery and new Entombed Corvette display. Additionally, the Museum will be launching a new educational series, posting live videos each weekday at 10am CT geared towards kids and families on our Facebook page and YouTube.

Please consider supporting the Museum through the purchase of tax-deductible Memberships, corvettestore.com merchandise, Corvette raffle tickets, commemorative bricks, admission tickets for a future visit or any of the many other fundraising programs offered at corvettemuseum.org.

NCM Donations

Consider becoming a Lifetime Member, Member or simply donating to the NCM during this difficult time. Your support is important and makes a difference. -ed.

Texas Chapter

Ray Kimminau, Coordinator

Membership in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit www.ncrs.org for the complete show for judging schedule and a list of available hotels in the area.

Scheduled NCRS Events for 2020

CHECK THE NCRS WEBSITE FOR EVENT CANCELLATIONS

• NCRS Texas Chapter Houston Judging Event - April 4, 2020
Frank's Car Barn or Gary Thomas Garage. (TBD)

• Adirondack Regional - May 14 - 16
Latham, New York

• Rocky Mountain Regional - May 29 - 30
Loveland, Colorado

• North Central Regional - June 11 - 13
Rochester, Minnesota

• National Convention - July 19 - 23
French Lick, Indiana

• Northwest Regional - August 20 - 22
Redmond, Oregon

• Texas Regional - October 22 - 24
Frisco, Texas

The Concours Judging Program is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org.

Mark your calendars for this road trip May 1-4, 2020. This will be our second year attending this show (smiling faces of last year's group shown above! We'll leave Friday, May 1st, and caravan via back roads through the East Texas piney woods stopping in Nacogdoches for lunch and then on to the Holiday Inn (HI) located in Beaumont, TX. Friday night Tri-City Corvette Club hosts a Hospitality Night, providing free food and drink. This show is great because once you unpack, you're there; the show is in the hotel parking lot. On Saturday morning, we will get up and do final prep to our cars for the car show. In addition to the car show, there is a Valve Cover Race available for those interested, door prizes, cash prizes, a chance to WIN a [NEW 2020 Corvette Stingray](#) (Compliments of MOORE GM) and a FREE Photo Plaque with a picture of your car.

Sunday morning, May 3rd, you will be free to head home, or as an add-on for those who have the time, we'll head to Galveston via a ferry from the mainland to the island, exploring Galveston's sites and enjoying local seafood. We'll spend the night before heading out Monday morning for the Houston Space Center, if you like. We visited the Space Center last year but didn't get enough time there so we're heading back to see other exhibits and the Mission Control Room, which was under construction last year.

Houston Space Center

Please sign up on the LSCC website's calendar if you're interested in coming along for this new adventure! It should be loaded onto the website shortly if it's not already there. We will be in touch via email as we finalize the trip details.

Take care,

P & K Davies

LSCC BIG TRIP 2020

Black Hills Corvette Classic

Yellowstone National Park

Grand Teton National Park

Glacier National Park

July 15, 2020 – July 28, 2020

[Mike & Michele Woolsey](#) - Coordinators

Next year will be the 49th year for the Black Hills Corvette Classic. The Sioux Falls Corvette Club typically expects about 400 Corvettes to attend. Assuming that next year's event is similar to this year's, there will be plenty to see and do at this all Corvette extravaganza including: a banquet, drag racing, autocross, a show and shine, multiple sight-seeing drives including "Breakfast with the Presidents", opportunities to ride the "1880 Train" and more.

Some samples of what you will have the opportunity to see in the Black Hills South Dakota area:

- ☐ The Badlands
- ☐ Wall Drug
- ☐ Mount Rushmore
- ☐ Crazy Horse
- ☐ Devil's Tower
- ☐ Deadwood (Bill Hickok's last stand)

We will depart the Black Hills after the BHCC has concluded and head towards Yellowstone National Park. On the way we will visit the site of Custer's Last Stand (Little Bighorn battlefield). We will make our way to Yellowstone over the incredibly scenic beautiful Bear Tooth Highway and then spend almost 3 days in the greater Yellowstone/Grand Teton National Parks area. The grandeur and breadth of the experience at Yellowstone is almost impossible to describe. From Old Faithful, the Grand Canyon of the Yellowstone, Prismatic Spring to the varied abundance of wildlife it will be an adventure you won't forget. Be sure to get photos of your Corvette with the Tetons in the background. Be sure to visit Jenny Lake in Grand Teton National Park.

