Just bought a new Corvette? Or just love them? Welcome, you've come to the right place!

The Lone Star Corvette Club is dedicated to the Corvette lifestyle and the people that own them.

Our Club slogan says it all:

Good Friends... Great Cars!

Founded in 1982, the Club now has over 1,000 members – each with his/her own story to tell of how they found that perfect “Vette.” Based in the Dallas – Fort Worth Metroplex, it offers just about any activity an owner of “America’s Sports Car” could want: Road Trips, Day Trips, Open Road Racing, Drag Racing, Autocross, NCRS (National Corvette Restorers Society), Car Shows, Displays and Parades, the Lone Star Corvette Classic, Club Meetings, and most of all, fun times with good friends.

Road Trips – Want to explore the wide open road? The Club takes at least one significant road trip each year, usually in conjunction with a Corvette event. A large group recently returned from a caravan to Eureka Springs, Arkansas, winning the club participation event at the show. Past trips have taken us to the Upper Peninsula of Michigan, the Barrett Jackson Auction in Scottsdale, Arizona, the National Corvette Museum’s 15th Anniversary Caravan to Bowling Green, Kentucky, and many more.

Day Trips – Want to enjoy North Texas? Just about every month finds a group of us headed somewhere in our Corvettes for a day of fun on the road. It might be for a tour of some local wineries, a trip to the Historic Fort Worth Stockyards for a cattle drive and BBQ, a car show being held by another Corvette club, a tour of members’ garages, or just a drive in the country to enjoy our cars and each other’s company.

Open Road Racing – Like to go fast in your Vette? Many Club members participate in Open Road Racing at events held in Big Bend, Texas and Arnold, Nebraska. In addition, several driving schools are offered in the DFW area where you can go to hone your driving skills. For more information, just “click” on [“Open Road Racing”](#).

Drag Racing – Want to “go fast”? Join the club Drag Racers. They compete at tracks around the Metroplex for trophies and bragging rights. Many members – both ladies and men – race cars (pickups too) in addition to Corvettes. No experience is required. For more information, just “click” on [“Drag Racing”](#).

Autocross – Want to sharpen your driving skills? Try autocross! An autocross is a timed competition where drivers navigate, one at a time, through a temporary course marked by traffic cones, usually in a parking lot. Autocross places more emphasis on car handling and driving skill than on sheer horsepower. For more information, just “click” on [“Autocross”](#).

NCRS – Want your older model corvette to be an accurate icon? Many Club members also belong to the NCRS – National Corvette Restorers Society. If you are into originality and the preservation of the Corvette as an icon, you will find many in the Club that share your passion. For more information, just “click” on [“NCRS”](#).

Car Shows – Love showing your Vette off or having it judged? On almost any weekend (except for a few in the winter), at least one group from the Club will be headed to either a local or an out-of-town car show. We usually caravan to the out-of-town shows as a group and use the trip as a good excuse to socialize and dine out together. The Club sponsors a group of members each year in Dallas Autorama.

Displays and Parades – Looking to share the Corvetter spirit? Every year we man a display of our cars in the Dallas New Car Show at the Convention Center. We also take a large contingent of Vettes to the State Fair of Texas. We’ve been asked in the past to drive Indy Car drivers around the Texas Motor Speedway’s oval before races. Christmas finds us backing up the bikers in the Great Texas Toy Run that benefits thousands of needy children in the area. The Dallas Veterans’ Day Parade has come to rely on the Club to provide cars and drivers for over 100 WWII Veterans each year. Ask any Club member who has participated and you will be told what an honor it is.

Lone Star Corvette Classic – In May of each year, the premier Corvette event in Texas is held at the Texas Motor Speedway by the Club. During its three day run, the “Classic” attracts hundreds of Corvettes and Corvette Club members from across the US and Canada. In addition, Corvette enthusiasts from around the area attend the event to take advantage of many different activities, including judged and Show N Shine indoor car shows, a variety of automotive vendors, good food, and exciting track events held on the Texas Motor Speedway’s oval and road course. 100% of the net proceeds from the Classic go to support the Club’s two main charities, The National Corvette Museum and Speedway Children’s Charities, and a third charity chosen from several candidates each year by Club members.

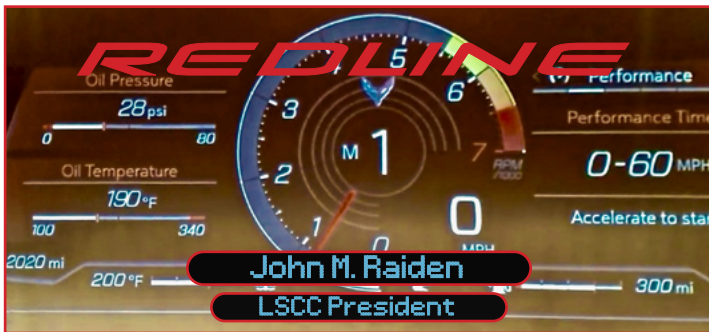

Club Meetings – We want you! The Club meets on the second Saturday of each month at various locations around the Metroplex. We would love to have you come to a meeting and “check us out.” I’d like to encourage you to further explore our website. A glimpse at the Club’s Event Calendar will give you a good overview of just how active and diverse our Club is. Just “click” on [“Event Calendar”](#).

If LSCC looks like a good fit, you can join and pay online. Just “click” on [“Join the Club”](#).

If you have any questions or would like some additional information about the Club, please contact me.

Sincerely,

John M. Raiden
President

2020 is rapidly coming to a close and I am sure that you, much like me, will gladly welcome 2021 with hope of a much better year. The COVID

Pandemic has claimed over 250,000 American lives and continues to impact our daily activities and was such a major factor in what LSCC was able to do as a club. Meetings and normal trips were cancelled, and we all learned how to social distance and wear our masks in order to retain some sort of club activity. While several coronavirus vaccines are on the verge of being approved, it will be early 2021 before any widespread distribution will be available. This is good news as we end a rather bleak year and provides some optimism for the future.

It has been my honor and pleasure to serve as your President for the last two years and to represent the club at various functions at the National Corvette Museum and Speedway Children's Charities, as well as support of our sponsor. Being able to represent the largest Corvette Club was an honor and a humbling experience, hopefully I was worthy of your trust. I was very fortunate to have a very capable Board of Directors with each member handling their responsibilities in a dedicated, professional manner, each deserves a hardy Thank You. An important thing to remember is that all board positions are volunteers who give of their time and talent, some learning as they serve, with the sole goal of maintaining LSCC as a premier Corvette Club.

Typically, a year end message would look back with fondness on all the good things and fun times we had as a club during the year, but not this year. I think we are just happy to have survived. Almost all of the trips and car shows we typically attend were cancelled. Our own Lone Star Corvette Classic fell victim, something that had not happened in the prior 30 years the event has been held. In spite of the cancellation and thanks to the generosity of our event sponsors, the Show N' Shine support from LSCC and our 4 Classic Road Rally events we were able to donate a total of \$25,000.00 to our charities.

Rebecca and I wish you and your family a very Merry Christmas and a Happy New Year in spite of the pandemic situation. Enjoy the holidays, but please stay safe, we want to see you in 2021!

Check the website frequently as activities will start in January.

Special thanks to our club sponsor –

The Thompson Group at Classic Chevrolet

"Good Friends, Great Cars"

As we come to the end of 2020, let us all reflect all the good times in this pandemic. Even though we faced some tough challenges, we made the most out of it and still managed to raise money for our charities and have good times with friends.

Before we can say goodbye to the year, remember that we still have our Christmas Party and December meeting. The Christmas Party will be at Hula Hut in Little Elm on Dec. 5th from 6-10pm. There will be good food, music and many raffle items. Seating is limited, so please be sure to register! Our club meeting will be at Cooper's Old Time Pit Bar-B-Que in the historic Fort Worth Stockyards on Dec. 12th. See you at both events!

Lastly, I want to say it has been an honor to serve as your Vice President for the past 2 years. I have met so many people along the way and developed many friendships more than I ever imagined. As I look forward to next year and prepare to be your President, I know that I have big shoes to fill. I want to thank our past Presidents for their leadership and dedication to our club.

Thank you to our sponsor – The Thompson Group at Classic Chevrolet

NCM News2021 Bash Caravan

MARK YOUR CALENDARS! SAVE THE DATES! April 19-24 we will caravan to the National Corvette Museum for the third attempt to honor LSCC and its members for stepping up to become Naming Rights Sponsors of the XP-987 two-rotor Corvette.