The next stage of the trip involves a run north to Glacier National Park. Along the way we will have an extended drive along Flat Head Lake and will plan to stay outside the western entrance to the park. The following day we will have a leisurely drive on the stunning Going to the Sun Road viewing lakes, glaciers, waterfalls and truly magnificent mountain vistas. Bears, mountain goats, and Big Horn Sheep populate the park. Hopefully they will want to see us as much as we want to see them. We are going to take our time, so there will be plenty of opportunities to enjoy short hikes and set up the perfect photo. If you enjoyed Trail Ridge Road, you are going to love this drive.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

For those that may not have two weeks:

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

Hotel Reservations:

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.

Nominated by Steve Jones

TXFallenPD

Honoring The Fallen

Throughout history, there have been more officers killed in the line of duty in the State of Texas than in any other state or territory. In 2018 we lost eleven officers, these brave men and women show up every day to protect us, not because it's their job, but because it is a calling!

The TXFallen Tribute Event began in 2008 as a police bike race honoring the lives of Texas officers killed in the line of duty. Over the years it has grown into a community fund raising event benefitting the Texas Police Chiefs Association Foundation. Through this their Officer Death Benefit Fund provides monetary assistance within 24 hours to the families of officers working in Texas who die in the line of duty. In 2018 they were able to provide each family with a check for \$5000 to help with immediate financial needs.

The bike race and event takes place each fall at the shops of Highland Village in Highland Village Texas. The 2019 dates for the event have not been finalized. There are many opportunities for you to get involved, such as, sponsorships, donations, and participation in the event itself. Since 2008 we have raised over \$210,000 for the Fallen Officer Fund. Help us reach our goal of \$50,000 this year!

The Texas Police Chiefs Association's Fallen Officer Fund is a registered 501(c)(3). Please visit our web site at: txfallenpd.com.

CLASSIC AUCTION: HOW YOU CAN HELP

How can I help? I hear that all the time from LSCC members, especially when we're talking about raising money for our beneficiaries. We all want to do our part, and one of the best ways to do that is to come up with items to auction off at the Classic.

A little background on the Auction: more than a quarter century ago, the Club came up with the idea to put on a car show, have lots of Corvette fun, and hold an auction to raise money for our beneficiaries. That idea has grown into the present-day Lone Star Corvette Classic, an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction now generates around \$20K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

Each of those organizations are 501(c)(3) designated. Speedway Children's Charities makes grants to community-based groups who provide services to kids and their families. The National Corvette Museum provides driver safety information and informative programs for kids, in addition to preserving the history of "America's Sports Car."

So, what can I do, you ask? Make something, buy something, ask the people you do business with for donations; all are great ways to come up with items to auction. Ask the restaurant where you eat regularly for gift certificates. When you're at a yard sale, garage sale or craft fair, pick up inexpensive items that can be grouped into gift baskets. Framed Corvette posters bring in lots of \$\$\$; autographed items, and unusual car accessories with 'Vette themes are very popular.

Pretty easy, right? You can bring your items with you to the monthly Club meetings, or contact the Live or Silent Auction Coordinator for pickup. We need everything no later than the Club Meeting in May.

Note: Please remember to keep your donations geared towards our helping our charities as those are the beneficiaries of your kindness.

Thanks, and let's get busy!

CLASSIC AUCTION: HOW YOU CAN HELP

How can I help raise money for our charities? We all want to do our part, and one of the best ways to do that is to come up with Live and Silent Auction items at the Lone Star Corvette Classic.

The Classic is an annual 3-day Event held each May at Texas Motor Speedway. The Classic Auction generates approximately \$20K, which is split 40% to Speedway Children's Charities, 40% to The National Corvette Museum, and 20% to our Rotating Charity.

Here's some items that sell very well in the Silent Auction:

- ☐ Toiletries, makeup, and perfume baskets
- ☐ Car cleaning supply baskets
- ☐ Wine baskets
- ☐ Corvette-related jewelry
- ☐ Framed Corvette-related prints, posters and photographs
- ☐ "Man-Cave" or Garage items (wall hangings, posters,)
- ☐ Corvette and car-related books
- ☐ New or gently-used after-market Corvette accessories
- ☐ Corvette-related luggage, bags, purses, billfolds
- ☐ Restaurant gift certificates
- ☐ Hand-made craft items
- ☐ Diecast Corvette models and Hot Wheels

For the Live Auction, these bring big money:

- ☐ Items with celebrity autographs, especially Corvette-related
- ☐ Tours and tickets to exclusive places (charter plane tours, for example)
- ☐ Hotel gift certificates
- ☐ Rare or high-end jewelry
- ☐ Rare Corvette memorabilia
- ☐ Certificates for wheels, exhausts, headers
- ☐ Hand-made quilts

What you can do:

- ☐ Ask the people you do business with for donations
- ☐ At the Club Meetings, if you win something in the RAFFLE you already have, donate it to the Auction
- ☐ Ask the restaurant where you eat regularly to donate a gift certificate
- ☐ When you're at a yard sale, garage sale or craft fair, pick up inexpensive, but new or gently used items that can be grouped into gift baskets

You can bring your items with you to the monthly Club meetings or contact the Silent or Live Auction Coordinator for pickup. We need everything no later than the Club Meeting in May. Note** Since we are unsure of Auction Site staging areas changing over the next year or so, we are asking that as many items as possible be geared towards auction for our charities instead of the LSCC Store. Let's get busy!

CLASSIC AUCTION: HOW YOU CAN HELP

Volunteer Slots for Silent Auction:

Here are the volunteer slots I'd like to have for Silent Auction at the 2020 Classic: **(Key requirement for the Sunday plan is to have access to the box truck from 9am-11am.)**

Thursday, 5/21/20, Silent Auction - Unload truck & Set-up Assistance, 3pm - 6pm, volunteers required: 8

Friday, 5/22/20, Silent Auction - Set-up, register bidders, monitor rooms & take payments, 9am - noon, volunteers required: 8

Friday, 5/22/20, Silent Auction - Register bidders, monitor rooms & take payments, noon - 4pm, volunteers required: 8

Saturday, 5/23/20, Silent Auction - Register bidders, monitor rooms & take payments, 3pm - 6pm, volunteers required: 8 **(bidding ends at 6pm)**

Saturday, 5/23/20, Silent Auction - Group items by winning bidder - **NOTE: DURING DINNER!** 6pm-9pm, volunteers required: 8

Saturday, 5/23/20, Silent Auction - Announce winners, take payments & give items to winning bidders, 9pm-11pm, volunteers required: 10

Sunday, 5/24/20, Silent Auction - Take payments & give items to winning bidders, 7am-9am, volunteers required: 7

Sunday, 5/24/20, Silent Auction - Put items in bins & load into truck, 9am-11am, volunteers required: 6

As a side note: all unclaimed items left-over after 9am on Sunday morning will be offered during a "fire sale" at the next club meeting. I do not plan to contact people after the Classic as in past years. The amount of work required vs. the small amount of money collected is not worth the effort.

Box Truck Requirements:

Also, as I think the Silent Auction bins make up a large part of the box truck cargo, here's detail on when I need the box truck:

Thursday, May 21: 2pm or so - pick up several large bins (maybe 20?), and large items, at my house in SW Ft. Worth, and deliver to the conference hotel around 3pm. The truck will need to stay there for an hour or so while we unload the truck.

Sunday, May 24: 9-11am - the truck needs to be at the conference hotel for us to load the bins (hopefully most bins will be empty at this point, but will have some unsold items, as well as silent auction supplies). At the conclusion of the day on Sunday, and after all other items (from other coordinators) is loaded, I need the truck to come back to my house and drop off the unsold items so I can organize them for the "fire sale" at the next club meeting. The empty bins can be taken back to the club storage shed with the helmets, and other Classic supplies.

I don't need the truck at any other times during the event.

LSCC March Meeting at LG Motorsports

March 7th, 2020

Ellie Mendez - Coordinator

LSCC had a blast at LG Motorsports with over 140 club members in attendance! We held our monthly club meeting at their facility in Anna, Texas; and boy, there were there a lot of beautiful Vettes on display! Lou Gigliotti made an appearance promoting LG Motorsports Park and informing us his LG C7Z06 with every part they manufacture is for sale. See the Classified Section for more details.

Thank-you to owners Sergio De La Torre and Fernando for providing lunch and hosting both our Board Meeting and Membership Meeting. You're the best!

Unfortunately, the event had been cancelled for the rest of the weekend, but while it was open, LSCC was on the job! Thanks to Carolyn Atkins for the pictures, hope y'all didn't get too wet!

MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club

Location: LG Motorsports, Westminster TX

Date: March 7, 2020

The Business Meeting of the Lone Star Corvette Club was called to order at 11:51 AM (Seiko Time).