We will enjoy the NCM Bash with all its activities, plus a special event honoring LSCC members for sponsoring the XP-987. However, as much fun may be the trip itself. Plans are to spend three days on a scenic caravan to Bowling Green, Kentucky. We will drive through the Kiamichi Mountains in Oklahoma, the Ozark Mountains in Arkansas and Missouri and the Land Between the Lakes in Kentucky.

This is just a heads up, so you can begin to plan to make this great trip. More details, including hotel information will be forthcoming after the first of the year.

Lifetime Members

A big thank you to:

Mike and Terri Krieger

For becoming Lifetime Members of the NCM.

Christmas Membership Special-Reminder

Last month we announced our annual Flint Brick/Membership special. This is a reminder, as the special will expire December 31. Normally, anyone who purchased one of the memberships listed below would receive a sequentially numbered brick rescued from the razed Flint, Michigan plant where the first 300 Corvettes were assembled. They are valued at \$25.00.

The key word is normally. Normally, we would return the NCM merchandise from the Sulphur Springs Corvette show to the Museum and pick up the Flint bricks. This year, no show, no merchandise, no bricks.

We do have ONE brick for the first of you to become a Lifetime or Family member. I will have the brick at the December meeting. Contact me and I will save it for you.

I do have some great 2021 Corvette calendars, a \$17.00 value, free with any first-time membership purchase (not renewal).

Membership categories and some of their benefits are listed below.

Lifetime – Regularly \$1,500.00, one-time donation, LSCC member cost \$1,400.00. (Payment plan available.)

NCRS

Texas Chapter

Ray Kimminau, Coordinator

Membership in the NCRS Texas Chapter has many benefits such as restoration techniques from professionals, technical information, and publications can assist you in finding rare parts to restore or maintain your Corvette.

As a member of the Texas Chapter, you'll receive a copy of our newsletter, The Tailpipe, which is published quarterly. You also will have access to all the knowledge, help, and advice of other chapter members and the entire NCRS family.

Please visit www.ncrs.org for the complete show for judging schedule and a list of available hotels in the area.

Scheduled NCRS Events for 2020

- None

Scheduled NCRS Events for 2021

- Florida Regional - February 18 - 20 -
Lakeland, Florida
- Arizona Regional - May 13 - 16 -
Scottsdale, Arizona
- Heartland Regional - June 10 - 12 -
Cedar Rapids, Iowa
- National Convention - July 18 - 23 -
Palm Springs, California
- Adirondack Regional - September TBA -
Latham / Albany, New York
- Texas Regional - October 21 - 23 -
Frisco, Texas

The Concours Judging Program is a new venue that allows Corvettes with modifications to participate in the NCRS judging activities. Many of these modified Corvettes are well presented but would not fare well under the traditional Flight Judging system; thus, owners now have an avenue for display and judging. Modified Corvettes will be judged in two categories - Stock Division and Modified Division. The Stock Division offers two awards (Blue Ribbon and Red Ribbon) while the Modified Division also offers two awards (427 Award and 327 Award). Full details on the registration process are not yet available, and I should have them for the next newsletter. Probably both NCRS and LSCC registration will be required.

If you already own a Corvette, or are planning to purchase one and would like to know more about the NCRS and our Texas chapter, feel free to contact us at ncrstx.org

Competitive Events

Allen Scott, Competitive Events Officer

Autocross has been cancelled for the season. Brookhaven College will not reopen to at least spring semester 2021.

Drag Racing Texas Motor Speedway in Ennis is closed until further notice. I spoke with [Martha Kaus](#) (event co-ordinator) and she reports the same for all the local tracks. Check the LSCC Calendar for next race information.

Open Road Racing The Big Bend Open Road Race for 2021 is scheduled for April 24th. Registration opens the first working day of 2021 at 8:00 am which is on Monday, January 4th. Contact [Mike Black](#) for more information.

Rally events are coming back. LSCC participates through the TX Region of the Sports Car Club of America. Check their website for the next Rally at www.texasscca.org/rally/.

HPDE is beginning to start back up. Check with our HPDE co-ordinator, [Mike Krieger](#), for more information. To be placed on the "Track Hound Newsletter" mailing list and receive information on local HPDE events, [CLICK HERE](#).

In the meantime, keep your cars clean, waxed, and maintained, so we all will be ready to go when the time is right. Be safe and I look forward to seeing all of you in person. As always, please watch our club website for updates and new listings.

2021 LSCC Big Trip

Yellowstone and Glacier National Parks, Banff, and the Black Hills

June 19, 2020 – July 5, 2021

[Mike & Michele Woolsey](#) - Coordinators

Yellowstone, Grand Teton and Glacier National Parks, Banff, Canadian Rockies and the Black Hills will all be part of the LSCC 2021 BIG TRIP!!!

The trip begins 6/19/2021 and ends either 7/4/2021 or 7/5/2021 depending on how much of a hurry you're in to get home.

We will have almost 4 days in the Yellowstone/Grand Teton National Park area. This should give us plenty of time for seeing the sights, hiking, horseback riding, rafting adventures, museums and great drives.

We will then turn north to drive the famous Going-to-the-Sun Road in Glacier National Park. We will spend most of one day making the drive and taking pictures, short hikes and perhaps seeing some wildlife.

We will continue north to Calgary, Alberta. From there we enter the Canadian Rockies and see Banff, Lake Louise, Moraine Lake, the Icefields Parkway, the Athabasca Glacier and Jasper, Alberta. Plenty to see and do in that area as well, including the Maligne Lake boat tour.

From there we turn home to see the Custer Battlefield, Devil's Tower, Mount Rushmore, the Crazy Horse Monument among other sights.

For those that wish to make the full trip, including Alberta, Canada, remember, you will need a valid **PASSPORT**.

"Click" on the link below to review the details and keep coming back as more information will be added to this event as those details become available.

If you plan to go, please sign-up for the event ASAP. By signing up as soon as possible, it gives us a better idea of what size hotel blocks to create. Blocks are currently to be set-up at the listed hotels. As those blocks become available, information will be sent to those that have signed up and published on this site.

We will then turn south for the run to Texas. Never fear, there will be opportunities for more sight-seeing. Strap on your tourist smile and bring your camera, we are going to have some fun! More to follow in the coming months.

For those that may not have two weeks:

The full trip will take 14 days, however there will be natural opportunities to head back to the house should you only plan to make a portion of the trip. We will leave on a Wednesday and travel directly to Spearfish, SD where we will check-in Thursday afternoon and kick-off the festivities. The BHCC event is over Saturday night, which would allow Sunday, Monday and Tuesday to reach the DFW area and spend only 1 week on the road. A second opportunity to head back early would be after Yellowstone and before Glacier National Park.

Hotel Reservations:

As usual, blocks of hotel rooms will be made available wherever the vendors will allow.

There is a good chance that we will have to make our reservations early for the Yellowstone and Glacier National Park areas. More information coming soon.

Proposed LSCC Bylaw Change

Janet Glowicz - Recording Secretary

In September, the Board of Directors voted to change the title of the Technical Officer to Webmaster. This change was due to the number of questions the Technical Officer had been receiving which were Corvette related and not website related. This title change will better reflect their duties. Amendments to the Bylaws will be by a two-thirds vote of the voting members present at the December business meeting or so scheduled thereafter.

Proposed Bylaw Changes

Current:

Article VIII –Board of Directors

Officers of the Club shall be:

President, Vice-President, Competitive Events, Financial, Recreational Events, Recording Secretary, Membership, Treasurer, Newsletter Editor, Classic and Technical Officer.

So you always wanted to know how to clean your car but were afraid to ask!

By Phil Davies

Before

During

After

Hey LSCCers, Kristina and I love LSCC road trips and try to attend as many as possible. We think they offer one of the best ways to see the USA in our Corvette and meet and develop LSCC Corvette friendships. Another way is to attend Corvette shows that other Corvette clubs host, such as Lawton, Hot Springs, Boerne, Tri-City, Wichita Falls. What these out-of-town shows have to offer are great drives and overnight stays, allowing more one on one time together.