The 2020 Officers and Ambassadors were introduced:

John Raiden, President

Ellie Mendez, Vice President

Janet Glowicz, Recording Secretary

Ken Burks, Recreational Events

Carolyn Elmore, Treasurer

Terri Krieger, Financial Officer

Ralph Teehee, 2020 Classic Officer

Joe Carrion, Membership Officer

Norman Glowicz, Newsletter Officer

Michele Woolsey, Technical Officer

Allen Scott, Competitive Events Officer

Linda Shellberg, Public Relations Manager

Johnny Downs, NCM Ambassador

Robert Shellberg, The Thompson Group at Classic Chevrolet Liaison

Phil Key, New Member Navigator

Approximately 140 members attended the meeting, which was a lovely day trip for many members. However, for the club president it involved a detour via a white rock road. Prior to the meeting members were treated to the sound of a C6 Z06 Corvette purring on the garage dyno.

Janet Glowicz, Recording Secretary, recorded the Minutes. She requested a motion to approve the February, 2020 Business Meeting minutes as published in the March, 2020 Newsletter. A motion was made, seconded and approved to accept her report without discussion.

Terri Krieger, presented the financial report. A motion was made, seconded and approved to accept her report without discussion.

Joe Carrion, Membership Officer, reported that as of March 1, 2020, LSCC has 1237 members holding 670 memberships. A motion was made, seconded and approved without discussion to accept all the new members listed in the February 2020 Newsletter.

The rotating charity selection is undergoing a re-vote as the description of one of the charities was inadvertently omitted from the website. Michelle Woolsey encouraged members to re-vote and reminded them to log in.

Ron Jones was nominated for the position of Classic Officer 2021, his nomination was seconded and club members elected him to the position.

Lou Gigliotti made a brief presentation welcoming the members to the garage. LG Motorsports offered to raffle a set of sway bars and a set of headers during the meeting. Lou offered to provide rides at the Lonestar Corvette Classic to be auctioned at the live auction, benefiting the rotating charity.

John Raiden led an acapella birthday song honoring members with March birthdays.

Meeting Adjourned at 12:20 PM.

Corvette ownership is a MANDATORY requirement for membership in BBV. Bad Boy Vettes (BBV) was started like many other groups or communities. A shared interest in the Corvette, friendship, and giving back to the community through charitable causes.

- Although the name suggests men only, that is far from true. The group is open to women and men. This group is inclusive, not exclusive.

- Keep the content about Corvettes. We know you have other cars, motorcycles, boats and toys. If you post a picture that has your Corvette and some other toy, no problem. If you are posting a picture of a toy but there is no visible Corvette, your content will be removed.

- The content here is family friendly. We want the content to be conservative in nature. Any content that is questionable will likely be removed. Use your common sense, please. We know in the summer everyone is running around in flips, bathing suits, etc. Please keep it clean. Politics and other drama have no place here.

- The Bad Boy Vettes name is trademarked (tm). All rights reserved. Any use of the name must be approved by James Williams.

- On the subject of racing, we will remove all content associated with racing on the street. We don't condone that. Track racing is different. Although track racing can be dangerous, we simply don't condone racing or poor driving on public roadways.

- Abusive language and behavior will not be tolerated. We want facebook and our events to be fun. If you get ugly with someone, the content will be removed and you'll likely be removed from the group. We kid around a lot here and push the envelope on occasion, but we want this to be fun. We'll try to stay in control if you will too.

2015 C7 Coupe -

This is the first Corvette that I ordered to my specs. I designed it to fulfill my every driving experience. From the highly visible black stripes, LT2 option and Z51 package to the painted carbon fiber ground effects, heads up display, magnetic ride, PDR and blue-tooth, 3M tinting and 3M film over all vulnerable areas. Tires are at 7/32nds. This car has been to Alaska and averaged just over 28 mpg. It has done 0-60 in 3.2 seconds.

There are 37,500 miles on this car and comes with a 4 year full coverage (except wear and tear) ALLY warranty good for more than 4 years, thru May 2024 and an additional 75,000 miles. This is a beautiful eye catching car. You will love it. My C-8 order was just processed and 3 Corvettes are to many for my wife. The options on this car made the sticker price at \$81,000. and it can be yours with a Warranty for \$42,900. If you desire a previously enjoyed C7 and do not want the worries that come with buying someone else's used car, give me a call.