For those who do not know, Kristina and I recently purchased a 2017 Grand Sport in Michigan. During the drive back to DFW, I was pondering what is the best way to take care of the paint of our new purchase. There is paint protection and then there are car care products. What paint protection options are there? When we purchased our 2004 Corvette, the only effective option was a front bra, mirror and leading-edge hood protectors. For the most part, they looked cool and did a really good job protecting the paint area they covered. The downfalls were the difficulty of installation, over time the protector rubbing the against the paint and they only protect a small area of the car, or as Maxwell Smart use to say, "You missed it by that much". Then there is the chemical side. What and how do I select car wash, polish, wax, interior, exterior, tire & wheel, engine bay and exhaust tip cleaning products. As you can imagine, there are lots of choices.

During the return trip home, we decided we would have the car wrapped with a Paint Protection Film. Once the car was wrapped, the next question was how do we take care of this finish? To help me with this decision, I turned to one of LSCC's sponsors, Cameron Johnson, Founder/CEO of Drive Auto Appearance Center. They have a brick and mortar location located in Plano. Cam along with James Allen have been very patient with me as we went through all the options of car care. Basically, we DIY'ers have a few more options than were available when I was rubbing on our 2004.

So where am I going with this story? Glad you asked. I am thinking we should get together and have LSCC Show and Shine detailing class taught by a professional car detailer. With that, Cam is offering up a class to help us learn how to properly clean and detail our Vettes for the shows we will be attending in 2021. The class will cover the following topics:

- Exterior Detail
 - o Product overview
 - o Wash methods
 - § Two bucket method/ pressure washer
 - § Rinse-less wash techniques

- § Waterless wash techniques
 - o Wheel/brake cleaning
 - o Fender liners
 - o Water spot removal
 - o Metal polish
 - o Window Glass
- Engine Detail
 - o Product overview
 - o Wash methods
 - Bucket/pressure washer
 - Waterless techniques
- Interior Detail
 - o Interior products overview by material type
 - o Interior detail process discussion
 - § Vacuum
 - § Hard surface cleaning
 - § Carpet and upholstery cleaning
 - § Leather care and conditioning
 - § Alcantara care

The class is planned for Saturday, January 23, 9:00-12:00; location is near George Bush Turnpike and Preston Road. We will email to those who register with more details. **The fee will be \$75 and includes a \$25 voucher, good for products and equipment. The class is limited due to space to 12; we can add an additional class if there is an interest.**

To sign up, please log onto www.lonestarcorvetteclub.com and register for this event on the January 2021 calendar.

#3 Corvette Wins IMSA 2020 GTLM Championship

By Corvette Racing Fans

No. 3 Corvette C8.R driven by Jordon Taylor & Antonio Garcia

It was a strange season, to say the least, but for Antonio Garcia and Jordan Taylor, it was another winner. Garcia and Taylor celebrated the GT Le Mans (GTLM) driver and team championships Sunday in the IMSA WeatherTech SportsCar Championship by finishing second in class in the Hyundai Monterey Sports Car Championship at WeatherTech Raceway Laguna Seca.

It was the fourth championship of Garcia's IMSA career, the third for Taylor. For both drivers, it was a most unusual path to a championship.

"It's been a very difficult and unique season," Garcia said, noting the five-month break in the 2020 schedule because of the Covid-19 virus. "After the restart (of the season), the team didn't have any time to really do anything else; we went race to race and couldn't develop anything else."

Adding to the difficulty was trying to master a new version of the No. 3 Corvette Racing Chevrolet Corvette – the C8.R, which was introduced at the start of the 2020 season.

Team Corvette Wins 2020 Manufacturer's Trophy

Corvette Racing has earned the 2020 IMSA GTLM Manufacturer, Team and Driver Championships, an impressive feat considering this is the first year racing the new mid-engine Corvette C8.R. Congratulations to the entire team, and thank you to Corvette Racing's incredibly devoted fans around the world.

Oliver Gavin to Retire from the #4 Corvette

By Corvette Racing Fans

One of the greats of the modern era of endurance racing, Corvette Racing star Oliver Gavin, will be stepping down from competition for the entire season at the end of the 2020 season. The first race for Gavin with Corvette Racing was the Sebring 12-hour race in 2002 (see below). He was promoted to full-time team for the following year and has stayed there ever since. Ollie's list of successes with Corvette Racing is unmatched. He has more starts (201), championships (five), race wins (51), 24-hour victories at Le Mans (five) and pole positions (25) than any other driver in the history of the program. He has also won five times at Sebring and Petit Le Mans with Corvette Racing and won the Rolex 24 at Daytona in 2016 to start his final championship run.

"It has been an immense privilege to be with the same team for 19 seasons and I thank everyone who shared this journey with me from the bottom of my heart," said Gavin. "It was a great run and I was very lucky to have been able to ride at such a high level for so long. I am very proud of what we have achieved together, especially the championship wins and milestone victories at Le Mans, Daytona and Sebring. I am also very proud of the role I have played in developing four generations of Corvette racing cars for IMSA and at Le Mans, and look forward to exploring opportunities to represent Chevrolet and Corvette Racing in the future."

#4 C8.R Driver, Oliver Gavin

Nick Tandy to Replace Oliver Gavin in the #4 Corvette

By Sportscar365

Nick Tandy appears set to replace Oliver Gavin as a full-season driver in Corvette Racing's lineup in the IMSA WeatherTech SportsCar Championship next year. Multiple sources have confirmed to Sportscar365 that the longtime Porsche factory driver will make the switch to GM, taking over driving duties of the No. 4 Chevrolet Corvette C8.R alongside Tommy Milner for the 2021 season.

MEMBERS BUSINESS MEETING MINUTES

Lone Star Corvette Club

Location: Old Texas Brewing

Date: November 14, 2020

The Business Meeting of the Lone Star Corvette Club was called to order at 11:55 AM (Seiko Time).

The 2020 Officers were introduced:

John Raiden, President

Ellie Mendez, Vice President

Ken Burks, Recreational Events

Carolyn Elmore, Treasurer

Terri Krieger, Financial Officer

Allen Scott, Competitive Events Officer

Absent:

Janet Glowicz, Recording Secretary

Joe Carrion, Membership Officer

Norman Glowicz, Newsletter Officer

Michele Woolsey, Technical Officer (Webmaster)

Ron Jones, 2021 & 2022 Classic Officer

Johnny Downs, NCM Ambassador

Linda Shellberg, Public Relations Manager

Robert Shellberg, Club Sponsor Liaison

Approximately 43 members attended the meeting, which was held in the dining room at Old Texas Brewing.

John Raiden, filling in for the Recording Secretary recorded the Minutes. He requested a motion to approve the October 2020 Business Meeting minutes as published in the November 2020 Newsletter. A motion was made, seconded and approved to accept the report without discussion.

Terri Krieger, presented the financial report. A motion was made, seconded and approved to accept her report without discussion.

John Raiden filling in for the Membership Officer, reported that as of October 2020, LSCC has 580 active memberships totaling 1,085 members. The following Member Milestones were noted: 20 year & New Lifetime members – Robert & Linda Shellberg; 15 Years - Ron & Pam Dukes and James & Nancy Ford; and 10 Years – Monty & Gaye Stephens, David & Mary Anne Hasenbach, William & Deborah Sass & Carl & Rebecca Walker. A motion was made, seconded and approved without discussion to accept all the new members listed in the November 2020 Newsletter.

John Raiden recognized the Veterans in attendance, all received a round of applause and a thank you for their service.

Four Classic Road Rallies have been held raising a total of \$5,665.00 for our Lone Star Corvette Classic charities. A 5th rally scheduled for November 15 was cancelled as we felt it was too close to the holidays. The route is planned and will be held sometime in the 1st quarter of 2021.

Craig Satterfield provided an update on the Mecum Auction that was held in October. We had 91 volunteers, moved about 950 cars across the sale block, a lower number than previous years. Based on the number of cars, Craig said our donation from Mecum should have been around \$4,750.00, but they handed him a check for \$9,000.00 which was a big surprise. Craig said Mecum appreciates how well we are organized and patterns our process at their other sale locations.

Due to a low member turnout, the Board decided to hold the vote on changing the Bylaw position name from Technical Officer to Webmaster at the December meeting.

John Raiden led an acapella birthday song honoring members with November birthdays.

Meeting Adjourned at 12:10 PM.

427/390, 4-speed, Red/Black. Matching numbers car. I have owned this unmolested car since 1988 and believe I am the 3rd true owner. A father and son owned it first and then an investor and then a Subaru dealer. According to the original owners son, the car was a radio delete car but the father put in what appears to be a 1965 radio/w power antenna. The car was apparently repainted sometime before I bought it. Interior is probably original except for the headliner.
